Section 3.02. Designation, Relocation and Withdrawal of Common Facilities. Company on the date hereof has designated the Primary Common Facilities, together with such other Common Facilities as are necessary to provide access and utilities to the Initial Parcels. Company shall have the right and power, but not the obligation, to (i) designate any portion of the Property owned by the Company as a Common Facility; (ii) withdraw its designation of any portion of the Property as a Common Facility; and (iii) redesignate any previously designated portion of the Property then owned by the Company as a Common Facility having different boundaries and configurations from those previously designated; provided, however, the Company's right herein to designate, or to withdraw or relocate any previously designated Common Facility shall be on the condition that (1) such rights shall be exercised only after thirty (30) days' prior written notice of the intent to designate, withdraw or relocate such Common Facility has been given to all Owners, together with information regarding such designation, relocation or withdrawal, including, without limitation, drawings of any existing Common Facility to be relocated or withdrawn and drawings of any to-be-designated Common

Facility (2) any relocation shall not reduce or impair the usefulness or function of the Common Facility to be relocated, (3) such relocation or withdrawal will not interfere with the use of any improvements located on the Parcels served by the Common Facilities to be withdrawn or relocated, (4) such designation or relocation shall not intrude or encroach on any improvement located on a Parcel at the time of such designation or relocation, (5) all costs of such designation, relocation or withdrawal will be borne by the Company and/or any Owner requesting such designation, withdrawal or relocation of such Common Facility, (6) such designation, relocation or withdrawal shall not adversely affect the fair market value of any Parcel and the improvements on any Parcel (excluding, however, any reduction in fair market value due to economic competition), and (7) the relocation or withdrawal of a Primary Common Facility may be commenced only with the prior written consent of all Owners, which consent shall not be unreasonably withheld or delayed.

Section 3.03. Encroachments and Support. If any portion of a structure located on a Parcel encroaches upon any other portion of the Property, an easement on the surface and for subsurface support below such surface and for the maintenance of the same is hereby granted. Notwithstanding anything to the contrary contained herein, the easement granted hereunder shall not relieve an Owner of liability in case of a wilful and intentional encroachment or an encroachment resulting from the negligence of the Owner or its Permittees.

Section 3.04. Construction of Improvements on Parcels.

(a) No improvements or any part of an improvement may be constructed on any portion of a Restricted Build Zone without the prior written consent of the Initial Parcel Owner and any Owner(s) of the Parcel(s) immediately adjacent to such Restricted Build Zone.

(b) All improvements constructed on a Parcel must be approved by the Riverchase Business Associations's Riverchase Architectural Committee, as required by Declaration of Protective Covenants, Agreements, Easements, Charges and Liens for Riverchase (Business) recorded in the Office of the Judge of Probate of Shelby County, Alabama, in Misc. 13, page 50, as amended from time to time. The Company represents that it does not have voting control of the Riverchase Architectural Committee, and each Owner covenants that it will not accept a position of control on such Committee.

Section 3.05. Construction of Common Facilities. No improvement other than for common use shall be constructed on any of the Common Facilities without the prior written consent of all Owners. The Company shall cause all improvements within the Common Facilities to be constructed and maintained in compliance with all applicable laws, ordinances and regulations. The Common Facilities

shall be utilized solely for the installation and maintenance of utilities, roads, landscaping, paths, fences, signs, lakes and other similar appurtenances to the buildings located on the Parcels. No portion of the Common Facilities may be utilized for a purpose, other than the purpose intended by the designated use, as set forth in the respective definitions of the various portions of the Common Facilities. Notwithstanding the above, any portion of the Common Facilities may be landscaped with appropriate vegetation, provided that such landscaping does not interfere with the primary use of such portion of the Common Facilities.

