(E) Monthly Payments for Taxes and Insurance

Borrower at any time to make monthly payments to Lender for taxes and insurance.

Lender will determine from time to time my estimated yearly taxes, assessments, ground rents and insurance premiums based upon existing assessments and bills, and reasonable estimates of future assessments and bills. (Taxes, assessments, ground rents and insurance premiums will be called "taxes and insurance.") The amounts that I pay to Lender for taxes and insurance under this Paragraph E will be called the "Funds."

If, when payments of taxes and insurance are due, Lender has not received enough Funds from me to make those payments, I will pay to Lender whatever additional amount is necessary to pay the taxes and insurance in full. I must pay that additional amount in one or more payments as Lender may require.

(2) LENDER'S OBLIGATIONS CONCERNING BORROWER'S MONTHLY PAYMENTS FOR TAXES AND INSURANCE

Lender will keep the Funds in a savings or banking institution. If Lender is such an institution then Lender may hold the Funds. Except as described in this Paragraph E, Lender will use the Funds to pay taxes and insurance. Lender will give to me, without charge, an annual accounting of the Funds. That accounting must show all additions to and deductions from the Funds and the reason for each deduction.

Lender may not charge me for holding or keeping the Funds on deposit, for using the Funds to pay taxes and insurance, for analyzing my payments of Funds, or for receiving, verifying and totalling assessments and bills. However, Lender may charge me for these services if Lender pays me payments on the Funds and if the law permits Lender to make such a charge. Lender will not be required to pay me any interest on the Funds unless Lender agrees in writing to pay interest on the Funds.

If Lender's estimates are too high or if taxes and insurance rates go down, the amounts that I pay under this Paragraph E will be too large. If this happens at a time when I am Reeping all of my promises and agreements made in the Mortgage, I will have the right to have the excess amount either happens at a time when I am Reeping all of my promises and agreements made in the Mortgage, I will have the right to have the excess amount either promptly repaid to me as a direct refund or credited to my future monthly payments of Funds. There will be excess amounts if, at any time, the sum of promptly repaid to me as a direct refund or credited to my future monthly payments of Funds. There will be excess amounts if, at any time, the sum of promptly repaid to me as a direct refund or credited to my future monthly payments of Funds. There will be excess amounts if, at any time, the sum of promptly repaid to me as a direct refund or credited to my future monthly payments of Funds which I still must pay (a) the amount of the monthly payments of Funds which I still must pay between that time and the due dates of taxes and insurance, is greater than the amount necessary to pay the taxes and insurance when they are due.

When I have paid all of the amounts due under the Note and under the Mortgage, Lender will promptly refund to me any Funds that are then being held or kept on deposit by Lender. If, under the provisions of the Mortgage, either Lender acquires the Property or the Property is sold, then immediately before the acquisition or sale, Lender will use any Funds which Lender is holding or has on deposit at that time to reduce the amount that I owe to Lender under the Note and under the Mortgage.
