TO: SHELBY COUNTY  
P. O. Box 467  
Columbiana, Al 35051

Attention: James L. Ray, Jr., County Engineer  
Thomas W. Minor, Maintenance Superintendent

I, B. H. Sanders, do hereby grant Shelby County permission to continue operating the Calera landfill to my west and south property lines which would also include removing a small amount of timber lying in the southwest corner to be removed by Shelby County personnel so that the county can complete the landfill which would be of aid to me when the landfill is completed and properly finished.

I understand also that in my conversations here with Messers Minor and Lemley that the county will move the drainage ditch now existing to a point near my east boundary with the water still discharging in a southerly direction in its natural course.

My property is lying in the West half of the NW $\frac{1}{4}$  of the SE $\frac{1}{4}$ , Section 17, T 22 S, R 2 W, Shelby County.

Signed this the 19 day of Feb 1980.

WITNESSES:

James Minor

John B. Lemley
