State of Alabama.
County of Jefferson.

This indenture, made and entered into this 1st day of November, 1921, by and between the Tennessee Coal, Iron and Railroad Company, a corporation organized under the laws of the State of Tennessee, of the first Part, and the Alabama Steel and Shipbuilding Company, a corporation organized under the laws of the State of Alabama, of the Second Part, witnesseth: Whereas the Party of the first Part did heretofore, on the 14th day of July, 1898, grant to the Party of the Second Part an easement in gross in and issuing out of all and every of the mines and mining Property of the Party of the first Part, situated in certain Counties in Tennessee and Alabama, indicated in said instrument, said

easement contemplating supplying to the Steel Plant of the Party of the Second Part, then under consideration, all the raw materials therein mentioned and giving to the Party of the Second Part the right to Procure from the land of the Party of first Part the raw materials therein mentioned and requisite for supplying its steel Plant on the terms therein stated, which instrument, was filed for record on the 7th day of October, 1898. in the Office of the Probate Judge of Jefferson County, Alabama, and duly recorded in Volume 235 of the Probate records of said county, beginning on Page 26; and whereas the Party of the first Part owned, among other real estate, the following described land and interests in land located in Shelby County, Alabama, Excepting such rights of way or easements for railroad, tram-roads, electric transmission lines, telephone lines and Public highways as are not owned by the Party of the first Part; this conveyance being expressly subject to all such rights of way and easements: (1) the following described land located in Township 21 South of range 3 West of the Huntsville Principal meridian: the South-West quarter of North-East quarter, south half of South-West quarter, North-West quarter of South-East quarter and South-East quarter of South-East quarter, and an undivided one-half interest in the South-West quarter of North-West quarter and in the North half of South-West quarter: all of said land being located in Section 17; the South half of North half, South-East quarter of South-West quarter, an undivided One-Third interest in the North-West quarter of North-West quarter: an undivided one half interest in the North-East quarter of South-West quarter, in the North half of South-East quarter and in the South-East quarter of South-East quarter: all of said land being located in Section 18; the West half of South-East quarter of Section 30; the North-East quarter of South-East quarter of Section 29; the North-East quarter of South-West quarter. South half of South-West quarter and North-West quarter of South-East quarter of Section 31; (2) the following described land located in Township 21 South of range 4 West of the Huntsville Principal meridian: the South-East quarter, the southeast diagonal half of North-East quarter of North-West quarter, and the north west

diagonal half of East half of South-West quarter of North-West quarter; all of said land being located in Section 25; the South-East quarter of South-East quarter of Section 35; the South-West quarter of North-East quarter, the south-East quarter of North-West quarter and the South-East quarter; all of said land being located in Section 36; (3) the following described land located in Township 22 south of Range 4 West of the Huntsville Principal meridian: the East half of North-East quarter of Section 1; the North-East quarter of North-East quarter of Section 2; (4) all of the coal and other minerals in, under and upon the following described land: the North half of North-West quarter and the North half of North half of North-West quarter of North-East quarter of Section 17, Township 21 south of Range 3 West of the Huntsville Principal meridian, and the South-East quarter of North-West quarter and the Southeast diagonal half of East half of South-West quarter of North-West quarter of Section 25, Township 21 South of Range 4 West of the Huntsville Principal meridian, together with the right to mine and remove the same and also the right to build roads of any description over said land necessary for the convenient transportation of coal and other minerals from said land and other land and for the conveying and transporting to and from said land all material and implements that may be of use in the mining and removal of said coal and other minerals; (5) all of the coal in or upon the south-West quarter of North-West quarter and North-West quarter of South-West quarter of Section 1 and the North-West quarter of North-East quarter of Section 11, all in Township 22 south of Range 4 West of the Huntsville Principal meridian, together with such timber rights, mining rights and other rights as may be owned by the Tennessee coal, Iron and Railroad company in and to said land; and Whereas the Party of the first Part is desirous of Procuring from the Party of the second Part a release of the easement and rights granted by the instrument of July 14, 1898, in and to the land and interests in land hereinabove specifically described, which land and interests in land the Party of the first Part is conveying to the Southern mineral land company in exchange for other land and interests in land; and Whereas the

Party of the first Part is willing to convey to the Party of the Second Part the same easement in the land and interests in land received by it in exchange for the land and interests in land it is conveying as hereinbefore set out; now therefore, the Premises considered, the Party of the Second Part does hereby quit-claim and convey to the Southern mineral land company, successor in title to the Tennessee Coal, Iron and Railroad company, all its right, title and interest in and to the land and interests in land hereinbefore described; to have and hold unto the said Southern mineral land Company, its successors and assigns, forever; and in consideration of said conveyance the Party of the first Part does hereby grant and convey unto the Party of the Second Part the same easement and rights (being the easement and rights described in the above mentioned grant from the Tennessee Coal, Iron and Railroad Company to the Alabama Steel and Shipbuilding Company, dated July 14, 1898,) in and to the following described land and interests in land, which land and interests in land the Tennessee Coal, Iron and Railroad Company acquired from the Southern mineral land company in exchange for that above released: the following described land and interests in land located in Shelby and Bibb counties, Alabama, Excepting such rights of way or easements for railroads, tramroads, electric transmission lines, telephone lines and Public highways as are not owned by the southern mineral land Company, This conveyance being expressly subject to all such rights of way and easements: (1) the following described land located in Township 21 South of Ranges 3 and 4 West of the Huntsville Principal meridian, Shelby county: an undivided two-thirds interest in the south half of South-East quarter of Section 6. Township 21 south of Range 3 West; The South-East quarter of North-East quarter; an undivided two-thirds interest in the North-West quarter, and undivided One-third interest in the South-west quarter of south-west quarter and in the north-west quarter of south-East quarter; all of said land being located in Section 7, Township 21 south of Range 3 West; the west half of north-west quarter of Section 8, Township 21 South of Range 3 West; an undivided two-thirds interest in the south half of North-East quarter of Section 12,

Township 21 south of Range 4 West; reserving and Excepting, however, from this conveyance under Paragraph (1) the seam of coal known as montevallo No. 3 Seam, together with the right to mine and remove said coal, which is the same seam now being mined at the Strawren mine; (2) the following described land located in Township 21 South of range 4 west of the Huntsville Principal meridian. Shelby county: an undivided one-third interest in the South half of south-west quarter of Section 10; the north half of north-west quarter and the South west diagonal half of South-West quarter of Section 13: the South-East quarter of north-East quarter, the north half of north-west quarter, the south-West quarter of north-West quarter, the north-East quarter of south-East quarter, and the south half of south-East quarter. all of said land being located in Section 15; an undivided one-third interest in the North-West quarter of Section 22; an undivided one-third interest in the North half of north-west quarter and in the south-West quarter ~~West quarter~~ of north-west quarter, all of said land being located in Section 28; the north-west quarter of south-East quarter, the South half of South-East quarter of south-East quarter, all that Part of the north-East quarter of South-East quarter lying north of center of antioch-marvel Public Road. all of said land being located in Section 32; the South-East quarter of north-West quarter, the East half of South-West quarter of south-West quarter, and the north half of south East quarter, all of said land being located in Section 33; the north half of north-East quarter of Section 34; the north west diagonal half of South half of north-East quarter and north west diagonal half of south-West quarter, all of said land being located in section 35; (3) all the coal and other minerals in, under and upon the following described land located in Township 21 south of Range 4 West of the Huntsville Principal meridian, Shelby, County: the West half of West half of south-West quarter of Section 25; the south half of south-East quarter of Section 26; the south-East quarter of south-West quarter of Section 28; the north half of south-East quarter of south-East quarter, all that Part of the north-East quarter of south-East quarter

21-4W

South of Public Road running from antioch to marvel, all of said land being located in Section 32; the north-East quarter of northwest quarter and west half of south-West quarter of south-West quarter, all of said land being located in Section 33; the north-East quarter of north-East quarter of Section 35; together with the right to mine and remove said coal and other minerals, and also the right to build roads of any description over said land necessary for the convenient transportation of coal and other minerals from said land and other land and for the conveying and transporting to and from said land all material and implements that may be useful in mining and removing said coal and other minerals; (4) the west half of north-West quarter of North-East quarter and the West half of East half of north-West quarter of North-East Quarter of Section 13, Township 21 south of Range 4 West of the Huntsville Principal meridian, Shelby County: reserving and Excepting, however, from this conveyance of land under Paragraph (4) all the coal and other minerals in, under and upon said land, together with the right to mine and remove said coal and other minerals, and also the right to build roads of any description over said land necessary for the convenient transportation of coal and other minerals from said land and other land and for the conveying and transporting to and from said land all material and implements that may be useful in mining and removing said coal and other minerals; (5) the South-West quarter of South-East Quarter of Section 32, Township 21 South of Range 4 West of the Huntsville Principal meridian, Bibb County; to have and to hold unto the said Party of the Second Part, its successors and assigns, forever. And for the consideration hereinbefore expressed, the Party of the first Part does hereby further grant and convey unto the Party of the Second Part the same easement and rights (being the easement and rights described in the above mentioned grant from the Tennessee Coal, Iron

State of New York,
County of New York,

Whereas, heretofore the Tennessee Coal, Iron and Railroad Company, a corporation duly created by and existing under the laws of the State of Tennessee, and duly authorized to transact business in the State of Alabama, conveyed to the Alabama Steel and Shipbuilding Company, a corporation duly created by and existing under the laws of the State of Alabama, certain rights and interests in and to its mines and minerals and other property, by deed dated July 14, 1898; and

Whereas said Alabama Steel and Shipbuilding Company by instrument dated September 1, 1898, conveyed said property to the Manhattan Trust Company, a corporation created by and existing under the laws of the State of New York, as Trustee to secure the payment of an issue of bonds described in said instrument of conveyance; and

