Before me, J. M. Johnson, a Justice of Peace in and for said County, personally appeared R. L. Johnson, who is known to me and whom I certify to me a person of good moral character and worthy of credit, who, being duly sworn, deposes and says that he is well acquainted with the ownership and possession of the following described lands, lying and being in Shelby County, Alabama, to-wit:

West half of the northeast quarter and part of the north end of the west half of the southwest quarter, containing thirty acres, more or less, bounded on the south by a cross fence (designated by a large poplar tree standing in lock of said fence) to creek, then by creek to the original line running north and south, also a fraction of the east half of southwest quarter, being the north end, and bounded by the creek running through said land, containing thirty-five acres more or less; also, the northwest quarter of southeast quarter; all in section thirty-two (32) township nineteen (19), Range (2) west; also all that part of southeast quarter of northeast quarter lying on north and east side of a line run as follows: Begin at northwest corner and run to southeast corner, section thirty-one (31) township nineteen (19), Range two (2) west; also east half of the southeast quarter and southwest quarter of southeast quarter, section thirty (30) township nineteen (19), Range two (2) west; also all that part of east half of southwest quarter and south-west quarter of southeast quarter, section twenty-nine (29), township nineteen (19), Range two (2) west, and east half of northwest quarter and west half of northeast quarter, and about one acre in north-west quarter of southeast quarter of section thirty-two (32), township nineteen (19), Range two (2) west, conveyed to said Thomas B. Miller

In the year 1875 by John Allen, a Denimitan of the estate of Isaac Johnson, deceased, which has been in said Miller's possession ever since until 1900. Also northeast quarter of northeast quarter of Section Thirty-one (31), Township nineteen (19), Range two (2) West.

Affiant further ~~states~~ that said lands are now in the possession of Frank Miller, who resides thereon, and the said Frank Miller has had the actual possession thereof, claiming the same as his own, cultivating the same and exercising acts of ownership thereon since the 18th day of June, 1900, when the said lands were conveyed to him by Thomas B. Miller.

Affiant further states that the said Thomas B. Miller was in the possession of said lands from about 1873, when he purchased the same from the estate of Isaac Johnson, deceased, and thereupon went into possession of the same and held such possession openly, notoriously and adversely until his conveyance thereof to the said Frank Miller on the 18 day of June, 1900.

Affiant further states that the title to said property during the possession thereof by said Thomas B. Miller was always recognized by the neighbors as being in said Miller, and that since the purchase of said lands by Frank Miller, the latter title has always been recognized by the neighbors.

Affiant further states that he was a grand son and heir of Jacob Johnson, deceased, and that neither he nor any of the other heirs of said Johnson have been claimed any interest in said property since the sale thereof to Thomas B. Miller in 1873, and that they now have no claim against the same.

Sworn and subscribed before me this 18 day of Jan, 1913
