AFFIDAVIT

I, the undersigned **James A. Kelly, Sr.**, take oath and depose as follows:

Parcel I

It features a warehouse along the sidewalk of Shelby Street, most of which is within 25 feet of the street. A two floor brick building was also built on the property, and both were used for many years by the Montevallo Lumber Company.

Mr Frost Sr's possession of all this land was open, notorious, hostile to the interests of any other, and went unquestioned during his lifetime.

A low concrete wall separates this lot from a lot in the corner of Main and Shelby Streets formerly used as McCulley's Grocery Store and now used by the Spiller Furniture Company. I have never heard of a boundary dispute between these two lots, or of any claim to the Montevallo Lumber Company lot other than the claims of the Frost family.

I am in no way personally interested in or affected by the ownership of any of the lots referred to in this affidavit.

The Montevallo Lumber Company was a leading building materials company for many years, and its warehouse was notorious and obvious to the entire community of Montevallo.

I swear that everything stated above is true. Done this 10 November 1988, at Montevallo.
