BORROWER, in consideration of the indebtedness herein recited and the trust herein created, irrevocably grants and conveys to Trustee, in trust, with power of sale, the following described property located

SEE ATTACHED SCHEDULE

TOGETHER, with all the improvements, tenements and appurtenances now or hereafter erected on the property, and all easements, rents, and all fixtures now or hereafter attached to or used in connection with the property, all of which, including replacements and additions thereto, shall be deemed to be and remain a part of the property covered by this Deed of Trust and all the foregoing, together with said property (or the leasehold estate in the event this Deed of Trust is on a leasehold) are herein referred to as the "Property".

TO SECURE to Lender (a) the repayment of the indebtedness evidenced by a certain Retail Instalment Sales Contract of even date herewith (herein "Contract") in the principal sum of Thirty-six thousand three hundred fifty-four and 23/100 (\$36,354.23) Dollars, with interest thereon, providing for monthly installments of

principal and interest, with the balance of the indebtedness, if not sooner due and paid, due and payable on the 1st day of May, 2002; the payment of all other sums, with interest thereon, advanced in accordance herewith to protect the security of this Deed of Trust, as well as all renewals and the performance of the covenants and agreements of Borrower herein contained; and (b) the repayment of any future advances as hereinafter provided.

Borrower covenants that Borrower is lawfully seized of the estate hereby conveyed and has the right to grant and convey the Property and that Borrower will warrant and defend generally the title to the Property against all claims and demands, subject to easements and restrictions of record.

COVENANTS. Borrower further covenants and agrees as follows:

1. **Prepayment.** Borrower(s) will pay the indebtedness as provided. Extra payments may be made at any time and interest, if any, will be charged only on the unpaid balance except during the initial term of the indebtedness and prior to the Borrower(s) receiving the initial renewal notice, the lender at its option may charge six (6) months advance interest on that part of the aggregate amount of all prepayments in any one year which exceeds twenty percent (20%) of the original principal indebtedness.

2. **Funds for Taxes and Insurance.** Borrower shall pay to Lender on the day monthly installments of principal and interest are payable under the Contract, until the Contract is paid in full, a sum (herein "Funds") equal to one-twelfth of the yearly taxes and assessments which may attain priority over this Deed of Trust, and ground rents, if any, plus one-twelfth of yearly premium installments for hazard insurance required under paragraph 5 hereof, all as estimated initially and from time to time by Lender, to be applied by Lender to pay said taxes, assessments, insurance premiums and ground rents. The Funds are pledged as additional security for the sums secured by this Deed of Trust. No earnings or interest shall be payable to Borrower on the Funds. Lender shall have the right to hold the Funds in any manner Lender selects and may commingle the Funds with monies held by Lender.

If the amount of the Funds held by Lender shall not be sufficient at any time to pay taxes, assessments and insurance premiums and ground rents as they fall due, Lender may treat the deficiency in accordance with paragraph 15, item ii or iii. Upon payment in full of all sums secured by this Deed of Trust, Lender shall promptly credit to Borrower any Funds held by Lender.

3. **Application of Payments.** All payments received by Lender under the Contract and paragraphs 1 and 2 hereof shall be applied by Lender first in payment of interest on Note and Future Advances, then all amounts payable under paragraph 2 hereof, then to the principal of the Contract and to the principal of Future Advances, if any.

4. **Charges, Liens and Service Charges.** Borrower shall pay all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Deed of Trust, and ground rents, if any, in accordance with paragraph 2 hereof, or if Lender so directs, by Borrower making payment, when due, directly to the payee thereof. Borrower shall promptly discharge any lien which has priority over this Deed of Trust.

At the option of the Lender, the Borrower agrees to pay a service charge not exceeding six (6) cents for each dollar or fraction thereof of any installment payment including the required tax and insurance accruals, when paid more than fifteen (15) days from the due date thereof, which service charge is to cover the extra expense involved in handling late payments.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured by insurance carriers satisfactory to Lender against loss by fire, hazards included within the terms "extended coverage", and such other hazards as Lender shall designate and in such amounts and for such periods as Lender shall require. Borrower shall pay all premiums on insurance policies in accordance with paragraph 2 hereof, or, if Lender so directs, by Borrower making payment, when due, directly to the insurance carriers. All insurance policies and renewals thereof shall be in form acceptable to Lender and shall include a mortgage clause in favor of and in form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, and Borrower shall promptly furnish to Lender all renewal notices and all paid-premium receipts. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender, and Lender

may make Proof of Loss if not made promptly by Borrower. Lender is authorized and empowered to collect and receive insurance proceeds, and to apply the insurance proceeds or any part thereof at Lender's option to the restoration or repair of the Property damaged or to the reduction of the principal of the Contract or to the reduction of the principal of Future Advances, if any. Any such application to principal shall not extend or postpone the due date of the monthly installments referred to in paragraphs 1 and 2 hereof or change the amount of such installments. If under paragraph 12 hereof the Property is acquired by Lender, all right, title and interest of Borrower in and to any insurance policies and in and to the proceeds thereof resulting from damage to the Property prior to the sale or acquisition shall pass to Lender.

6. Preservation and Maintenance of Property and Leaseholds. Borrower shall keep the Property in good repair and shall not permit or commit waste, impairment, or deterioration of the Property and shall comply with the provisions of any lease, if this Deed of Trust is on a leasehold, and with all laws, ordinances, regulations and requirements of any governmental body applicable to the Property. If Borrower fails to keep the property in good repair as required by Lender, Lender who shall have the right of reasonable inspection, may advance funds to make such repairs as it may reasonably deem necessary for the proper preservation thereof with the right in such instances to enter upon the property itself or by and through its agent or representative and may thereafter proceed in accordance with the provisions of paragraph 15, item ii or iii hereof.

In the event the improvements of said premises shall be abandoned or unoccupied for a period of fifteen (15) days or more, the Lender shall have the right to enter the improvements for the purpose of protecting same and may do such things to this end as is reasonable and such expense in connection herewith may be treated in accordance with paragraph 15, items ii or iii.

7. Protection of Lender's Security. If Borrower fails to perform the covenants and agreements contained in this Deed of Trust, or if any action or proceeding is commenced which affects the Property or title thereto, or the interest of Lender therein, including, but not limited to, eminent domain, insolvency, code enforcement, and arrangements and proceedings involving a bankrupt or decedent, then Lender at Lender's option, upon notice to Borrower, may make such appearances, disburse such sums and take such action as Lender deems necessary to protect Lender's interest, including, but not limited to, disbursement of reasonable attorney's fees and may thereafter proceed in accordance with the provisions of paragraph 15, item ii or iii hereof.

8. Condemnation. All awards, proceeds or damages, direct or consequential, in connection with any condemnation or injury to the Property, or part thereof, or for conveyances in lieu of condemnation, are hereby assigned and shall be paid to Lender to the extent of the sums secured by this Deed of Trust. Lender is hereby authorized in the name of Borrower to execute and deliver valid acquittances thereof and may appeal from any such award. Lender at its option shall apply such awards, proceeds or damages to restoration of the Property or to the reduction of the principal of the Contract or to the reduction of the principal of Future Advances, if any. Any such application to principal shall not extend or postpone the due date of the monthly installments referred to in paragraphs 1 and 2 hereof, or change the amount of such installments.

9. Future Advances. The Lender may hereafter, at its option, at any time before full payment of this mortgage make Further Advances to the Borrower or their successors in title, and the same with interest as may be agreed upon shall be secured by this mortgage; provided, however, that the amount of principal secured by this mortgage and remaining unpaid shall not at the time of and including any such advance exceed the original principal sum secured hereby; and provided further that if the Lender at its option shall make such Further Advance or Advances as aforesaid, the Borrower or their successors agree to execute and deliver to the Lender a Contract in evidence of each such Advance and bearing such terms as the Lender shall require. The Borrower covenants and agrees to repay same as aforesaid with interest thereon and the Borrower does further covenant and agree that each Contract evidencing the same shall be secured by this mortgage and shall be subject to all of the covenants and conditions contained herein. Advances to such successors shall not release Borrower or successors from liability.

10. Borrower Not Released. Extension of the time for payment or modification of amortization of the sums secured by this Deed of Trust granted by Lender to any successor in interest of Borrower shall not operate to release, in any manner, the liability of the original Borrower and Borrower's successors in interest. Lender shall not be required to commence proceedings against such successor or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Deed of Trust by reason of any demand made by the original Borrower and Borrower's successors in interest.

11. Forebearance by Lender Not a Waiver. Any delay, forbearance, discontinuance or cancellation by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any right or remedy hereunder. All remedies of Lender are distinct and cumulative to any other right or remedy under this Deed of Trust or afforded by law or equity, and may be exercised concurrently or independently.

12. Power of Foreclosure. In the event of Borrower's failure to discharge fully and promptly each and every obligation of the Contract or Contracts secured and of this Deed of Trust in the manner and upon the terms set forth herein, anything in said Contract or in this instrument heretofore or hereafter to the contrary notwithstanding, the entire indebtedness and all obligations secured shall at the option of the Lender become immediately due and collectible without notice and the whole of said indebtedness shall bear interest immediately thereafter at the maximum legal statutory contract rate until paid and the Trustee is hereby authorized to advertise the property above described once each week for three (3) consecutive weeks, giving notice of the time and date of sale, which shall be not less than twenty-one (21) days after the date of publication of first notice and of the terms of sale in a newspaper published in the County, in which said property is situated, and to sell the said property in whole or in part at its option and the sale of a part shall not release the remainder as security for the remaining debt unpaid, all within the legal hours of sale at the door of the Court House at the County seat of said County at public outcry to the highest and best bidder for cash and in bar of all equity of redemption, homestead, dower, courtesy, and all other rights and exemptions of every kind, all of which are hereby expressly waived. The Lender of the indebtedness hereby secured may bid at any sale under this Deed of Trust or order of Court resulting hereunder.

All parties in interest hereby expressly waive oath, inventory and bond for execution of this trust on the part of the Trustee or any successor Trustee.

In case of sale hereunder, the Trustee shall execute to the purchaser all necessary title papers and place the purchaser in quiet and peaceful possession of the property. From the date of such sale, any party occupying the premises shall become the tenant at will of the purchaser at the sale and obligated to pay a reasonable rent therefor.

In the event of default, foreclosure, and sale of the property by the Trustee, the proceeds of the sale shall be applied by the Trustee as follows: First, to pay the expenses of executing this trust, including all attorneys' fees, Court costs, all amounts advanced or expenses incurred by the Lender for the account of the Borrower and compensation to the Trustee and all interest due; second, to pay the debt secured by this instrument; third, to pay the balance, if any, to the Borrower upon delivery and
