The Corporation shall be the legal entity responsible for the management, maintenance, repair and replacement of the Community Areas, the Access Easements on the Property and the Improvements in the Community Areas, all as provided for in this Declaration. The power and duties of the Corporation shall include those set forth in Section 10-2A-1, et seq., of the Code of Alabama, this Declaration and the Bylaws of the Corporation. In the event of a conflict between the provisions of the Bylaws of the Corporation and this Declaration, the provisions of this Declaration shall control.

Section 2. No Separate Transfer of Lot or Stock. Each certificate evidencing a share or shares of Stock shall be conspicuously endorsed with the legend:

Transfer of the share(s) evidenced by this certificate is subject to the restrictions set out in Declaration of Restrictive Covenants dated as of September 1, 1991.

Section 3. Certain Transfers of Lots and Stock Restricted. No Transfer of any Lot or Stock or any partial interest therein, other than (i) a Non-restricted Transfer, (ii) a Transfer by will or intestacy or (iii) a Collateral Transfer, may be made except in accordance with the provisions of this Section 3, and any attempt to make any such Transfer otherwise than in accordance with the provisions of this Section 3 shall be null and void:

A. The Stockholder proposing to make the Transfer shall give a Notice of Proposed Transfer, in the manner provided in Section 4 below, to the Corporation, describing the terms of the Proposed Transfer in reasonable detail, including the name and address of the proposed Transferee and the Transferee's family relationship, if any, to the Stockholder giving the Notice of Proposed Transfer. - (a) Reconstruct, repair or refinish any of the Improvements located in the Community Areas;
- (b) Construct, reconstruct, repair, replace or refinish any road improvement or surface upon any portion of the Access Easement used as a road, street, walk or parking area;

Section 6. Other Rights of the Corporation. In addition to all the rights granted the Board and Corporation by law and this Declaration, the Board shall have the right to provide and pay for certain services, the cost of which shall be paid out of the charges provided for in Article IV hereof, and adopt rules, regulations, procedures and policies with respect to:

- (a) garbage and trash collection and removal;
- (b) boats and motor vehicle operation;
- (c) parking of motor vehicles on the streets or roads in the Access Easement;
- (d) the parking and securing of gates or points of access and the issuance and distribution of keys or other devices to operate locks or gates, and the use of electrical devices to accomplish the same; and
- (e) any other matter affecting the general welfare or the safety of all using any portion of the Property.

Section 7. Designated Voter. When any Lot or Stock is owned by more than one person, or by a partnership, trust or corporation, the Owners, or beneficial owners thereof, shall designate by certificate one individual (the "Designated Voter") as entitled to cast the vote for each such Lot and Stock on all matters requiring a vote of the Owner by virtue of this Declaration or the Bylaws of the Corporation. Such certificate shall be filed with the Secretary of the Corporation and shall remain in force and effect until revoked by a subsequent certificate or a transfer of the Lot and Stock.

Section 8. No Right to Distribution or Partition. No Stockholder by virtue of his Stock ownership shall be entitled to receive any compensation for his Stock from the Corporation or distribution of any real or personal property from the Corporation, except upon a two-thirds (2/3) vote of the Stockholders of the Corporation.

ARTICLE IV

COVENANTS FOR MAINTENANCE CHARGES

Section 1. Creation of the Lien and Personal Obligation of Charges. Each Lot Owner and Stockholder for each Lot owned covenants and agrees to pay to the Corporation: (1) annual assessments, (2) special assessments, and (3) supplemental assessments as herein provided. The annual, supplemental and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessments became due. This personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Charges. The annual assessments levied by the Corporation shall be used exclusively for (i) the improvement and maintenance of the Community Areas, (ii) the procuring of services for the Owners, including, but not limited to, those services specified in Article III hereof and such other services which may be approved by the Stockholders and (iii) capital improvements to the Community Areas and Lake Wehapa. All annual assessments shall be approved by a two-thirds (2/3) vote of the Stockholders.

Section 3. Special Assessments for Capital Improvements. In addition to the annual assessments, the Corporation may levy, in any given year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction or replacement of a capital improvement to the Access Easement or other Community Area, including fixtures and personal property related thereto, provided that any such charge shall have the assent of two-thirds (2/3) of the votes of the Stockholders (voting in person or by proxy) at a meeting duly called for this purpose.

Section 4. Supplemental Assessments. If during the course of any year, it shall appear to the Board that the annual assessments determined in accordance with the estimated annual budget for such year, are insufficient or inadequate to cover the estimated common expenses for the remainder of such year, then the Board shall prepare and approve a supplemental budget covering the estimated deficiency for the remainder of such year, copies of which supplemental budget shall be furnished to each Lot Owner, and thereupon a supplemental assessment shall be made to each Lot Owner for his proportionate share of such supplemental budget. Any such supplemental assessment, in excess of \$3,000.00 shall require a two-thirds (2/3) favorable vote of the Stockholders.

