State of Alabama }
Shelby County } This contract or agreement made and entered into this the 8th day of September 1909 by and between M. L. German as party of the first part and Columbiana Brick Company a corporation as party of the second part, Witnesseth: It is hereby contracted and agreed by the parties of this instrument that the party of the second part shall have the use of water running through lot on this day conveyed to party of the second part by party of the first part for the purpose of making or manufacturing brick on said lot and further that party of the second part so as to clean and dig deeper said ditch running from said lot to the Spring located on other lands of party of the first part. Further it is agreed that after party of the second part has cleaned out said ditch and dug the same deeper, if then there is found to be not enough water to run said brick yard on said lot above described as being conveyed, then and then only is party of the second part to have the right to use water from the main branch for the purpose of manufacturing brick on said lot as aforesaid.

Witness our hands in duplicate this 8th day of September 1909.

Attest. J. S. Bird
