CIVIL ACTION

NO. CA 66-325

MOTION FOR SUMMARY JUDGMENT BY PLAINTIFF

Plaintiff moves the Court to enter, pursuant to Rule 56 of the Federal Rules of Civil Procedure, a summary judgment to plaintiff's favor on the issue of the necessity of taking the lands described in the amended complaint herein as Tracts numbered 127, 120, 150-1 & 2, 475, 228, 178, 476, 104, 126, 201, 405, 474, 477, 232, 464, 447, 188, 465, 433, 137, 133, 211-1 & 2, 490, 430, 400, 431, 492 and 432 for the purposes and uses outlined in the complaint on the ground that there is no genuine issue as to any material fact relative to the necessity for the taking of such lands and that plaintiff is entitled to a ruling that such lands are necessary for the purposes stated as a matter of law.

This motion is based on the attached affidavit of Mr. E. R.

Coulbourn.

STATE OF ALABAMA }
JEFFERSON COUNTY }

AFFIDAVIT OF E. R. COULBOURN IN SUPPORT OF
MOTION FOR SUMMARY JUDGMENT

Before me, the undersigned authority in and for said County in said State, personally appeared E. R. Coulbourn, who being known to me and by me first duly sworn, on his oath deposes and says as follows:

My name is E. R. Coulbourn. I am a Vice President-Engineering for Alabama Power Company. Alabama Power Company is a corporation organized under the laws of Alabama and has its principal place of business at Birmingham, Alabama. I have been employed by or associated with Alabama Power Company for over forty years.

Alabama Power Company constructed its Lay Dam and Reservoir across the Coosa River under authority of the Act of Congress of March 4, 1907 (34 Stat. 1288) and acquired lands and interests in lands therefor to those certain datum planes of 382.2 feet (between River Miles 51.8 and 57.5) and 387.2 feet (between River Miles 57.5 and 73.2) above mean sea level as established by the United States Coast and Geodetic Survey, as adjusted in January, 1955.

The engineering for and planning of Alabama Power Company's current development of the Coosa River, from a point thereon at Mayo's Bar in Floyd County, Georgia, to a point near Wetumpka, Alabama, which includes the enlargement of Lay Dam, the construction of four other dams, and certain other works, were performed in the Engineering and Construction Departments of Alabama Power Company. I have personal knowledge of such plans and the formulation and development thereof. These plans when completed were submitted to the Federal Power Commission which, with certain modifications, approved them and assigned thereto the designation of F.P.C. Project No. 2146.

F.P.C. Project No. 2146 includes specifications for various structures and component parts of Lay Dam and Reservoir which is presently in the process of being enlarged on the Coosa River in Chilton, Coosa, Shelby and Talladega Counties, Alabama. These improvements there provided for include the dam, reservoir, powerhouse, gated spillway, compacted earth reservoir retaining dikes, navigation facilities, substation,

BOOK 071 PAGE 99

RECORDED
INDEXED

0181

and transmission and communication facilities. There are other works appurtenant or accessory to the enlargement, maintenance and operation of Lay Dam and Reservoir, such as borrow and waste disposal areas, access roads, security areas, and others, which I shall not mention.

The new and enlarged reservoir will be constructed so that its normal water elevation at the dam, being approximately River Mile Post 51.8, will be 397 feet above mean sea level as established by the United States Coast and Geodetic Survey, as adjusted in January, 1955. Proceeding upstream from the dam, the normal reservoir elevation rises progressively from that at the dam, according to hydraulic gradient, to an elevation of 406 feet at River Mile Post 99.8, which is the upper end of the reservoir at the powerhouse of Logan Martin Dam, in St. Clair and Talladega, Counties. During or after periods of heavy rainfall, either locally in the reservoir or in the drainage area affecting it, the water elevation of the reservoir may rise from time to time above the normal reservoir elevation into the flood easement area. The flood easement area begins at approximately River Mile Post 64 and at that point will be 398 feet, or one foot above normal reservoir elevation. Proceeding upstream from River Mile Post 64, the elevation of the flood easement area rises progressively, according to hydraulic gradient, to an elevation of 410 feet at River Mile Post 99.8 (which is the upper end of the Reservoir), or four feet above normal reservoir elevation. The specific elevations, both for normal reservoir elevation and, where applicable, flood easement elevation, are shown on each of the Tracts attached to the amended complaint in this case and designated Exhibit A.

