Before me, the undersigned authority, in and for said County and State, personally appeared ROBERT JARVIS, who, being known to me, and being by me first duly sworn, deposes and says as follows:

My name is Robert Jarvis. I am 58 years of age and have known the hereinafter described land practically all of my life. In fact, I remember as a child walking over the same with my grandfather. It has been called to my attention that a deed appears of record from Kimberly-Clark Corporation to Robert Jarvis dated December 15, 1965 and recorded in the Probate Office of Shelby County, Alabama in Deed Book 239, page 555. It has further been called to my attention that the description did not properly describe the Range in which said land was situated. The property is properly described as follows:

The South 15 acres of the NW $\frac{1}{4}$ of the NW $\frac{1}{4}$, Section 1 Township 22, Range 4 West, in Shelby County, Alabama.

This land was the land which was intended to be described in the land from Kimberly-Clark, as stated, and there is no dispute of any kind involved.
