

STATE OF ALABAMA )

SHELBY COUNTY )

Before me, the undersigned authority, in and for said County and State, personally appeared TIMOTHY L. RILEY, who, being known to me and being by me first duly sworn, deposes and says as follows:

My name is Timothy L. Riley. I am 34 years of age and presently reside at Route 2, Box 180, Lot 9, Alabaster, Alabama.

I purchased a tract of land from L. T. Bounds on May 20, 1970 by deed recorded in the Probate Office of Shelby County, Alabama in Deed Book 262, page 555, said land being situated in the NW $\frac{1}{4}$  of NW $\frac{1}{4}$  of Section 36, Township 20 South, Range 2 West. When I purchased this property I purchased everything lying in said Quarter Quarter Section lying Southwesterly of the Fire Tower Gravel Road, whether correctly described, or not, as said road is now located. The said old public road, as mentioned in my deed of purchase from L. T. Bounds has not been changed or altered, except to be widened and improved a few feet by the County Highway Department.

It has been brought to my attention that in my said deed of purchase, the south line of said property refers to the same being 626 feet from the corner of the Quarter Quarter Section to said road, and that when it was actually surveyed, said distance measured out to be 668.51 feet to the center of said road. Actually, my wife and I purchased everything lying South and West of said gravel road in said Quarter Quarter Section. The road has been accepted and is accepted by all adjoining landowners as my boundary line, and I have been acquainted with this said property for more than 30 years, and I have never heard any dispute whatsoever concerning the title, or the boundary lines to the said property and I have never heard the same questioned in any way.
