State of Alabama } I, the undersigned S. J. Street being duly sworn
Jefferson County } depose and say that I am the grantee in that deed executed by S. M. Acton and wife, dated November the 3rd, 1913 and filed for record in the Office of the Probate Judge of Shelby County Alabama, on August the 31st, 1917. I am familiar with the land described in said deed and have been familiar with said land for more than twenty years past. This same land was conveyed to S. M. Acton and wife on July the 13th, 1899, said S. M. Acton took possession of said land that year and held possession by cultivating or having cultivated portions of the land each year until he conveyed it to me in 1913, and I have held possession continuously from that time to the present day. Twelve or fifteen acres of this land next to the River has been in cultivation each year since 1899.

The land which is described in these deeds is correctly shown by the map which is attached to this affidavit. This map shows correctly the natural boundaries referred to in these deeds. I have paid taxes upon this land ever since I have owned it and my information is that S. M. Acton paid taxes during the time that he claimed the land from 1899 to 1913.

Only a portion of this land is fenced in, but the boundaries have been established on the ground during all of this period and these boundaries are well known in the neighborhood.

S. J. Street.

Subscribed and sworn to by me this 10th day of October 1917.
