Griffin and his heirs have been in open, notorious, continuous, actual, adverse possession, under said claim or color of title, claiming it as their own, to the exclusion of all persons whomsoever, for over 20 years before the time they sold the same to R. N. McDonough, during which time we have lived in the neighborhood of said lands continuously, and no one besides the above named parties have ever had possession of the said land, or to my knowledge ever laid any claim

to the same, except the said John A. Griffin and his heirs.
