State of Alabama } Before the undersigned authority
County of Shelby } in and for said County, this day personally appeared Henry H. Harrison, who after being by me duly sworn deposes and says:
That he knows of John Lawley Sr. who received a Patent from United States of America covering the N½ of N.W.¼ Section 17, Township 21 South, Range 3 West of the Huntsville Meridian and knows that the John Lawley Sr. who conveyed said land in 1860 to Reghus Allen Bivas, and Martin by deed which appears of Record in the Probate Office of Shelby County, Alabama in Book "A" of Deeds at page 5-31, was one and the same person as the Patentee above mentioned;
That he is well acquainted with the location of the E½ of S.W.¼ and N.W.¼ of S.E.¼ of Section 31, Township 21 South, Range 3 West, Shelby County Ala, and knows it was not the homestead of John Holcombback, Newton J. Jarvis or John Allen in 1887 when they executed that certain deed in favor of Geo. T. Harrison, conveying the North 60 acres of E½ of S.W. said Section 31, which appears of record in the Probate Office above mentioned in Book 11 of Deeds at page 64; and that said land was not the homestead of George T. Harrison in June, 1887 when he conveyed it to Joana T. Tishmor by deed recorded in said Probate Office in Book 10 at page 457; and that the N.W.¼ of S.E.¼ of said Section 31 was not the homestead of John Holcombback in 1888 when he conveyed it to Samuel S. Holbrook by deed recorded in said Probate

Office in Book 11 at page 48; Nor was the S½ of S.E¼ of S.W¼ of said Section the homestead of said John Bloomberg when he conveyed it in 1888 to French Nabors by deed recorded in Book 16 at page 344; and that the N.W¼ of S.E¼ of said Section 31 was not the homestead of S. D. Holbrook in 1887 when he conveyed it to Isaac T. Pickens by deed recorded in the Probate Office aforesaid in Book 11 at page 20;

That he is well acquainted with the location of N.W¼ and the S.E¼ of Section 25, Township 21 South Range 4 West Shelby County, Ala, and knows that none of the following named persons have ever been in possession of the above described land or any part thereof, at any time during the past 50 years; Elias G. Walker, William T. Walker, Ella Walker, Derrick Lolley nor D. P. Chisholm, and it is affiants opinion that any deed or deeds which may have been executed in favor of any of above named persons describing any part of the above land did so through error, as to affiants recollection and knowledge these persons have none of them ever asserted title to any part of said land;

That he knew James Boothe who was the patentee of S.E¼ of N.E¼ Section 1 Township 22 South Range 4 West, Shelby County Alabama, and knows that said Boothe was killed during Civil War and left surviving him the following children who were his sole and only heirs at law and who took the name of Phillips: Elbert Phillips, Marion Phillips, Eli Phillips and Permelia, who married Rance Lolley; affiant knows that this information is correct for the reason that he took these children when they were small and partly raised them.

Affiant knows Jesse Lolley Sr. who received a patent for the S.W¼ of S.W¼ Section 31 Township 21 South Range 3 West, and S.E¼ of S.E¼ Section 36, Township 21 South Range 4 West, Shelby County Alabama, and knows that said Jesse Lolley died long prior to the time the deed was executed in 1888 which appears of record in the Probate Office of Shelby County in Book 16, at

page 343, purporting to be executed by the heirs at law of said Jesse Lolley, deceased, and the Records that William Lolley who was single when this deed was executed, and Matilda Lolley, who was single when this deed was executed together with Permelia Lolley wife of Ransom Lolley Morgan Phillips, single Eli Phillips and "Epes" L. Elbert Phillips, the persons last named being the only children and heirs at law of Missouri, a deceased daughter of Jesse Lolley, deceased; and that at the time said deed was executed the grantors in said deed constituted the sole and only heirs at law of said Jesse Lolley, deceased.
That Eli Phillips Morgan Phillips, Permelia Lolley, "Epes" or L. Elbert Phillips in 1885 and 1887 when those deeds were executed in favor of Eli Phillips and George S. Tichenor, respectively, which are recorded in Book 11 at page 46 and 47, and covered the S.E.¼ of N.E.¼ of Section 1, Tp. 22 S. R. 4 W. constituted the only heirs at law of James Booth, deceased, and at the time L. E. or Epes Phillips was an unmarried man. Affiant knew Andrew J. Lolley, widower, who conveyed the N.E.¼ of N.E.¼ of Section 2 Township 22 South, Range 4 West Shelby County, Alabama to Thomas B. Dixon about the year of 1887 and knows that he was the same person as Andrew Lolley the Patentee of said land.
Affiant is well acquainted with the location of the N.E.¼ of N.E.¼ of Section 1. Township 22 South Range 4 West Shelby County Alabama, and knows that John L. Watkins and the Tennessee Coal, Iron and Railroad Company have exercised actual, open, notorious and continuous adverse possession thereof for 13 years or more last past by leasing it to tenants who have lived on said land and cultivated and made crops on portions of said land during each year of that time.
Affiant is 68 years of age and has lived in the vicinity of the land herein referred to practically all of his life, and has been a practicing physician in the community for many years.
