State of Alabama } Personally came before me ~~the within named~~
Shelby County } Hosea Pearson a Notary Public and ex-officio
Justice of the Peace, in and for said county in said State
Thomas R. Lovett who makes oath that he is acquainted with
the Southeast quarter of the Northeast quarter of Section 2, Town
ship 24 North of Range 15 East; that when he first knew said
lands about the year 1871, they were in the possession of

Archibald Carter who was holding and claiming the same as his own and had thereon, fields enclosures and other improvements and who held and claimed the same openly notoriously, adversely and continuously until he sold said lands to affiant Thomas R. Lovett, about the year 1872, and executed and delivered a warranty deed conveying said Southeast quarter of the Northeast quarter and other lands to the said Thomas R. Lovett.

Said deed was never recorded and affiant was of the opinion that he delivered said deed to M. S. Evans to whom he conveyed this land about the year 1903. If said deed is not in the possession of said M. S. Evans the same has been unintentionally lost or mislaid.

Affiant further states that he went into immediate possession of said lands about the year 1872, when he purchased the same from Archibald Carter and held the same claiming it as his own openly notoriously, adversely, peaceably and continuously having thereon fields enclosures and other improvements until he sold and conveyed the same to M. S. Evans in 1903.

affiant further states that M. S. Evans went into the immediate possession in September 1903, when he conveyed said lands to her, and she has been in the possession of the same claiming and holding and using it as her own openly notoriously, adversely and continuously having thereon fields, enclosures and other improvements and is now in possession of said land.

Affiant has never known the title of any of the owners set out above being questioned or their right of ownership and possession denied.

Thomas R. Lovett.

Subscribed and sworn to before me on this the 3rd day of May A. D. 1913.
