State of Alabama } I the undersigned S. J. Street, being
Jefferson County } duly sworn deposes and say that
I am the grantee in that deed recorded by Susan Street
dated November the 6th, 1907, and filed for record in the
Office of the Probate Judge of Shelby County Alabama, on
August the 31st 1910. This property was conveyed by my
Grand-father and Grand-mother Samuel Acton and
Zilphia Acton to Susan Street who was my mother, by
deed dated March the 12th, 1879. My mother held pos-
session from about the time of this deed until she
conveyed to me in the year of 1907 and I have held
possession up to this time. I have made thirty-four
successive crops on this land cultivating it first
for my mother until she conveyed it to me, and then
for myself. During all of this time my mother first
and then I have claimed ownership of this property
and assessed the same for taxes and paid the taxes
upon it. There has been to my personal knowledge
thirty-four continuous years of actual possession and
cultivation by my mother and myself.
The boundaries referred to in this deed can still be
traced upon the ground and were clearly located in
1916, when this property was purchased. The Map which
is attached to this affidavit is a correct showing and
gives a correct description of this same land, which

was decided to give our November the 6th 1907 as stated above. My Mother, the said Susan Street was a widow when this deed was executed.
