ADJUSTABLE RATE MORTGAGE AMENDMENT

This mortgage does not increase the principal amount of the indebtedness 4. Year Treasury Index — Simple Interest
extend or renew the maturity date of the indebtedness secured by the mortgage.

NOTICE: THE MORTGAGE AND THIS AMENDMENT SECURE AN ADJUSTABLE RATE NOTE WHICH CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE. INCREASES IN THE INTEREST RATE MAY RESULT IN HIGHER PAYMENTS OR A LARGER FINAL PAYMENT. DECREASES IN THE INTEREST RATE MAY RESULT IN LOWER PAYMENTS, A SMALLER FINAL PAYMENT, OR AN ADJUSTMENT OF THE MATURITY DATE.

This Adjustable Rate Mortgage Amendment, dated Nov. 17, 1992, amends and supplements the Mortgage dated April 20, 1990, which I gave to Central Bank of the South (the "Lender"); () to which this Amendment is attached. (X) which is recorded in the office of the Judge of Probate of Shelby County, Alabama, in Real 289 Page 304. This Amendment covers the Property described in the Mortgage.

The word "Note" used in the Mortgage and this Amendment shall include an "Adjustable Rate Note." An Adjustable Rate Note is a note containing provisions allowing Lender to change the interest rate and the monthly payment amounts, and to increase the amount of principal to be repaid as a result of changes in an interest rate index. *** and shall mean the note described in the Mortgage as amended by an Amendment

ADJUSTABLE RATE MORTGAGE AMENDMENT to Real Estate Note dated April 20, 1990

In addition to the promises and agreements I make in the Mortgage, I promise and agree with Lender as follows:

(A) Interest Rate and Monthly Payment Changes

The Note provides for a beginning interest rate of 5.90 percent. The Note provides for changes in the interest rate and the monthly payments as follows:

4. INTEREST AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the 20th day of November, 19 93, and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an index. The Index will be the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The index is published in the "Key Money Rates" section of **USA TODAY**. The most recent Index figure available before each Change Date is called the "Current Index." If the Index is no longer available, the Lender will choose a new Index which is based upon comparable information. The Lender will give me notice of its choice.

(C) Calculation of Changes

On each Change Date, the Lender will calculate my new interest rate by adding 2.75 percentage points to the Current Index. This sum will be my new interest rate until the next Change Date, subject to any limits in Section 4(D) below.

The Lender will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I owe the Change Date in full by April 20, 2005, which is the maturity date of this note. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

My interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2%) from the rate of interest I have been paying for the preceding twelve months. My interest rate will never go below 5.90 percent nor be greater than 9.90 percent.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again or until I have fully repaid this note.

(F) Notice of Changes

The Lender will mail or deliver to me a notice containing my new interest rate and the amount of my monthly payment. The notice will include information required by law to be given me. Any notice to me may be sent or delivered to the address stated below, or to such other address as I may designate to the Lender in writing.

(B) Increases in Principal Balance; Future Advances

The Note provides that the principal amount I owe Lender may increase from time to time. In the event that I make a payment that is insufficient to pay all interest which has been earned since my last payment, Lender will advance an amount equal to the interest earned by Lender but unpaid after application of my payment. The amount advanced by Lender will be added to the principal of the Note and I will pay interest at the Note rate on the amount advanced.

(C) Loan Charges

In the event a law which applies to the Note secured by the Mortgage and which sets maximum loan charges is interpreted so that the interest or other loan charges collected or to be collected in connection with the Note would exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower.

(D) Monthly Payments for Taxes and Insurance

Under paragraphs 3 and 4 of the Mortgage, Borrower is required to pay all taxes, assessments and hazard insurance premiums and upon request of Lender furnish receipts for such payments. As an alternative to the payment of such amounts directly by Borrower, Lender may at its option require Borrower at any time to make monthly payments to Lender for taxes and insurance.

(1) BORROWER'S OBLIGATION TO MAKE MONTHLY PAYMENTS TO LENDER FOR TAXES AND INSURANCE

I will pay to Lender all amounts necessary to pay for taxes, assessments, ground rents (if any), and hazard insurance on the Property and mortgage insurance (if any). I will pay those amounts to Lender unless Lender tells me, in writing, that I do not have to do so, or unless the law requires otherwise. I will make those payments on the same day that my monthly payments are due under the Note.

The amount of each of my payments under this Paragraph D will be the sum of the following:

- (i) One-twelfth of the estimated yearly taxes, assessments and ground rents (if any) on the Property which under the law may be superior to this Mortgage; plus
- (ii) One-twelfth of the estimated yearly premium for hazard insurance covering the Property; plus
- (iii) One-twelfth of the estimated yearly premium for mortgage insurance (if any).

Lender will determine from time to time my estimated yearly taxes, assessments, ground rents and insurance premiums based upon existing assessments and bills, and reasonable estimates of future assessments and bills. (Taxes, assessments, ground rents and insurance premiums will be called "taxes and insurance.") The amounts that I pay to Lender for taxes and insurance under this Paragraph D will be called the "Funds."

If, when payments of taxes and insurance are due, Lender has not received enough Funds from me to make those payments, I will pay to Lender whatever additional amount is necessary to pay the taxes and insurance in full. I must pay that additional amount in one or more payments as Lender may require.

(2) LENDER'S OBLIGATION CONCERNING BORROWER'S MONTHLY PAYMENTS FOR TAXES AND INSURANCE

Lender will keep the Funds in a savings or banking institution. If Lender is such an institution then Lender may hold the Funds. Except as described in this Paragraph D, Lender will use the Funds to pay taxes and insurance. Lender will give to me, without charge, an annual accounting of the Funds. That accounting must show all additions to and deductions from the Funds and the reason for each deduction.

Lender may not charge me for holding or keeping the Funds on deposit, for using the Funds to pay taxes and insurance, for analyzing my payments of Funds, or for receiving, verifying and totalling assessments and bills. However, Lender may charge me for these services if Lender pays me interest on the Funds and if the law permits Lender to make such a charge. Lender will not be required to pay me any interest on the Funds unless Lender agrees in writing to pay interest on the Funds.

If Lender's estimates are too high or if taxes and insurance rates go down, the amounts that I pay under this Paragraph D will be too large. If this happens at a time when I am keeping all of my promises and agreements made in the Mortgage, I will have the right to have the excess amount either promptly repaid to me as a direct refund or credited to my future monthly payments of Funds. There will be excess amounts if, at any time, the sum of (a) the amount of Funds which Lender is holding or keeping on deposit, plus (b) the amount of the monthly payments of Funds which I still must pay between that time and the due dates of taxes and insurance, is greater than the amount necessary to pay the taxes and insurance when they are due.

When I have paid off of the amounts due under the Note and under the Mortgage, Lender will promptly refund to me any Funds that are then being held or kept on deposit by Lender. If, under the provisions of the Mortgage, either Lender acquires the Property or the Property is sold, then immediately before the acquisition or sale, Lender will use any Funds which Lender is holding or has on deposit at that time to reduce the amount that I owe to Lender under the Note and under the Mortgage.

(E) Conflict in Loan Documents

In the event of conflict between any of the terms of the Mortgage and this Amendment, the terms of this Amendment shall apply. In the event of conflict between any of the terms of this Amendment and the Note, the terms of the Note shall apply.

By signing this Amendment I agree to all of the above.