Section 3.06. Allocation of Square Footage for Density Purposes. The Company hereby allocates to the Initial Parcels, in the aggregate, the greater of (a) 521,528 gross buildable square feet or (b) the gross buildable square feet actually utilized in the initial construction of improvements on the Training Center Parcel, the North Building Parcel and the South Building Parcel. Upon the designation by the Company of any subsequent Parcel in compliance with Section 3.01, the Company shall allocate to such Parcel a specific number of gross buildable square feet. The gross buildable square footage allocated to all Parcels in the aggregate shall not exceed the number of gross buildable square feet permitted for the construction on the entire Property under the then-applicable zoning and/or density requirements of the governmental entity having jurisdiction over the Property. In illustration, on the date hereof, the applicable zoning and/or density requirements permit a maximum density of 12,000 gross buildable square feet per acre. The Property contains approximately 93.1 acres, resulting in an aggregate availability on the date hereof of 1,117,200 square feet. The number of available gross buildable square feet for the development of the remainder of the Property is 595,672. No Owner shall construct any improvements on its Parcel(s) that exceed the density allocated to such Parcel(s) under this Section 3.06. Each Owner (other than the Initial Parcel Owner) agrees that it shall not take any action, including the construction of improvements or the seeking of any variance or zoning change, that would, directly or indirectly, result in (i) a decrease in the density allocated to the Initial Parcels, or (ii) a decrease in the density available to the Initial Parcels under applicable law, including zoning and subdivision laws, or (iii) a violation of applicable law, including zoning and subdivision laws, by the Initial Parcel Owner or by the Initial Parcel. In the event an Owner does not pay its taxes as required herein, an Owner of any other Parcel included within the delinquent Owner's Designated Tax Parcel may pay such tax. Such tax shall be due and payable thirty (30) days after delivery of notice to the delinquent Owner of the amount thereof, and until such cost and expense is paid, the amount thereof, plus the legal rate of interest charged on judgments under Alabama law, shall be a lien against the delinquent Owner's Parcel and the improvements located thereon and an obligation of the delinquent Owner in all respects as provided in this Declaration for annual and special Assessments. In the event that the tax bills for Parcels do not separately assess the improvements and the land, or do not separately assess the improvements located within a Designated Tax Parcel, the parties shall agree upon a reasonably equivalent method for allocating the taxes, based upon relative fair market values. If the appropriate parties are unable to agree upon a method of allocation, such matter shall be subject to arbitration as set forth herein. Notwithstanding any contrary provision, an Owner shall have the right to contest the imposition of any taxes outlined in this Section, and all other Owners agree to reasonably cooperate, provided that (i) such contest will not impose any lien on another Owner's Parcel, (ii) such contest will not cause the taxes on another Owner's Parcel to be increased, and (iii) such contest is conducted in accordance with applicable laws and regulations. In the event that an Owner is successful in reducing a tax assessment, and such reduction results in the reduction of other Owners' assessments, all such Owners shall be obligated to share (on a pro rata basis) in the cost of contesting such taxes (but only to the extent of the amount of the tax reduction applicable to such non-contesting Owner).

Section 5.06. Environmental Matters. Each Owner will comply and cause its Permittees to comply with all applicable Environmental Laws with respect to such Owner's Parcel and the Common Facilities. No Owner will cause or permit by its Permittees the release, generation, treatment or storage or disposal of any Hazardous Materials on its Parcel or the Common Facilities in violation of any applicable Environmental Law.

Section 5.07. Casualty Affecting Common Facilities. In the event of damage or destruction to any of the Common Facilities due to fire or other adversity or disaster, the insurance proceeds shall be collected by and paid to the Company (in trust for all Owners) and such insurance proceeds, if sufficient to reconstruct or repair the damage, shall be applied by the Company to such

reconstruction and repair. If the insurance proceeds with respect to such damage or destruction are insufficient to repair and reconstruct the damaged or destroyed Common Facilities, the Company may levy a special assessment in accordance herewith (unless the damage is caused by the Company, or an Owner, or by an Owner's Permittees, in which event the responsible Company or Owner shall pay for any repairs) in the aggregate amount of such deficiency and shall proceed to make such repairs or reconstruction, and diligently complete the same in a reasonable time.

Section 5.08. Condemnation. In the event any portion of the Common Facilities shall be taken for any public or quasi-public use, under any statute, by right of eminent domain, or by purchase in lieu thereof (herein, "condemnation"), the condemnation award applicable thereto shall be utilized to repair or replace the applicable Common Facilities. In the event that additional Common Facilities are required to continue the operation of the Common Facilities taken in condemnation, the Company shall be obligated to designate additional Common Facilities, provided that such property is available from the Property owned by Company and not ground leased or designated as a Parcel. To the extent that there are condemnation proceeds in excess of those required to repair or replace the condemned Common Facilities, such proceeds shall first be paid to the Company for the fair market value of the additional Common Facilities the Company has had to designate hereunder, with the remainder to be shared by the Owners on the basis of their Pro-rata Portion.

