State of Alabama } Before me Wm Lyman, a Notary Public in and for said
Shelby County } County in said State, personally appeared J.W.
Allen who being by me first duly sworn, deposeth and on oath saith
that he is 69 years of age, and resides in the neighborhood of Montevallo
Alabama, that he knows the lands in Section Five and Six in Township
Twenty Four, Range Thirteen, in Shelby County, Alabama, and has
known the same for 40 years; that none of the following persons during
any part of said time were in possession of said lands nor any part
thereof during any part of said time, nor did they claim to own
the same in any manner; that is to say: Albert F. Wilson,
J.W. Dominick, Charles W Corey, Lucy J Corey, D.M. McLoughlin,
John W. Lapsley, or his wife.

Affiant further says that none of said land, during any part of
the past Twenty Years was ever claimed or owned by any person
other than those shown by the records to have been bona fide owners
thereof.

Affiant further says that ~~none of said land~~ deeds were made
to some parts of said lands by Charles W. Corey and wife
Lucy J. Corey and that the names of some of the foregoing persons
are probably shown on the records to have taken such titles, or
become the owners of said lands, but that they nor any of them
ever did actually go into possession of same nor any part
thereof, and that said conveyances were in part cancelled by
decree of the City Court of Birmingham, In Equity on the grounds
of fraud, and that such as were not cancelled were omitted
from the proceedings by mistake or inadvertence, and were in
the same class as those which were cancelled and would have

been declared fraudulent and void had attention been called to them, and the claimants made parties to the Bill of Wallace vs Cox et. al.
