DOMESTIC NONPROFIT CORPORATION ARTICLES OF DISSOLUTION

PURPOSE: In order to dissolve a Nonprofit Corporation under Section 10A-1-9.11 and 10A-3-7 of the Code of Alabama 1975 these Articles of Dissolution and the appropriate filing fees must be filed with the Office of the Judge of Probate in the county where the corporation's Certificate of Formation was recorded. **The information required in this form is required by Title 10A.**

(For County Probate Office Use Only)

INSTRUCTIONS: Submit one (1) signed original and two (2) copies of this completed form and the appropriate filing fees to the Office of the Judge of Probate in the county where the corporation's Certificate of Formation was recorded. Contact the Judge of Probate's Office to determine the county filing fees. Make a separate check or money order payable to the **Secretary of State for the state filing fee of $100.00** and the Judge of Probate's Office will transmit the fees along with a certified copy of the Articles of Dissolution to the Office of the Secretary of State within 10 days after the filing is recorded. Once the Secretary of State's Office has indexed the filing, the information will appear at www.sos.alabama.gov under the Government Records tab and the Business Entity Records link – you may search by entity name or number. You may pay the Secretary of State fees by credit card if the county you are filing in will accept that method of payment (see attached). Your dissolution will not be indexed if the credit card does not authorize and will be removed from the index if the check is dishonored.

This form must be typed or laser printed.

1. The name of the corporation as recorded on the Certificate of Formation:

   1214 Movement

2. Alabama Entity ID Number (Format: 000-000): 286 - 470 **INSTRUCTION TO OBTAIN ID NUMBER TO COMPLETE FORM:** If you do not have this number immediately available, you may obtain it on our website at www.sos.alabama.gov under the Government Records tab. Click on Business Entity Records, click on Entity Name, enter the registered name of the entity in the appropriate box, and enter. The six (6) digit number containing a dash to the left of the name is the entity ID number. If you click on that number, you can check the details page to make certain that you have the correct entity – this verification step is strongly recommended.
