Jefferson County } to me in necessary provisions, farming
tools and implements not to exceed in amount Thirty
dollars, The said advances are obtained "bona fide" for the
purpose of making a crop, and without such advances it would
not be in my power to obtain the necessary teams, provisions
and farming implements to make a crop in the year 1878;
I therefore grant unto Paul H Earle the statutory lien on
my crop of cotton and corn grown in the year 1878, in
Shelby County Ala, as provided by Section 1858 of the Revised
Code of Alabama. And for payment for said advances
including note, I hereby agree to waive all right of claim
to personal property exemption, secured to me under
the Constitution and laws of the State of Alabama.
And in order to better secure payment for said advances, in-
cluding note, I hereby, bargain, sell and convey unto Paul
H Earle, his heirs and assigns, the following property to wit:
my gray mare about twelve years old, also my yellow
& white spotted cow & her young calf. If I fail to pay off
said advances and the cost of this deed by the 1st November 1878,
or upon my selling or attempting to sell any of said crop
or other property, or moving the same from the limits of
Shelby County & Jefferson County, Paul H Earle is authorized
to take all of said property into custody, and after giving
five days notice by posters in two public places in Jefferson
county, to sell the same at Birmingham Ala, for
cash, and with proceeds thereof pay off for said advan-
ces, and the cost of this deed. The balance is to be paid to
the undersigned.
In testimony whereof I hereunto set my hand and affix my
seal, on this the 27th day of February 1878.
