No. 292.

Know all men by these Presents: That Whereas, by virtue of the acts of Congress of the United States and of the General Assembly of Alabama referred to in the Act of the General Assembly of Alabama approved February 10th 1876 entitled "An Act to execute the power of disposal of the lands granted by an act of Congress entitled An act granting public lands in alternate sections to the State of Alabama, to aid in the Construction of Certain Railroads in said State" approved June 3rd, 1856" which power of disposal is conferred upon the Legislature of Alabama by said act of Congress; and by virtue of what was done prior to February 10th 1876 by or under or in pursuance of the legislation of Congress and the legislation of the State of Alabama that said State had become completely vested with the titles to the lands embraced by said Acts of Congress for the uses and purposes shown in said acts of Congress; and Whereas the said State prior to February 10th 1876 and more than six months prior to the duly decreed bankruptcy of the Alabama and Chattanooga Railroad Company had acquired a valid lien in good faith upon all of said lands to which the Alabama and Chattanooga Railroad Company ever had any right or title, either legal or equitable, by a Conveyance executed by that Company to the State of Alabama to secure an indebtedness of that Company to said State greater than the value of the interest of that Company in or to said lands no part of which indebtedness has ever been paid to said State; And whereas, by a deed executed and bearing date the 8th day of February, 1877, the said lands were conveyed

by the Governor of said State of Alabama in pursuance of an act of the General Assembly of Alabama, approved February 23rd, 1876, entitled "An Act to ratify and confirm the settlement of the existing indebtedness of this State as proposed in the report of the Commissioners appointed under the act approved 17th of December, 1874, and which was communicated to the General Assembly by message of the Governor of 24th of January, 1876, and to carry said settlement into effect by the issuance of new bonds of this State at a reduced rate of interest, in adjustment of a portion of said indebtedness, and the surrender of certain securities held by the State in discharge of another portion of said indebtedness" to John A. Billups and John Drawn as trustees for the purposes in the said deed specified; and whereas, the said John A. And whereas, the said John A. Billups and John Drawn trustees, as disclosed for said deed and said act of February 23rd, 1876, have been directed since May 1886, by the holders of such of the bonds described in the fifteenth section of said last mentioned act as had been surrendered to the Governor on or before the first day of May, 1886, in accordance with the provisions of said last mentioned act to convey and accordingly have conveyed to the Alabama State Land Company all of said lands remaining unsold by said trustees, including in said conveyance the parcel or parcels of land hereinafter specifically described.

Containing Eighty (80) acres more or less, situated in the County of Shelby, in the State of Alabama. And it is distinctly agreed as part and parcel of the terms of this sale of the lands above described, that the Alabama State Land Company does not convey to the said W. T. Hill but reserves to itself, either for its own benefit or for sale to others all the iron ore, Coal, Oil, petroleum, gas, limestone and other minerals contained in or upon said lands, and also the right of way and the right to build such rail or tramways of any description and to construct such pipe lines over the same as may be necessary for the convenient transportation of the coal, oil and other minerals from said lands and from any other lands that the said The Alabama State Land Company, its successors or assigns, or any person holding under it or its successors or assigns may own and mining property in connection with the lands above described and also the right of way and the right to build such rail and tramways over said lands as may be convenient in transporting all material and implements that may be of use in mining upon said lands and the other lands herein referred to: and also all the timber and water upon the lands herein conveyed necessary for the development working and mining the coal, iron and other minerals therein; and also the right to build for the occupancy of employees all such houses on the lands herein conveyed as may be necessary or convenient in mining said lands together with all other necessary mining privileges.