I have personal knowledge of the manner in which the structures and component parts of Lay Dam and Reservoir will be actually located on the Coosa River and the project lands adjoining it, and know how such improvements and the reservoir will be located with respect to those parcels of land described in the amended complaint as Tracts numbered 127, 120, 150-1 & 2, 475, 228, 178, 476, 104, 126, 201, 405, 474, 477, 232, 464, 447, 188, 465, 433, 137, 133, 211-1 & 2, 490, 430, 400, 431, 492 and 432. These lands are sought to be condemned in this proceeding

BOOK 671 PAGE 100

0531
0182

for use in connection with the reservoir. Attached to this affidavit, and made a part hereof, are maps or sketches showing these tracts. Each tract will be affected by the waters of the reservoir in the manner shown on the individual map or sketch. Shown in blue on each map or sketch is the portion of the tract to be covered by the reservoir, when it is at its normal elevation, and shown in yellow is the portion of the tract to be covered when the reservoir is at flood easement elevation. The approximate acreage in the various portions of the tract is shown also. The elevations, or contour lines, shown on the maps have been staked on the ground, and painted, on each individual tract.

In addition, it will be necessary to go on and across the lands of the various tract owners, which will not be flooded, with men and equipment to clear the area of the particular tract which will be within the limits of the normal reservoir.

I have personal knowledge of the correctness of the above statements.

ORDER ON MOTION FOR SUMMARY JUDGMENT
AND JUDGMENT CONDEMNING LAND

A motion having been made by the plaintiff for summary judgment in its favor on the issue of the necessity of taking the lands described in the complaint herein as Tract Nos. 127, 120, 150-1 & 2, 175, 228, 178, 476, 104, 126, 201, 405, 474, 477, 232, 464, 447, 188, 465, 433, 137, 133, 211-1 & 2, 490, 430, 400, 431, 492 and 432 for the purposes and uses outlined in Paragraphs 3 and 4 of the complaint on the ground that there is no genuine issue as to any material fact relative to the necessity for the taking of such lands and that plaintiff is entitled to judgment on such issue as a matter of law; and

The plaintiff subsequent to the filing of such motion for summary judgment having amended the complaint by deleting tract numbers 178 and 400 from these proceedings and from the motion for summary judgment;

Now, on considering the affidavit of E. R. Coulbourn filed in support of such motion for summary judgment, which affidavit establishes in the opinion of the court that plaintiff needs the tracts of land designated hereinafter for the purposes stated in the complaint; and

It appearing to the court that there is no genuine issue as to any material fact, except as to the amount of damages to which the condemnees herein are entitled, and the court having concluded after due deliberation having been had, that plaintiff is entitled to summary judgment as to the issue of necessity for the taking as hereinafter specified

and to an order condemning the respective lands and interests therein; it is

ORDERED, ADJUDGED and DECREED that the motion for summary judgment, insofar as it pertains to the tracts hereinafter listed, be and the same is hereby granted; and it is

FURTHER ORDERED, ADJUDGED and DECREED that, without further order of this court, plaintiff upon making the deposits of money in court hereinafter specified, be vested with

A. Fee simple title to those portions of (i) Tract Nos. 127, 126, 405, 137 and 133 lying above that certain datum plane of 382.2 feet but lying below that certain datum plane of 397 feet, (ii) Tract Nos. 120, 150-1 & 2, 475, 476, 104, 201, 477, 232, 464, 188, 211-1 & 2, 430, 431, 492 and 432-C lying above that certain datum plane of 387.2 feet but lying below that certain datum plane of 397 feet, and (iii) Tract Nos. 228, 474, 447, 465, 433 and 490 lying below that certain datum plane of 397 feet; all above mean sea level as established by the United States Coast and Geodetic Survey, as adjusted in January, 1955;

B. The right to flood or cover with water at intervals from time to time, and the right to prevent the construction, use, occupation or habitation of any structures except fences, docks, wharves and boathouses not capable of human habitation (including the right to tear down or remove any such prohibited structures) on, the portions of (i) Tract Nos. 228, 201, 211-1 & 2, 430 and 431 which lie above such datum plane of 397 feet and which would be flooded or covered by the waters of the Coosa River and its tributaries should the level of such water be raised and backed up to that certain datum plane of 398 feet; (ii) Tract Nos. 475, 476, 474, 477, 232 and 465 which lie above such datum plane of 397 feet and which would be flooded or covered by the waters of the Coosa River and its tributaries should the level of such water be raised and backed up to that certain datum plane of 400 feet; and (iii) Tract Nos. 490 and 492 which lie above such datum plane of 397 feet and which would be flooded or covered by the waters of the Coosa River and its tributaries should

