SECTION SIX. Restrictions on Transfer of Stock. All issued shares of stock of this corporation shall be subject to the following restrictions on transfer.

(a) For the purposes of this section:

(i) A shareholder desiring to sell or otherwise transfer, give or assign his or her stock in this corporation, in whole or in part, shall be referred to as the "offeror;" and

(ii) The shareholders, individually and collectively, of this corporation, other than the shareholder-offeror, shall be referred to as the "optionee."

(b) Any shareholder of this corporation may, without restriction or limitation, sell or otherwise transfer, his or her stock herein, in whole or in part, to any other shareholder of this corporation.

(c) In the event any shareholder desires to sell or otherwise transfer his or her stock herein, in whole or in part, to a bona fide offeree other than a then existing shareholder, the following procedures shall be followed:

(i) The offeror shall furnish and deliver to the corporation and to the optionee, at each of their last known business addresses, a letter of intent, containing the name and address of the offeree, and complete details as to the terms and conditions of the offer under which the said sale or other transfer is to be effectuated.

(ii) The offeror shall grant to the corporation the first option and shall grant to the other shareholders of the corporation the second option to purchase said stock or effectuate such transfer of said stock to it or themselves, under the same terms and conditions as set forth in the letter of intent described in subsection (i) herein above.

(iii) The corporation shall be considered as the primary optionee and shall have thirty (30) days from the date of receipt of the letter of intent within which to exercise such option, by letter in writing, addressed to the offeror, and copies thereof to each of the other optionees, at each of their last known business addresses. Upon the failure of the corporation to exercise its option, each of the other optionees, if all the optionees elect to purchase said stock, said stock of the offeror shall be purchased by the optionees in the same proportion as their respective stock ownership in the corporation. If all optionees do not elect to purchase their proportionate share of the offeror's stock, such optionees who desire to purchase such stock shall be entitled to purchase such proportionate share of the offeror's stock as the percentage of his or her respective stock interest in the corporation bears to the total percentage of all stock interests in the corporation held by all

of the optionees desiring to purchase the offeror's stock. Notwithstanding the foregoing, the election of the optionees to purchase proportionate share of the offeror's stock not aggregating the offeror's entire stock shall be of no effect.

(iv) If the corporation and the optionees fail to elect to purchase said stock within said option period, then the offeror shall be free to sell all of his or her stock to the original offeree at the price and upon the terms and conditions set forth in said offer provided, however, that such sale must be consummated within two (2) months following the expiration of the optionee's second option.

(v) Upon a sale or other transfer to the offeree the offeree will then hold said stock as a shareholder, subject to all terms and conditions of these Articles of Incorporation in the place and stead of the selling shareholder, including the provisions contained in this section.

(vi) If said sale is not made between selling shareholder and such other purchaser within said two (2) month period after the expiration of said second option, all of the terms, conditions, and restrictions of this section of these Articles of Incorporation shall be reinstated and the right of the selling shareholder to sell his stock to such purchaser pursuant to said original offer shall terminate.
