The undersigned, Joseph F. Breighner, Jr., Registered Land Surveyor, State of Alabama, and Riverwoods Properties, LLC, Owner, hereby certify that this plat or map was made pursuant to a survey made by said Surveyor and that said survey and this plat or map were made at the instance of said Owner; that this plat or map is a true and correct plat or map of the lands shown therein and known or to be known as RIVERWOODS SIXTH SECTOR, showing the subdivisions into which it is proposed to divide said lands, giving the length and angles of the boundaries of each lot and its number, showing the streets, alleys and public grounds, giving the bearing, width, length, and name of each street, as well as the number of each lot and block and showing the relation of the lands to the government survey of the Northeast 1/4 of Section 17, Township 20 South, Range 3 West, Shelby County, Alabama; and that iron pins or other appropriate monumentation have been installed at all lot corners (or reference points to lot corners) and curve points as shown and designated by small open circles on said plat or map. This survey and drawing of the parcel described hereon, were made by individuals under my supervision, based on knowledge and information in accordance with commonly accepted procedures consistent with applicable standards of practice and this survey and drawing have been completed in accordance with the current requirements of the Standards of Practice for Surveying in the State of Alabama to the best of my knowledge, information, and belief. Said Owner also certifies that they are the Owner of said lands and that the same are not subject to any mortgage.

Notes :
1.) Contractor and/or developer is responsible for providing building sites free of drainage problems.
2.) Shelby County is not responsible for the maintenance of any drainage easements shown on this plat.
3.) This property is not located in the 100 year flood zone as shown on the Federal Insurance Rate Map Panel 2 of 5, City of Helena, Dated January 6, 1982.
4.) The storm and sanitary sewer easements dedicated by this plat are provided for the construction of these facilities and, unless otherwise noted, the location of the centerline of these facilities as constructed will be the centerline of the easements shown hereon. Storm sewer easements shall be 15 feet wide (7.5 feet either side of the centerline) and sanitary sewer easements shall be 20 feet wide (10 feet either side of the centerline) unless otherwise noted.
5.) Building setback lines shall be a minimum of 7.5' along side and 25' along rear property lines.