Section 5. Notice and Quorum for Any Authorized Action. Written notice of any meeting called for the purpose of approving annual and special assessments shall be sent to all Stockholders not less than thirty (30) days nor more than sixty (60) days in advance of the meeting.

Section 6. Uniform Rate of Charges. Both annual, special and supplemental assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly, quarterly or annual basis. Each Lot, whether or not improved, shall bear its pro rata part of

the maintenance cost and shall not be entitled to a reduction because all or some of the services for which the assessment is made are not being utilized by the Owner of such Lot.

Section 7. Assessment Payment Due Dates. The annual maintenance assessments provided for herein shall commence as to all Lots on January 1st of each year. Written notice of the annual assessments shall be sent to every Stockholder. Payment of the annual assessment shall be due on March 1st of each year. The date for payment of all other assessments shall be established by the Board. The Corporation shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Corporation setting forth whether the assessments on a specified Lot have been paid.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Corporation. By his acceptance of title to a Lot and a share of Stock, each Lot Owner and Stockholder is and shall be deemed to covenant and agree to pay the Corporation the assessments provided for herein, and agrees to the enforcement of the assessments in the manner herein specified. In the event the Corporation employs an attorney or attorneys for collection of any assessment, whether by suit or otherwise, or to enforce compliance with or specific performance of the terms and conditions of this Declaration, each Owner agrees to pay reasonable attorney's fees and costs thereby incurred in addition to any other amounts due or any other relief or remedy obtained against said Owner. In the event of a default in payment of any such assessment when due, and the elapse of thirty (30) days after notice to the Owner, the assessment shall be deemed delinquent and subject to immediate collection. In addition to any other remedies herein or by law provided, the Corporation may collect such delinquent assessments in any manner provided by law or in equity, and without any limitation of the foregoing, by either or both the following procedures:

(a) **Enforcement by Suit.** The Board may cause a suit at law to be commenced and maintained in the name of the Corporation against a Owner to enforce each such assessment obligation. Any judgment rendered in any such action shall include the amount of the delinquency, together with interest thereon at the maximum legal rate per annum from the date of delinquency, court costs and reasonable attorney's fees in such amount as the Court may adjudge against the delinquent Owner.

(b) **Enforcement by Lien.** There is hereby created a claim of lien, with power of sale, on every Lot to secure payment to the Corporation of any and all charges levied against any and all Owners, together with interest thereon at the maximum legal rate which may be paid or incurred by the Corporation in connection therewith, including reasonable attorney's fees. At any time within ninety (90) days after the occurrence of any default in the payment of any such charge, the Corporation, or any authorized representative shall make a written demand for payment to the defaulting Owner, on behalf of the Corporation. Said demand shall state the date and amount of the delinquency. Each default in payment shall constitute a separate basis for a demand. The Corporation may elect to file such a claim of lien on behalf of the Corporation against the Lot of the defaulting Owner. Such a claim of lien shall be executed and acknowledged by any officer of the Corporation, and shall contain substantially the following information:

1. The name of the delinquent Owner;
2. The legal description of the Lot against which claim of lien is made;

3. The total amount claimed to be due and owing for the amount of the delinquency, interest thereon, collection costs and reasonable attorney's fees (with any proper offset allowed).

Section 9. Subordination of the Lien to Mortgages. The lien for the charges provided for herein shall be subordinate to the lien of any mortgage. The sale or transfer of any Lot shall not affect the lien charged under this Article IV. The sale or transfer of any Lot pursuant to a mortgage foreclosure or any proceeding in lieu thereof, however, shall extinguish the lien of such charge as to payments which become due prior to such sale or transfer.

ARTICLE V

PRIVATE ROADWAYS AND COMMUNITY AREAS

Section 1. Ingress and Egress and Access Easement. The private roadways reflected on the Subdivision Record Maps, as the same may be amended, shall constitute the Access Easement for the Property. The Access Easement is for the purpose of ingress, egress, private roadways, the installation, replacing, repairing and maintaining of all utilities, including but not limited to water, sewers (sanitary and storm), gas, telephone, and electricity. The Access Easement is a private easement and the recordation of the Subdivision Record Maps, the Original Restrictions or this Declaration shall not be deemed to dedicate the same to the public or for the public to have acquired any rights therein.

