Wood, Tabby, ads. Montevallo Coal Co. Transportation Co.

Montevallo Coal & Transportation Co
Vs
Tabby Woods.
In chancery at Columbiana Alabama
March Term 1896.

This cause coming on to be heard at the present term was submitted for final decree upon pleadings and proof as noted by the Register. Upon consideration the objections of Respondents to the introduction in evidence of the record of Deed in Book N Page 926 & Book O page 616 are overruled the others objections of Respondents are numerous, some are well taken, it is considered only necessary to say that after sustaining all of said objections that may be well taken there would be sufficient legal evidence to entitle complainant to recover. Only the legal evidence has been weighed and considered in arriving at this decree. The court upon a full and complete investigation is of the opinion that Complainant is entitled to the relief prayed for in its *original bill as amended, and that all the right, title, interest & claim which the Defendant Tabby Woods has or has had in and to the lands described in complainants bill of complaint as amended be & the same is hereby divested out of her & invested in complainant both at law & equity. It is further orderd adjudged & decreed that complainants injunction in this case be & the same is hereby perpetuated. It is further ordered that Defendant and her guardian ad litem Eli Lucas, pay the cost of this suit for which execution may issue (said Guardian ad litem is only liable jointly with defendant for the cost created after the attainment of her majority as shown by the record) if execution is issued against Deft. or her next friend & returned no property found then let execution issue against complainant for cost created at its instance. Each party may withdraw original deeds or documents offerd in evidence by leaving certified copies thereof with the Register. In term time March 18th 1896.