Whereas said Tennessee Coal, Iron and Railroad Company has exchanged the property hereinafter

described for certain other property which had been conveyed to said Company and had granted to said Alabama Steel and Shipbuilding Company the same rights and privileges in and to said property thus acquired by said Tennessee Coal, Iron and Railroad Company as were conveyed by the grant of July 14, 1898, and said Alabama Steel and Shipbuilding Company had conveyed to the Bankers Trust Company, successor by merger to the Manhattan Trust Company, the rights thus acquired in and to said property thus taken in exchange to be held by said Bankers Trust Company upon the terms and conditions specified in said deed of trust dated September 1, 1898, already noted; and

Whereas it is no longer necessary or expedient that the property hereinafter described be retained in connection with the operations or business of said Alabama Steel and Shipbuilding Company, and a certificate duly signed by the President and Treasurer of said Alabama Steel and Shipbuilding Company, as provided by Section Three of Article Five of the said deed of trust to the Manhattan Trust Company, Trustee, has been filed with the officers of the undersigned Bankers Trust Company, now the trustee under said deed of trust; and

Now Therefore, in consideration of the premises and for value received, the undersigned Bankers Trust Company, Trustee, does hereby release from the lien of said deed of trust executed on September 1, 1898, by the said Alabama Steel and Shipbuilding Company to the said Manhattan Trust Company, all the rights of every name and nature acquired by said Alabama Steel and Shipbuilding Company from said Tennessee Coal, Iron and Railroad Company by said instrument of date July 14, 1898, in and to the land and interests in land hereinafter described, and does hereby grant, bargain, release and convey to the Southern Mineral Land Company, grantee from said Tennessee Coal, Iron and Railroad Company, all rights, title, interest and claim acquired by said Manhattan Trust Company, Trustee, by virtue of the conveyance from the Alabama Steel and Shipbuilding Company, dated September 1, 1898, in and to the following described land and interests in land located in Shelby County,

Alabama, Excepting such rights of way or easements for said roads, tramroads, electric transmission lines, telephone lines and public highways as are not owned by the Tennessee Coal, Iron and Railroad Company; this conveyance being expressly subject to all such rights of way and easements:

(1) The following described land located in Township 21 South of Range 3 West of the Huntsville Principal Meridian:

The South-West quarter of North-East quarter, South half of South-West quarter, North-West quarter of South-East quarter and South-East quarter of South-East quarter, and an undivided one-half interest in the South-West quarter of North-West quarter and in the North half of South-West quarter; all of said land being located in Section 17;

The South half of North half, South-East quarter of South-West quarter, an undivided one-third interest in the North-West quarter of North-West quarter, an undivided one-half interest in the North-East quarter of South-West quarter, in the North half of South-East quarter and in the South-East quarter of South-East quarter; all of said land being located in Section 18;

The West half of South-East quarter of Section 30;

The North-East quarter of South-East quarter of Section 39;

The North-East quarter of South-West quarter, South half of South-West quarter and North-West quarter of South-East quarter of Section 31;

(2) The following described land located in Township 21 South of Range 4 West of the Huntsville Principal Meridian:

The South-East quarter, the Southeast diagonal half of North-East quarter of North-West quarter, and the Northwest diagonal half of East half of South-West quarter of North-West quarter; all of said land being located in Section 25;

The South-East quarter of South-East quarter of Section 35;

The South-West quarter of North-East quarter, the South-East quarter of North-West quarter and the South-East quarter; all of said land being located in Section 36;

(3) The following described land located in Township 22 South of Range 4 West of the Huntsville Principal Meridian:

The East half of North-East quarter of Section 1;

The North East quarter of North East quarter of Section 2;

(4) All of the Coal and other Minerals in, under and upon the following described land; The North half of North West quarter and the North half of North half of North West quarter of North East quarter of Section 17, Township 21 South of Range 3 West of the Huntsville Principal Meridian, and the South East quarter of North West quarter and the Southeast diagonal half of East half of South West quarter of North West quarter of Section 15, Township 21 South of Range 4 West of the Huntsville Principal Meridian, together with the right to mine and remove the same and also the right to build roads of any description over said land necessary for the convenient transportation of Coal and other Minerals from said land and other land and for the carrying and transporting to and from said land all materials and implements that may be of use in the mining and removal of said Coal and other Minerals;

(5) All of the Coal in or upon the South West quarter of North West quarter and North West quarter of South West quarter of Section 1 and the North West quarter of North East quarter of Section 11, all in Township 22 South of Range 4 West of the Huntsville Principal Meridian, together with such timber rights and other rights as may be owned by the Tennessee Coal, Iron and Railroad Company in and to said land;

To Have and To Hold unto the said Southern Mineral Land Company its successors and assigns forever.

In Witness Whereof, the Bankers Trust Company as Trustee aforesaid, has caused this instrument to be executed in its name and behalf by its Vice President, and its Corporate Seal to be hereunto affixed and attested by the signature of its Assistant Secretary, this 16th day of January, 1922.

Attest:
J. H. Lewis,
Assistant Secretary.
