If, however, the titles are not perfected for the following 6 pieces which are included in the original amount of 2713 11/100 acres then there will be an additional credit to Brierfield Coal and Iron Co of 6 pieces 38 75/100 each = 232 50/100 acres @ 5.00 $1,162.50

In memorandum of measurements of the land conveyed in the deed the 70 pieces averaged 38 75/100 acres each and I have so arranged them. The memorandum which you have will give you the exact measurements of them. To all these pieces there is the title of Alabama Coal Mining Co, to Montevallo Coal Mining Co duly recorded as the title of J. A. Nelson Sheriff also recorded and they are mentioned in Fellows Deed of Trust and on Coopers Schedule of lands of the Alabama Company when he was President thereof. If Cary or Davis hold title to them they have never ~~been~~ recorded it I think nor paid taxes or asserted claim when duly advertised and sold by the Sheriff nor in anyway established their claim to my knowledge - and not have been in possession since purchase from Ala Co. 23 or 24 years since and they had it in their possession before that time"