DESCRIPTION:

A tract of land in the NW $\frac{1}{4}$ and W $\frac{1}{2}$ of W $\frac{1}{2}$ of NE $\frac{1}{4}$ of Section 13, Township 21 South, Range 1 East, Shelby County, Alabama, described as follows: Begin at the northeast corner of the W $\frac{1}{2}$ of NW $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 13, and run thence west along the north line of said Section 13 for a distance of 3300 feet more or less, to the northwest corner of the said Section 13; thence run south along the west line of said Section 13, for a distance of 2640 feet, more or less, to the southwest corner of the NW $\frac{1}{4}$ of said Section 13; thence run east along the south line of the said NW $\frac{1}{4}$ for a distance of 2640 feet, more or less, to the southeast corner of NW $\frac{1}{4}$, thence run north 660 feet to a point, thence run 660 feet, more or less, to a point on the east boundary line of the W $\frac{1}{2}$ of W $\frac{1}{2}$ of NE $\frac{1}{4}$ of said Section 13; thence north along the said east line to the point of beginning.

All that part of the E $\frac{1}{2}$ of NE $\frac{1}{4}$ of Section 14, Township 21 South, Range 1 East, Shelby County, Alabama, lying east of old Montgomery Dirt Road and east of old run of Bullies Creek and being described as follows: Begin at northeast corner of the E $\frac{1}{2}$ of NE $\frac{1}{4}$ and run south along said section line to the southeast corner of the SE $\frac{1}{4}$ of NE $\frac{1}{4}$; run thence west along south line of SE $\frac{1}{4}$ of NE $\frac{1}{4}$ to old run of Bullies Creek; run thence in a northerly direction along said Creek to its intersection with old road; run thence northeasterly along the old road to the north line of NE $\frac{1}{4}$ of NE $\frac{1}{4}$; run thence east to the point of beginning.

ACREAGE TO BE AFFECTED:

50.2 acres, more or less, of this tract will be completely submerged by Lay Reservoir when it is filled to its new elevation of 397 feet above mean sea level. An additional 29.5 acres, more or less, of such tract will be subject to flooding from time to time when Lay Reservoir is filled to an elevation of 401 feet above mean sea level.

DESCRIPTION:

All that part of the NE $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 34, Township 24 North, Range 15 East, Shelby County, Alabama, lying North of Waxahatchee Creek and Lot No. 19 of Benson's Camp Subdivision according to Map thereof recorded in Map Book 4 at page 28 in the Office of the Judge of Probate of Shelby County, Alabama. There is excepted from the above described lands the remaining lots of said Benson's Camp Subdivision and eight parcels of land described as follows:

Exception 1: Commence at the northeast corner of the NE $\frac{1}{4}$ of SE $\frac{1}{4}$ of said Section 34, and run thence west 670 feet along the north boundary line of said NE $\frac{1}{4}$ of SE $\frac{1}{4}$ to a point; run thence south parallel to the east line of said NE $\frac{1}{4}$ of SE $\frac{1}{4}$ a distance of 301 feet to a square concrete post; run thence south 87 $\frac{1}{2}$ degrees west 70 feet to the point of beginning of the tract or parcel of land herein described; from such point of beginning run thence south 16 degrees west 124 feet and 4 inches to a point; run thence south 87 degrees west 50 feet to a point; run thence north 22 degrees east 130 feet to a point; run thence north 87 $\frac{1}{2}$ degrees east 35 feet to the point of beginning.

Exception 2: Commence at the northeast corner of the NE $\frac{1}{4}$ of SE $\frac{1}{4}$ of said Section 34, and run south along the east line of said NE $\frac{1}{4}$ of SE $\frac{1}{4}$ a distance of 128.11 feet, to the south margin of a gravel road and the point of beginning; thence continue south along the east line of said NE $\frac{1}{4}$ of SE $\frac{1}{4}$ a distance of 166.69 feet, thence turn an angle of 66 degrees 46 minutes to the right and run a distance of 36.05 feet, thence turn an angle of 77 degrees 17 minutes to the right and run a distance of 36.71 feet, thence turn an angle of 44 degrees 24 minutes to the right and run along the east bank of a drain, a distance of 126.70 feet, to the south margin of said gravel road,

BOOK 071 PAGE 139

SHELBY COUNTY

DESCRIPTION:

The E $\frac{1}{2}$ of SE $\frac{1}{4}$ and the SW $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 1; the E $\frac{1}{2}$ of E $\frac{1}{2}$ and the NW $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 12; and the E $\frac{1}{2}$ of NE $\frac{1}{4}$ of Section 13, all in Township 22 South, Range 1 East, Shelby County, Alabama.

