An agreement made and entered into this 28th day of February 1902 by and between Southern Railway Company, a corporation organized and existing under and by virtue of the laws of the State of Virginia, hereinafter for convenience, styled the Railway Company, party of the first part; and Alabama Girls Industrial School, a corporation organized and existing under and by virtue of the laws of the State of Alabama, hereinafter for convenience, styled the Licensee, party of the second part; Witnesseth: That the Railway Company, for and in consideration of the covenants of the Licensee, hereinafter expressed, hereby gives and grants unto the Licensee the right or license, determinable as hereinafter expressed, of laying and maintaining a six-inch iron water pipe line across the right of way and under the main track of the Railway Company running between Wilton and Mobile Junction, at a point near Aldrich, in the State of Alabama, 714 feet northeasterly of Milepost No. 3-R; it being understood that the right of way of the Railway Company at said point is 50 feet in width on either side of the center line of said main track; all being substantially as shown upon the blue-print hereto annexed and made a part of this agreement.

And the Licensee hereby covenants and agrees in consideration of said license:

(1) That it will lay the said pipe line and at all times hereafter and during the life of this agreement will maintain

the same, in all respects in accordance with the reasonable requirements of the Railway Company, looking to the safe and convenient operation of its said line of railroad.

(2). That it will indemnify and save harmless the Railway Company against any and all loss or damage to property of the Railway Company, and against all claims, demands, suits, judgments and sums of money accruing to the Licensee, or to any other party, against the Railway Company for loss or injury, caused by water or otherwise, however resulting, either to person or estate, and arising by reason of the presence of said pipe line upon the right of way of the Railway Company.

(3) That it will remove the said pipe line from the right of way of the Railway Company at any time hereafter, upon thirty (30) days notice, in writing, so to do, served upon it by the Railway Company, and restore the said right of way at said point to its condition existing at the date of these presents; or, in default thereof, the Railway Company may itself remove the same and restore the said condition of said right of way, but at the expense of the Licensee.

In Witness Whereof, the parties thereto have executed these presents the day and year first above written.
