DECREE OF CONDEMNATION BY PROBATE COURT

This cause coming on to be heard after submission of the report of commissioners heretofore appointed in this cause seeking an order of condemnation of the lands described in Attachment A attached hereto and in the said report of the commissioners filed in said cause and also described in the petition of the State of Alabama, for an order of condemnation; and it appearing that this Court previously heard the allegations of said petition and all legal evidence offered by the parties touching the same and it further appearing that this Court made an order granting said application for the condemnation of the property described in the said application or petition and as hereinafter described and did appoint Charles Seales, Henry Caton and J.D. It further appears to this Court that the said commissioners, before entering upon the discharge of their duties in the premises, were sworn as jurors are sworn, and that they did thereafter receive all legal evidence offered by the parties touching the amount of damages the owners of said parcels of land will sustain and the amount of just compensation they are entitled to receive; and it further appearing to the Court that the
