The State of Alabama, } Before me the undersigned
Jefferson County } authority in and for said County in said State, personally appeared John S. Kennedy who being first duly sworn says; I left David Harkins and wife during their lifetime. They are both dead now and left surviving them the following children; Henry Harkins, Rufe Harkins, Pick Harkins and Will Harkins who are all the heirs of said David Harkins deceased; I know the family for some time in fact I was their attorney and represented them in some legal matters. The children named above are all of age and have been for several years and they are the ones who made quit-claim deeds to me on certain lands in Shelby County, Alabama to which I have recently executed quit-claim deed to Mrs. Dora D. Black. I do not know where these men are now and have not seen them for some time. I never heard of any other children of David Harkins and do not think there are any minor heirs with any claim or interest in David Harkins estate.
