TRACT 1 AND 2

DEFENDANT.)

DECREE OF CONDEMNATION BY PROBATE COURT

This cause coming on to be heard on report of Charles Seales, Henry Caton, and J.D. Falkner, Commissioners in this cause.

And Plaintiff in this cause having filed in this Court its application to condemn for use in the construction and maintenance of water tanks and reservoirs and for such other purposes as are stated in said application, certain lands owned by Kimberly Clark Corporation, lienholders, lessees, and mortgages.

And the Court having heretofore made an order granting said application and said order having been made only after due and legal notice of the filing of said application of the appointment of a day for hearing the same had been given to all owners, lienholders, lessees, and mortgage and other persons alleged to have any interest in the lands described in this application and said order having been made after the proof by legal and competent evidence of the averments of said application.

And the Court having in its order made on the 14th day of November, 1989, appointed Charles Seales, Henry Caton, and J.D. Falkner, Commissioners to assess and appraise the damages and compensation to which the owners of the several tracts of land described in said report and in the original application, in this cause, for use in the construction and maintenance of water tanks and reservoirs and for such other purposes as are stated in said application and that after they had viewed said lands and had received all evidence offered touching the amount of damages and compensation to which said owners are entitled: And it further appearing from said report that the amount of damages and compensation awarded to: Kimberly Clark Corporation on account of the lands described in the original application and said report of said Commissioners, being required by the Alabaster Water and Gas Board for use in the construction and maintenance of water tanks and reservoirs, designated as Tract No. 1 and Tract No. 2 identified in the Condemnation application as Tract No. 1 and Tract No. 2 and being more particularly described as follows:
