State of Alabama } Before me the undersigned authority person-
Shelby County } ally appeared B. M. Booth who having been
duly sworn deposes and says, that he is acquainted with
that tract of land, known as Lot No. 4 in the N.E 1/4 of the S.E 1/4

of Section 30 Tp. 21, Range 4 West; more particularly described as follows Beginning at the South West corner of said NE/4 of SE/4 of Section 30 and run east 110 yards, thence North 220 yards, thence West 110 yards thence South 220 yards, to the point of beginning. that said five acre tract of land was conveyed by Elam Boothe and his wife in 1890 to Martha J Champion and Martha J. Champion and her husband H.J Champion on September 17 1891, conveyed the same land above described to J. C. Harmon and his sister M.E. Harmon; and that Elam Booth joined in the deed to said J.C. Harmon and M.E. Harmon; that while the names of the grantors in said deed appear as M.C. Champion and H.J Champion, there was a mistake in writing their names in said deed, as they should have been written M.J. Champion and H.J. Champion and said deed is correctly signed by the said M.J. Champion and H.J Champion; that at the time the said Elam Booth joined in said deed in September 1898, his wife Julia A. Booth was dead and he was unmarried; that there was also another mistake made in said deed in that the name of J.C. Harmon was written therein as J.C. Harmon, while the person to whom said deed was made was J.C. Harmon and he and his sister M.E. Harmon claimed said land until they disposed of same; that the said J.C. Harmon and M.E. Harmon went into possession of said premises above described, immediately after their purchase of same, and the said M.E. Harmon lived in the house on said premises for about six years and the remainder of the time they had a tenant in the house on said premises, until they sold and disposed of said tract of land; that the said J.C. Harmon and his sister M.E. Harmon were in actual, adverse possession of said five acres of land from the time they purchased same in 1898 either themselves or by tenants until the year 1903, when they sold one acre in the Southwest corner thereof to H.M. Henderson and that some time during the year 1904, they sold to W.A. Lucas and his brothers one half acre in said five acre tract, lying immediately East of the acre tract sold to H.M. Henderson; that the possession of said J.C. Harmon and M.E. Harmon of said tract of land has been undisputed, actual and adverse, to all the world and no one has claimed or attempted to claim said land since they bought and went into possession of same up to the time they disposed of same, and the title of those holding under J.C. Harmon and M.E. Harmon is undisputed.
