State of Alabama } Before me, T. W. Whatley, a Notary Public
Shelby County } and Ex Officio Justice of the Peace
in and for said State and County, personally appeared
J. T. Pilgreen, Mrs Carrie Moss and J. Emmett Pilgreen
who are known to me, and who being by me first duly
sworn, depose and say that said J. T. Pilgreen is now
the owner of and in possession of the following described
lands situated in Shelby County, Alabama, viz:
The North West fourth of the South East fourth, and the South
half of the South West fourth of the North East fourth, all in
Section Four, Township Twenty-four, Range Thirteen East; and

that the other affiants have been acquainted with said J. F. Pilgreen for more than twenty years prior hereto; and that all of affiants are acquainted with the above described real estate and have been for more than twenty years prior hereto; further deposing, affiants say that Jesse Pilgreen died in possession of said land on the 7th day of October, 1899 claiming to own the same when he deeded it to said J. F. Pilgreen, and that immediately after the execution of said deeds to said J. F. Pilgreen by said Jesse Pilgreen and his wife on October the 7th 1899, said J. F. Pilgreen went into possession of said land under said deeds and under said purchase, and from said time down to the present date, he has remained and been in the actual, open, notorious, continuous, exclusive and adverse possession of same, claiming to own it against all the world, and during none of said time has any person or persons, advanced any claim thereto or right or title to or against the same antagonistic to the title of said J. F. Pilgreen; further deposing they say that the deed appearing of record in the Probate Office of Shelby County, Ala., from William Pilgreen Exr. to Julia A. Green, recorded in Deed Book 8, at page 146, contains an erroneous description in so far as the same describes said 6 acre tract as being in said North West Fourth of South East Fourth of said Section Four, but said 6 acre tract is actually situated in the forty immediately South of said forty above described, nor has said Julia A. Green, or any one claiming title under her, ever been in possession of any part of said forty above described as belonging to said J. F. Pilgreen, nor have they claimed that said 6½ acre tract was situated in said North West fourth of South East fourth, but have actually recognized that it was situated in the forty immediately South of said forty belonging to said J. F. Pilgreen.

Sworn and subscribed to before me on this the 8th day of December, 1920.