All that part west of the Coosa River of Fractional Sections 6, 7, 8 and 17; the N $\frac{1}{2}$ of NW $\frac{1}{4}$ and Fractions A, B, C & D (being all of the East half of Section north and west of Coosa River) in Fractional Section 13 all in Township 22 South, Range 2 East, Shelby County, Alabama.

There is excepted from the above described lands the property conveyed to Shelby Shores, Inc. by deed dated September 12, 1962 recorded in Deed Book 222 at page 338 in the Office of the Judge of Probate of Shelby County, Alabama, being more particularly described as follows:

Commence at the northwest corner of the SW $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 7, Township 22 South, Range 2 East and run thence easterly along the north boundary of said SW $\frac{1}{4}$ of NE $\frac{1}{4}$ 400 feet; thence turn an angle of 90 degrees 38 minutes 10 seconds left and run thence northerly and parallel with the west boundary of said NE $\frac{1}{4}$ to the west boundary of the Coosa River for point of beginning; thence south and parallel with the west boundary of said NE $\frac{1}{4}$ to a point 200 feet south of north boundary of said SW $\frac{1}{4}$ of NE $\frac{1}{4}$; thence easterly and parallel with the north boundary of said SW $\frac{1}{4}$ of NE $\frac{1}{4}$ to the intersection with the Coosa River; thence along the margin of the Coosa River to point of beginning.

All that part of Section 8 and Section 17, in Township 22 South, Range 2 East lying west of the Coosa River.

Also a tract of land described as follows:

Commence at the southeast corner of Section 7, Township 22 South, Range 2 East and run thence north along

east boundary of said Section 400 feet to point of beginning; thence run westerly and parallel with the south boundary of said Section 770 feet; thence run northerly parallel with the east boundary of said Section 7 to a point 1000 feet north of south boundary of NE $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 7, Township 22 South, Range 2 East; thence westerly and parallel with north boundary of said NE $\frac{1}{4}$ of SE $\frac{1}{4}$ 550 feet to the west boundary of said NE $\frac{1}{4}$ of SE $\frac{1}{4}$; thence northerly along west boundary of said NE $\frac{1}{4}$ of SE $\frac{1}{4}$ to northwest corner of said NE $\frac{1}{4}$ of SE $\frac{1}{4}$; thence easterly along north boundary of said NE $\frac{1}{4}$ of SE $\frac{1}{4}$ to the west margin of the Coosa River, thence southeasterly along west margin of said Coosa River to its intersection with the east boundary of said Section 7, thence southerly along east boundary of said Section 7 to the point of beginning.

There is also excepted that portion of said land conveyed to J. T. Jones and Geraldine F. Jones by deed dated December 7, 1964 recorded in Deed Book 233 at page 832 in said Probate Office being more particularly described as follows:

Commence at the southwest corner of SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Fractional Section 13, Township 22 South, Range 1 East, thence run north 2 degrees 00 minutes west along west boundary of SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of said Fractional Section 13 a distance of 200.35 feet to the point of beginning; thence continue north 2 degrees 00 minutes west a distance of 101.3 feet to a point; thence turn an angle of 41 degrees 03 minutes to the right and run north 39 degrees 03 minutes east a distance of 350.0 feet to a point; thence turn an angle of 8 degrees 10 minutes to the left and run north 30 degrees 53 minutes east a distance of 100.0 feet to a point; thence turn an angle of 114 degrees 24 minutes to the right and run south 34 degrees 43 minutes east a distance of 218.0 feet to a point; (Continued)

the right and run south 18 degrees 49 minutes west a distance of 181.15 feet to a point; thence turn an angle of 29 degrees 10 minutes to the right and run south 47 degrees 59 minutes west a distance of 127.60 feet to a point; thence turn an angle of 9 degrees 18 minutes to the left and run south 38 degrees 41 minutes west a distance of 12.9 feet; thence turn an angle of 106 degrees 36 minutes to the right and run north 34 degrees 43 minutes west a distance of 218.0 feet to the point of beginning.

Said parcels of land are situated in Shelby County, Alabama in the SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Fractional Section 13, Township 22 South, Range 1 East.

ACREAGE TO BE AFFECTED:

172.5 acres, more or less, of this tract will be completely submerged by Lay Reservoir when it is raised from elevation 387.2 feet to its new elevation of 397 feet above mean sea level. An additional 22.9 acres, more or less, of such tract will be subject to flooding from time to time when Lay Reservoir is filled to an elevation of 398 feet above mean sea level.

TRACT NO. 432

SHELBY COUNTY

DESCRIPTION:

All that part of the SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 12, Township 24 North, Range 15 East, Shelby County, Alabama, lying south and west of Spring Creek, together with cottages, boat houses and piers and improvements owned by various lessees as specified below, less and except two parcels of land described as follows:

EXCEPTION 1: A parcel of land in the SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 12, Township 24 North, Range 15 East, Shelby County, Alabama, more particularly described as follows:

Commence at the southwest corner of the SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of said Section 12, thence east along the south line of said SE $\frac{1}{4}$ of NE $\frac{1}{4}$ 1016.75 feet more or less to the southwest corner of the George F. Seier property, thence turn an angle of 90 degrees to the left and run north 417.69 feet more or less along the west line of said George F. Seier property to the northwest corner of said Seier property which is the point of beginning; thence turn an angle of 90 degrees to the left and run west 207.85 feet more or less to the southeast corner of Lot 9, Block 10 of Glasscock's Subdivision, thence turn an angle of 93 degrees 30 minutes to the right and run north 320 feet, thence turn an angle of 53 degrees 37 minutes to the right and run in an easterly direction 211.8 feet more or less to a point on the high water line of Spring Creek, thence in a southeasterly direction along and following said water line to a point that would be in a straight line with the southeast corner of Lot 9, Block 10 of Glasscock's Subdivision and the point of beginning, said point being 311 feet, more or less, east of the point of beginning, thence West 311 feet more or less along the north line of the George F. Seier property to the point of beginning.

BOOK 071 PAGE 150

0532
0232

(Continued)

EXCEPTION 2: A parcel of land in the southeast part of the SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 12, Township 24 North, Range 15 East, Shelby County, Alabama, more particularly described as follows:

Commence at the southwest corner of SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of said Section 12, thence north 86 degrees 30 minutes east along the south line of said SE $\frac{1}{4}$ of NE $\frac{1}{4}$ 1016.75 feet more or less to the southeast corner of the property of A. V. Glasscock, which is the point of beginning; thence north 3 degrees 30 minutes west parallel with west line of said SE $\frac{1}{4}$ of NE $\frac{1}{4}$ a distance of 417.6 feet more or less to the south line of the Annette M. Mills property, thence north 86 degrees 30 minutes east parallel with south line of said SE $\frac{1}{4}$ of NE $\frac{1}{4}$ a distance of 205.9 feet more or less to a point on the west bank of the Coosa River, thence south along said west bank of Coosa River to a point on the south line of said SE $\frac{1}{4}$ of NE $\frac{1}{4}$ thence south 86 degrees 30 minutes west along south line of said SE $\frac{1}{4}$ of NE $\frac{1}{4}$ 208 feet more or less to the point of beginning.

There is also excepted the following lots: Lot 5 of

Block 2, Lot 4 of Block 3, Lots 1, 10, 11, 12, 13, 14, 15, 16, 17, 18 and 19 of Block 5, Lots 5, 6, 9, and 10 of Block 7, Lots 3, 9, 10 and 11 of Block 9, Lots 4, 5, 6, 7 and 8 of Block 10 in Glasscock's Subdivision of Spring Creek according to the map recorded in Map Book 4 at page 23 in the Probate Office of Shelby County, Alabama.

ACREAGE TO BE AFFECTED:

5.37 acres, more or less, of this tract will be completely submerged by Lay Reservoir when it is raised from elevation 387.2 feet to its new elevation of 397 feet above mean sea level.

MOTION FOR SUMMARY JUDGMENT BY PLAINTIFF

By _____
Deputy Clerk

Plaintiff moves the Court to enter, pursuant to Rule 56 of

the Federal Rules of Civil Procedure, a summary judgment to plaintiff's
favor on the issue of the necessity of taking the lands described in the
amended complaint herein as Tracts numbered 485, 427, 429, 480, 97,
209-1&2 and 212-2 for the purposes and uses outlined in the complaint on
the ground that there is no genuine issue as to any material fact relative
to the necessity for the taking of such lands and that plaintiff is en-
titled to a ruling that such lands are necessary for the purposes stated
as a matter of law.

AFFIDAVIT OF E. R. COULBOURN IN SUPPORT OF
MOTION FOR SUMMARY JUDGMENT

Before me, the undersigned authority in and for said County in said State, personally appeared E. R. Coulbourn, who being known to me and by me first duly sworn, on his oath deposes and says as follows:

My name is E. R. Coulbourn. I am a Vice President - Engineering for Alabama Power Company. Alabama Power Company is a corporation organized under the laws of Alabama and has its principal place of business at Birmingham, Alabama. I have been employed by or associated with Alabama Power Company for over forty years.

Alabama Power Company constructed its Lay Dam and Reservoir across the Coosa River under authority of the Act of Congress of March 4, 1907 (34 Stat. 1288) and acquired lands and interests in lands therefor to those certain datum planes of 382.2 feet (between River Miles 51.8 and 57.5) and 387.2 feet (between River Miles 57.5 and 73.2) above mean sea level as established by the United States Coast and Geodetic Survey, as adjusted in January, 1955.

The engineering for and planning of Alabama Power Company's current development of the Coosa River, from a point thereon at Mayo's Bar in Floyd County, Georgia, to a point near Wetumpka, Alabama, which includes the enlargement of Lay Dam, the construction of four other dams, and certain other works, were performed in the Engineering and Construction Departments of Alabama Power Company. I have personal knowledge of such plans and the formulation and development thereof. These plans when completed were submitted to the Federal Power Commission which, with certain modifications, approved them and assigned thereto the designation of F.P.C. Project No. 2146.

F.P.C. Project No. 2146 includes specifications for various structures and component parts of Lay Dam and Reservoir which is presently in the process of being enlarged on the Coosa River in Chilton, Coosa, Shelby and Talladega Counties, Alabama. These improvements there provided for include the dam, reservoir, powerhouse, gated spillway, compacted earth reservoir retaining dikes, navigation facilities, substation,

BOOK 071 PAGE 158

U.S. DISTRICT COURT
NORTHERN DISTRICT OF ALABAMA
MOBILE

and transmission and communication facilities. There are other works appurtenant or accessory to the enlargement, maintenance and operation of Lay Dam and Reservoir, such as borrow and waste disposal areas, access roads, security areas, and others, which I shall not mention.

The new and enlarged reservoir will be constructed so that its normal water elevation at the dam, being approximately River Mile Post 51.8, will be 397 feet above mean sea level as established by the United States Coast and Geodetic Survey, as adjusted in January, 1955. Proceeding upstream from the dam, the normal reservoir elevation rises progressively from that at the dam, according to hydraulic gradient, to an elevation of 406 feet at River Mile Post 99.8, which is the upper end of the reservoir at the powerhouse of Logan Martin Dam, in St. Clair and Talladega, Counties. During or after periods of heavy rainfall, either locally in the reservoir or in the drainage area affecting it, the water elevation of the reservoir may rise from time to time above the normal reservoir elevation into the flood easement area. The flood easement area begins at approximately River Mile Post 64 and at that point will be 398 feet, or one foot above normal reservoir elevation. Proceeding upstream from River Mile Post 64, the elevation of the flood easement area rises progressively, according to hydraulic gradient, to an elevation of 410 feet at River Mile Post 99.8 (which is the upper end of the Reservoir), or four feet above normal reservoir elevation. The specific elevations, both for normal reservoir elevation and, where applicable, flood easement elevation, are shown on each of the Tracts attached to the amended complaint in this case and designated Exhibit A.

I have personal knowledge of the manner in which the structures and component parts of Lay Dam and Reservoir will be actually located on the Coosa River and the project lands adjoining it, and know how such improvements and the reservoir will be located with respect to those parcels of land described in the amended complaint as Tracts numbered 485, 427, 429, 480, 97, 209-1&2 and 212-2. These lands are sought to be condemned in this proceeding

BOOK 071 PAGE 159

RECORDED
INDEXED

for use in connection with the reservoir. Attached to this affidavit, and made a part hereof, are maps or sketches showing these tracts. Each tract will be affected by the waters of the reservoir in the manner shown on the individual map or sketch. Shown in blue on each map or sketch is the portion of the tract to be covered by the reservoir, when it is at its normal elevation, and shown in yellow is the portion of the tract to be covered when the reservoir is at flood easement elevation. The approximate acreage in the various portions of the tract is shown also. The elevations, or contour lines, shown on the maps have been staked on the ground, and painted, on each individual tract.

