

PERPETUAL EASEMENT FOR INGRESS AND EGRESS

This Perpetual Easement for Ingress and Egress is granted this 14th day of July, 1986 by John C. Hearn, by James F. Burford, III, attorney-in-fact, as evidenced by document shown in Book 029, Page 376 in the Office of the Judge of Probate of Shelby County, Alabama and Randall H. Goggans (herein collectively referred to as Grantors).

For and in consideration of One Dollar (\$1.00) plus other good and valuable considerations, the Grantors, being the owners of the subservient estate as described in Exhibit "A" attached hereto and incorporated by reference herein, hereby grant a perpetual easement for ingress and egress over the hereinafter described property to benefit dominant estate hereinafter described on Exhibit "B" attached hereto, and incorporated by reference herein.

The description of the easement is to be defined at a later date at Grantors' expense but is roughly defined as follows:

There presently exists a 15 foot wide asphalt driveway leading to the dominant estate across the subservient estate, which driveway is located in the Northeast corner of the subservient estate. This is the easement that is intended to be granted hereunder and in any event is limited to 15 feet in width.

This easement is subject to the rights of Plantation Pipeline Company.

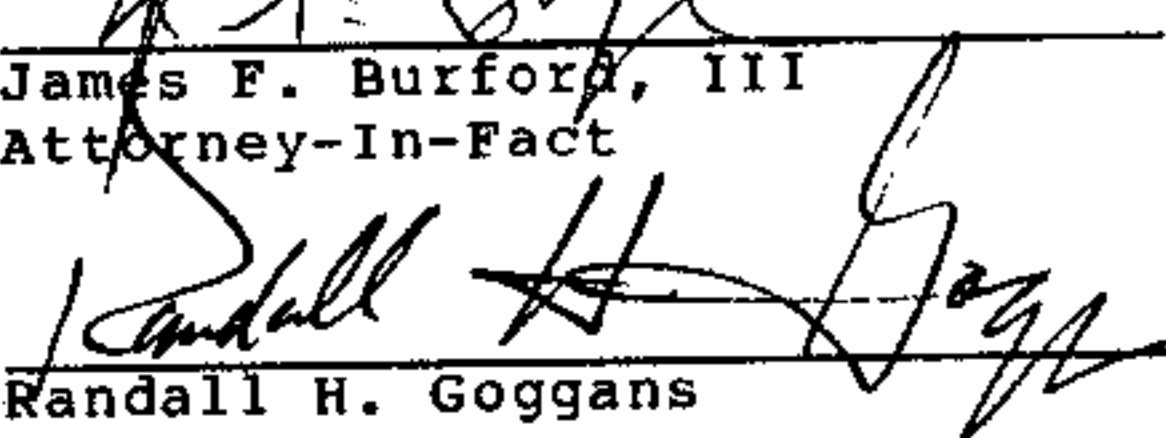

This easement shall be binding on the Grantors, their heirs, successors and assigns.

IN WITNESS WHEREOF, this instrument is executed on the day and year first above written.
