## UNDERGROUND SERVICE EASEMENT

In consideration of the supplying and maintenance of said electric current and facilities, the undersigned hereby grants to Alabama Power Company, so far as legally possible, the right to construct, operate and maintain upon, over, under and across the premises at the above location its poles, conductors, facilities and appliances necessary in connection therewith for the transmission of electric power along the route generally shown above together with the rights of ingress and egress to and from said facilities and the right to cut and keep clear all trees and other obstructions that may injure or endanger said facilities.

Owner understands and agrees that Company will retain title to such underground facilities and that such facilities will not in any way be considered a fixture but will remain personal property belonging to the Alabama Power Company.

Owner agrees to pay the cost of any customer requested or caused modifications to the Underground facilities after the initial installation.
