THE ALABAMA COMPANY
TO
SLOSS-SHEFFIELD STEEL AND IRON COMPANY

THIS INDENTURE dated as of the 1st day of August, 1924, by and between The Alabama Company, a corporation organized and existing under the laws of the State of Delaware and duly qualified to transact business in the State of Alabama, hereinafter called the "Grantor" party of the first part, and Sloss-Sheffield Steel and Iron Company, a corporation organized and existing under the laws of the State of New Jersey and duly qualified to transact business in the State of Alabama, hereinafter called the "Grantee" party of the second part, WITNESSETH:

WHEREAS, the execution and delivery of this Indenture has been duly authorized as required by law by the Board of Directors and stockholders of the Grantor, and all other acts and things necessary or required to authorize the grant herein contained have been done and performed and have happened;

Now, therefore, in consideration of the sum of Ten Dollars ($10.) lawful money of the United States, duly paid by the grantee to the grantor, and of the execution and delivery by the grantee to Central Union Trust Company, of New York, as Trustee, of a Purchase Money Mortgage and Deed of Trust to evidence and secure a purchase money lien represented by $3,700,000; aggregate principal amount of the Grantee's Notes divided into $2,500,000 aggregate principal amount of Five Year Six Per cent purchase money lien notes, dated August 1, 1924, due August 1, 1929, bearing interest at the rate of six per cent per annum, payable semi-annually on the first days of February and August in each year until the principal shall be paid. and $1,200,000. aggretate principal amount of Serial Five Per Cent Purchase Money Notes dated November 1, 1924, $400,000 principal amount of which become due November 1 in each of the years 1926, 1927 and 1928, respectively all bearing interest at the rate of five per cent, per annum, payable semi-annually on the first days of May and November in each year until the principal shall be paid, which said mortgage and Deed of Trust is hereby referred to as though fully set out herein and has been executed and delivered to said Trustee, simultaneously with the execution and delivery hereof for the benefit and security as therein set forth of any parties who may be or become the holders of said notes; and of the execution and delivery by the grantee, to or upon the order of the grantor, of all of said notes; the execution and delivery of which said purchase money mortgage and deed of trust to the trustee, and the receipt of which said sum of money and said notes by the grantor, are hereby acknowledged by the grantor (it being understood that a vendor's lien is not retained under this Deed to secure the payment of said Notes evidencing deferred payment of part of the purchase price, but that said notes shall be secured by said Mortgage and Deed of Trust to be executed simultaneously herewith);

Said The Alabama Company, the Grantor, does hereby grant, bargain, sell, convey, transfer, assign and set over unto said Sloss-Sheffield Steel and Iron Company, the grantee, its entire business and properties, real, personal and mixed, of whatsoever kind, and wheresoever situate, including its good will and franchises (excepting its franchise to be a corporation including the right to sue and be sued as such and excepting also the exceptions and subject to the liens hereinafter expressly stated) which said properties include (but not in limitation) the following:
