I, the undersigned, a Notary Public in and for said county, in said state, hereby certify that MARY B. HOOPER, an Alabama citizen, a national banking association, as shown on the attached instrument, and who is known to me, acknowledged before me on this day that, being informed of the contents of said instrument, she, as such officer and with full authority, executed the same voluntarily, for and as the act of said corporation.

NOTE: This subdivision meets the approval of the Shelby County Health Department on file with the said Health Department and/or lot deletions on file with the said Health Department, which conditions are made part of this approval as it set out hereon.
NOTE: All assessments on this map are for public utilities, sanitary sewers, storm sewers, storm ditches, and may be used for such purposes to serve the property both within and without the subdivision.
NOTE: Building setbacks and minimum building footprints, as well as various assessments and the creation of liens for the same, are shown on this map and are subject to the provisions of the Alabama Building Code and the creation of liens for the same, as set forth on the deed of conveyance by owner to each lot.
NOTE: All streets and roadways shown on this map are private roads and are subject to the terms and conditions of the Greystone Residential Declaration, recorded in Real Book 317, Page 260 in the Probate Office of Shelby County, Alabama, as amended from time to time (the "Declaration").
NOTE: Sink Hole Prone Area - The subdivision shown hereon, including lots and streets, lies in an area where natural lime sinks and sink holes are known to exist. The City Engineer, the Planning and Zoning Commission, the City of Hoover, the City of Hoover, and other members thereof, and the Clerk of the City of Hoover, Alabama, make no representations whatsoever that the subdivision shown hereon is free of any sink holes or suitable for residential construction, or for any other use or purpose, and that the subdivision shown hereon is free of any sink holes or suitable for residential construction, or for any other use or purpose, and thus may be subject to sink holes on this property.