Section 2. Utility Easements. There is hereby created a blanket easement across the Access Easement and the Community Areas for the installation, replacing, repairing and maintaining of all utilities, including but not limited to water, sewers (sanitary and storm), gas, telephones, and electricity, and television cable systems. By this easement, it shall be expressly permissible for such utility providers to erect and maintain the necessary poles and other necessary equipment in the Community Areas. An easement is further granted to all police, fire protection, ambulance and all similar persons to enter upon the Access Easement in the performance of their duties. Notwithstanding anything to the contrary contained in this paragraph, no sewers, electrical lines, water lines, or other utilities may be installed or relocated on the Property except as presently programmed or installed or as may be hereafter approved by the Board. Should any utility furnishing a service covered by this general easement request a specific easement by separate recordable document, the Corporation shall have the right to grant such easement on the Property without conflicting with the terms hereof. The easements provided for in this Article V shall in no way affect any other easement of record on the Property.

Section 3. Community Areas Easement. For the benefit of each Lot Owner and their guests, family and invitees, there shall be an easement over and across the Community Areas for the use and benefit of each of the Lot Owners subject at all times to the Rules and Regulations of the Corporation regarding use of the Community Areas.

ARTICLE VI

ARCHITECTURAL CONTROL

From and after the Effective Date of this Declaration, no Single Family Residence shall be commenced or erected upon a Lot, nor shall any exterior addition to or change or alteration to a Single Family Residence be made until the plans and specifications showing the nature, kind, shape, color, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by a majority of the Board of the Corporation, or by a majority of an Architectural Committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with. Should a committee be established, any appeal from said committee must first be taken to the Board where only an unanimous vote can overrule the action taken by the Architectural Committee.

ARTICLE VII

Any Owner may request from the Architectural Committee at any time a determination of whether a use is permitted. A certificate to that effect signed by a majority of the Architectural Committee shall be deemed to be dispositive of this issue.

Section 2. Limitation on Size and Location of Structures.

- (a) No Single Family Residence shall exceed 35 feet in height. Under no circumstances shall any Lot be subject to further subdivision. Any additional Lots proposed

for the Property shall require the amendment of this Declaration in accordance with Article VIII, Section 5 hereof.

(b) Each Single Family Residence shall not be less than 2,000 square feet on the ground floor of any one-story residence; or not less than a total of 2,500 square feet in the case of a multi-story residence. For the purpose of this covenant, garages, basements, carports, eaves, steps and open decks or terraces shall not be considered as a part of a Single Family Residence.

(c) No Single Family Residence or other structure shall be located within fifty (50) feet of the lateral boundary line of any Lot, without the approval of the Architectural Committee and the adjacent Lot Owner.

(d) No tree houses shall be permitted.

Section 3. Satellite Dishes. Any Lot Owner proposing to install a satellite dish must submit to the Architectural Committee a plan illustrating the location of the proposed satellite dish on the Lot for written approval prior to installation.

Section 4. Application to Existing Structures. The provisions of this Article shall apply to all structures or Single Family Residences erected on any Lot from and after the Effective Date. The provisions of this Article shall not be construed or interpreted to prohibit the existence and maintenance of any structure or Single Family Residence in use or occupied as of the Effective Date.

ARTICLE VIII

GENERAL PROVISIONS

Section 1. Remedies for Default. The existence of any default hereunder by any person or entity subject to the terms, conditions, covenants and restrictions of this Declaration shall give the Corporation, its successors or assigns, any Lot Owner and Shareholder, and/or their respective heirs, successors and assigns, in addition to the right of enforcement, all other remedies specified herein, the right to proceed at law for damages or in equity for specific performance to compel compliance with the terms of this Declaration or to set aside any conveyance made in violation thereof, and to prevent the violation or breach of any provisions thereof. Failure by the Corporation or by any Lot Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Nature of Remedies; Waiver. All rights, remedies and privileges granted to the Owners, their respective heirs, successors and assigns, pursuant to the provisions of this Declaration shall be deemed to be cumulative, and the exercise of any one or more of them shall not be deemed to constitute an election of remedies, nor shall it preclude the party exercising the same, or any other party, from pursuing such other and/or additional rights, remedies or privileges as may be available to such party at law or in equity. The failure at any point in time to enforce any covenant or restriction shall in no event be deemed a waiver of the right thereafter to enforce any such covenant or restriction.

BOOK 375 PAGE 919

Section 3. No Reverter. No restriction or provision herein is intended to be, or shall be construed as a condition subsequent so as to create any possibility of a reverter.

Section 4. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no ways affect the other provisions of this Declaration which shall remain in full force and effect.

Section 5. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended or dissolved by an instrument signed by the Owners of not less than two-thirds (2/3) of the Lots and Stock. Any amendment must be recorded.

Section 6. Execution and Counterparts. This Declaration may be executed in any number of counterparts, each of which, when so executed and delivered, shall be an original, but such counterparts together constitute but one and the same Declaration.

Section 7. Gender and Grammar.
