Nothing in this Modification shall constitute a satisfaction of the promissory note or other credit agreement secured by the Mortgage (the "Note"). It is the intention of Lender to retain as liable all parties to the Mortgage and all parties, makers and endorsers to the Note, including accommodation parties, unless a party is expressly released by Lender in writing. A clerical error is information in a document that is missing or that does not reflect accurately another party's agreement with Lender at the time the document was executed. If any such clerical errors are material changes, the other party agrees to fully cooperate in correcting such errors within 30 days of the date of mailing by Lender of a request to do that. Any change in the documents after they are signed to reflect a change in the agreement of the parties is an "alteration" or "amendment," which must be in writing and signed by the party that will be bound by the change.

JURISDICTION. Except as otherwise provided, any legal action or proceeding arising out of or relating to the loan or other extension of credit secured by this instrument, or to enforce and defend any rights, remedies, or provisions contained in this instrument, (a "Proceeding") shall be instituted in the federal court for or the state court sitting in the county where Lender's office that made this loan is located.