In addition, it will be necessary to go on and across the lands of the various tract owners, which will not be flooded, with men and equipment to clear the area of the particular tract which will be within the limits of the normal reservoir.

I have personal knowledge of the correctness of the above statements.

CIVIL ACTION

NO. CA 66-325

FILED IN CLERK'S OFFICE
NORTHERN DISTRICT OF ALABAMA

JUL 18 1966

WILLIAM E. DAVIS
CLERK, U. S. DISTRICT COURT

ORDER ON MOTION FOR SUMMARY JUDGMENT By _____ Deputy Clerk
AND JUDGMENT CONDEMNING LAND

A motion having been made by the plaintiff for summary judgment in its favor on the issue of the necessity of taking the lands described in the complaint herein as Tract Nos. 485, 427, 429, 480, 97, 209- 1 & 2 and 212-2 for the purposes and uses outlined in Paragraphs 3 and 4 of the complaint on the ground that there is no genuine issue as to any material fact relative to the necessity for the taking of such lands and that plaintiff is entitled to judgment on such issue as a matter of law;

Now, on considering the affidavit of E. R. Coulbourn filed in support of such motion for summary judgment, which affidavit establishes in the opinion of the court that plaintiff needs the tracts of land designated hereinafter for the purposes stated in the complaint; and

It appearing to the court that there is no genuine issue as to any material fact, except as to the amount of damages to which the condemnees herein are entitled, and the court having concluded after due deliberation having been had, that plaintiff is entitled to summary judgment as to the issue of necessity for the taking as hereinafter specified and to an order condemning the respective lands and interests therein; it is

ORDERED, ADJUDGED and DECREED that the motion for summary judgment, insofar as it pertains to the tracts hereinafter listed, be and the same is hereby granted; and it is

FURTHER ORDERED, ADJUDGED and DECREED that, without further order of this court, plaintiff upon making the deposits of money in court hereinafter specified, be vested with

A. Fee Simple title to those portions of (1) Tract No. 97 lying above that certain datum plane of 382.2 feet but lying below that certain datum plane of 397 feet, (11) Tract Nos. 480 and 209-1 & 2 lying above that certain datum plane of 387.2 feet but lying below that certain datum plane of 397 feet, and (111) Tract Nos. 485, 427, 429 and 212-2 lying below that certain datum plane of 397 feet; all above mean sea level as established by the United States Coast and Geodetic Survey, as adjusted in January, 1955;

B. The right to flood or cover with water at intervals from time to time, and the right to prevent the construction, use, occupation or habitation of any structures except fences, docks, wharves and boathouses not capable of human habitation (including the right to tear down or remove any such prohibited structures) on, the portions of (1) Tract Nos. 427, 209-1 & 2 and 212-2 which lie above such datum plane of 397 feet and which would be flooded or covered by the waters of the Coosa River and its tributaries should the level of such water be raised and backed up to that certain datum plane of 398 feet; and (11) Tract Nos. 485 and 480 which lie above such datum plane of 397 feet and which would be flooded or covered by the waters of the Coosa River and its tributaries should the level of such water be raised and backed up to that certain datum plane of 400 feet; all above mean sea level as established by the United States Coast and Geodetic Survey, as adjusted in January, 1955;

C. Together with all other rights as prayed for in the bill of complaint herein with regard to the above listed tracts, including the right of ingress and egress; all such rights to vest in plaintiff without further order of this court upon plaintiff's depositing with

the court the sums of money below specified which are equal to the appraisals made by plaintiff of the value of all the interests in land condemned herein:

<u>Tract No.</u>	<u>Amount</u>
485	\$ 740.00
427	1,625.00
429	3,660.00
480	3,995.00
97	2,270.00
209-1 & 2	14,210.00
212-2	80.00
Total	<u>\$26,580.00</u>

The various tract numbers appearing in this order are referred to the corresponding tract numbers appearing in the complaint and Exhibit A thereto, as amended by Amendments 1 through 7, inclusive, which have heretofore been allowed by the court.

This the 18th day of July, 1966.

Seybourn H. Lynne
United States District Judge.
