5. Property Owner: Scotch Holmes and Land Development Group
   Wayne Joseph Scotch, President
   360 Scotch-Clemmer Way
   Birmingham, Alabama 35242
   205-980-3477
6. Contractor and/or developer are responsible for providing building sites free of drainage problems.
7. No further subdivision of any parcel shown hereon shall be allowed without the prior approval of the Shelby County Planning Commission.
8. Driveways shall be restricted to the locations as shown on the plat. Drive-way access permit required prior to installation of driveway(s). Contact the Shelby County Highway Department at 669-3880 to obtain access permit.
9. Maintenance of detention ponds and all associated structures and appurte..nnces are the responsibility of the Homeowners Association.
10. Any construction or encroachment in a designated flood plain must comply with the Shelby County Flood Damage Prevention Ordinance.
11. No encroachments, including structures or fill material, shall be placed within a designated flood plain unless and until a Flood Plain Development permit has been submitted to and approved by the County Engineer. All development within a designated flood plain must comply with the Shelby County Flood Damage Prevention Ordinance.
12. Shelby County is not now, nor will be in the future, responsible for the maintenance of private roads or easements shown on this plat.
13. An easement for the construction and maintenance of water lines and appurtenances is dedicated to the Shelby County Commission, and its successors and assigns, over and within all private road rights of ways, and utility easements shown on this map. Other utilities installed in this development are by separate agreement with each utility.
14. All construction shall be in accordance with Shelby County specifications.
15. All utilities within the roadway shall be backfilled with stone.
16. Contractor and/or developer shall be responsible for installation and maintenance of erosion and sedimentation controls during construction for the protection of adjacent properties, roadways, and waterways.
17. The contractor shall notify the County Engineers office 48 hours in advance before starting any work within the right of way of existing roads or on roads to be dedicated to the County through the subdivision process.
18. Site distances as shown on the plat are available, however some clearing of vegetation adjacent to the proposed access points may be required to achieve these distances.
19. Total area of subject property = 3.81 acres
20. Maintenance of detention ponds and all associated structures and appurtenances are the responsibility of the Homeowners Association.
21. Any construction or encroachment in a designated flood plain must comply with the Shelby County Flood Damage Prevention Ordinance.

The subdivision shown hereon, including lots and streets. lies in an area where natural lime sinks have occurred. Lime sinks, as located and shown on the above plat, were found but not repaired, unless otherwise noted on the plat. Shelby County, the Shelby County Engineer, the Shelby County Planning Commission and the individual members thereof, and all other agents, servants, or employees of Shelby County, Alabama, make no representations whatsoever that the subdivision lots and streets are safe or suitable for residential construction, or for any other purposes whatsoever.

THE STATE OF ALABAMA
SHELBY COUNTY

The undersigned, Rowland Jackins, Registered Land Surveyor, State of Alabama, and Wayne Joseph Scotch, President, Scotch Homes and Land Development Group, hereby certify that this plat or map was made pursuant to a survey made by said surveyor and that said survey and this plat or map were made at the instance of said owner; that this plat or map is a true and correct map of lands shown therein and known as Pineywood Estates, showing the subdivisions into which it is proposed to divide said lands, giving the length and bearings of the boundaries of each lot and its number, showing the streets, alleys and public grounds, giving the bearings, length, width and name of each street, as well as the number of each lot and block, and showing the relation of the lands to the government survey; and that iron pins have been installed at all lot corners and curve points as shown and designated by small open circles on said plat or map. Said owner also certifies that Scotch Homes and Land Development Group is the owner of said lands and that the same are not subject to any mortgage;

Dated 2-14 2011.