ARTICLE SIX ASSESSMENTS

Section 6.01. Liens. Each Owner of any Parcel, by acceptance of an instrument of conveyance therefor, whether or not it shall be so expressed in such instrument, shall be deemed to covenant and agree with the Company and all Owners to pay its Pro-Rata Portion of the cost and expense of operating, maintaining, repairing, and replacing the Common Facilities, such Assessments to be fixed, established and collected from time to time as hereinafter provided. Such Assessments, together with interest thereon and costs of collection, shall be a charge on, and a continuing lien upon, each Owner's Parcel, to the extent of such Owner's interest in the Parcel, at the time the Assessments became due and payable. No Owner shall have personal liability arising hereunder for its Assessments or other amounts due hereunder, and the same may only be enforced by a lien against the applicable Parcel.

Section 6.02. Purpose of Assessments. The Assessments shall be used exclusively for the purpose of promoting the health, safety, welfare and enjoyment of the Owners; operating,

maintaining, repairing, and replacing the Common Facilities; and paying the expenses directly related thereto including, without limitation, ad valorem taxes on the Common Facilities, insurance on the Common Facilities and reasonable management and professional fees and expenses incurred in connection with the Common Facilities.

Section 6.03. Annual Assessments. The Company shall prepare or cause to be prepared annually a budget setting forth by category the estimated operating costs and expenses to be incurred for the Common Facilities for the following year, including the establishment and maintenance of such reserves as the Company considers appropriate. The annual budget, and a roster of the Owners setting forth their Pro-Rata Portion of the annual contributions, shall be delivered to each Owner. The annual budget must be approved by Owners whose collective Pro-Rata Portions equal at least 75%.

Section 6.04. Special Assessments. The Company may levy for any calendar year a special Assessment, applicable to that year only, for the purpose of paying the actual operating costs and expenses for the Common Facilities as contemplated in the annual budget (to the extent the estimated annual Assessments and available reserves are insufficient to do so) or defraying, in whole or in part, the actual cost and expense of any improvement, repair or replacement of the Common Facilities. Notwithstanding anything to the contrary contained in this Declaration, no Owner shall be liable for the cost of any capital improvement to the Common Facilities other than a repair or replacement of the Initial Infrastructure with equivalent improvements, except with the prior written consent of such Owner. Notice of the special Assessments, and a roster of the Owners setting forth their Pro-Rata Portion of the special Assessments, shall be delivered to each Owner.

Section 6.05. Payment of Assessments. Estimated payments on account of the annual Assessments shall be due and payable semi-annually on the first day of each January and July in advance, in an amount fixed for each calendar year on the basis of the budget submitted to the Owners by the Company. Until the budget has been prepared and delivered to the Owners, the Owners shall continue to make estimated payments in the amount fixed for the preceding calendar year and, if the budget provides for an increase in such estimated payments, the amount of any such increase for the months which have passed as of the time the budget is delivered to the Owners shall be due and payable within thirty (30) days after the budget has been delivered. Any special Assessments shall be paid within ninety (90) days after notice of such Assessments has been delivered to, and, if required under Section 6.04, approved by, the Owners.

Section 6.06. Nonpayment of Assessments. If any Assessments is not paid on the date when due, then such Assessments shall become delinquent and shall, together with interest and the costs of collection as hereinafter provided, thereupon become a continuing lien on the Parcel of the delinquent Owner. The Assessment shall bear interest from the date ten (10) days after the due date until paid at the legal rate of interest charged on judgments under Alabama law, and the Owner shall pay all costs of collection, including, without limitation, court costs and reasonable attorneys fees. In the event that it shall become necessary to collect any delinquent Assessment, the Owner or the Company to whom such sums are owed may foreclose the lien against the defaulting Owner's Parcel in like manner as a mortgage on real property, or may accept a deed in lieu of such foreclosure. In any such foreclosure, the defaulting Owner shall be required to pay the costs and expenses of such proceedings, including reasonable attorney's fees. It is specifically understood that, even though the Company has the obligation to collect Assessments, the obligation of Owners to pay Assessments is for the benefit of all Owners and may be enforced by any Owner. Any Owner shall be entitled to purchase the Parcel at the foreclosure sale and to acquire, hold, lease, mortgage or convey the same. An Owner shall also be entitled to collect any delinquent Assessments by any other action allowed at law or in equity for the collection of debt, subject to the nonrecourse provisions included in Section 6.01.

Section 6.07. Certificates. Upon request, the Company, or the designee of the Company, shall furnish to any Owner a certificate in writing setting forth such matters with respect to compliance with this Declaration, including whether any Assessment has been paid, and such certificate shall be conclusive evidence of the matters therein.

Section 6.08. Priority of Liens. The lien for the Assessments provided for herein shall be superior to the lien of any mortgage, deed of trust or deed to secure debt now or hereafter placed upon a Parcel. The recording of this Declaration constitutes record notice and perfection of the Assessment lien. No further recordation of any claim or Assessment is required; however, a claim may be recorded at the Company's or other damaged Owner's option.

ARTICLE SEVEN

TRANSFER OF COMMON FACILITIES

Section 7.01. Transfer to Governmental Entities or Public Utility Company. Company may dedicate, sell, convey or transfer to any governmental entity or public utility company all or any portions of the Roads and the Utility Easement Areas, free and clear of this Declaration, provided that (a) in conjunction

with such transfer, the governmental or public utility entity shall have assumed all maintenance and repair obligations for the Common Facilities so transferred and (b) the transfer shall not adversely affect any utility service or unrestricted access to any portion of the Property. Upon completion of such transfer, all rights, privileges and easements reserved or granted in this Declaration with respect to the Roads or the Utility Easement Areas so transferred, and the provisions of this Declaration relating thereto, shall be void and of no further force and effect.

ARTICLE EIGHT AMENDMENT OF COVENANTS

Section 8.01. Amendment. This Declaration may be amended at any time, and from time to time, by the agreement of all of the Owners, such agreement to be evidenced by the execution by each Owner of a supplement to this Declaration filed for record in the Office of the Judge of Probate of Shelby County, Alabama, setting forth the terms and provisions of the amendment.

ARTICLE NINE DURATION OF COVENANTS

Section 9.01. Duration. The covenants, conditions, limitations, restrictions, reservations, easements, liens, charges, rights and privileges set forth in this Declaration shall run with and bind the Property, and shall inure to the benefit of and be enforceable by the Company or the Owners as provided in this Declaration, for a period of seventy-two (72) years from the date on which this Declaration is filed for record in the Office of the Judge of Probate of Shelby County, Alabama. Upon the expiration of such period, this Declaration shall be automatically extended for successive periods of five (5) years unless, within the last year of the original or any extended period, all Owners execute and file for record with the Judge of Probate of Shelby County, Alabama, a document evidencing their intent to terminate this Declaration.

ARTICLE TEN ENFORCEMENT OF COVENANTS

Section 10.01. Enforcement Rights. In the event any covenant, condition, limitation, restriction, reservation, easement, lien, charge, right or privilege set forth in this Declaration is violated by any person, either Company or any Owner may execute and deliver to the person violating the same a notice specifying the violation and the action required to cure the violation, and if the violation is not cured within ten (10) days after the giving of such notice, as to a failure to pay any Assessments or other amounts due hereunder, or if the violation is

not cured, or significant action to cure has not been undertaken and be continuing in good faith, within thirty (30) days after the giving of such notice as to all other violations, or, having promptly commenced to cure, the same shall fail thereafter to prosecute the curing thereof in good faith and with all due diligence to completion within 90 days after said notice, then Company may, without further notice to such person, enforce the terms and provisions of this Declaration. In the event the Company fails to enforce the rights under this paragraph against any defaulting Owner within 60 days after written demand from a non-defaulting Owner, such non-defaulting Owner shall have the rights granted to the Company in this paragraph.

Section 10.02. Covenants Respecting Assessments. If the violation relates to the non-payment of Assessments, then either Company or any Owner may do any one or more of the following:

(a) Subject to Section 6.01, file suit against an Owner to recover the unpaid Assessment, together with interest thereon and all costs of collection.

(b) Proceed against a Parcel to enforce the lien created by this Declaration.

Section 10.03. Other Covenants. If the violation relates to any matter other than the non-payment of Assessment, then either Company or any Owner may do any one or more of the following:

(a) Exercise any right or remedy provided under any other Article of this Declaration.

(b) File suit at law or in equity either to restrain the violation, or to recover damages, or both.

(c) Cure the violation by paying or causing to be paid, when due and payable, any item which may be paid to cure a violation, or do or cause to be done such acts or things as may be required, necessary or desirable to cure the violation, in which case the sums paid, and the entire cost and expense of such acts or things, shall be reimbursed to the person making payment or incurring the cost and expense, together with interest thereon at the legal rate chargeable on judgments under Alabama law and all costs of collection, including reasonable attorneys fees.

Section 10.04. Failure to Enforce. The failure of Company or any Owner to enforce any provision of this Declaration as above provided shall in no event be deemed a waiver of the right to do so thereafter.

Section 10.05. Rights Cumulative. All of the enforcement rights and remedies set forth above are cumulative and

in addition to any right or remedy provided for by statute, or now or hereafter existing at law or in equity. Company or all Owners may exercise each and every such right and remedy concurrently or separately.

ARTICLE ELEVEN MISCELLANEOUS

Any notice, demand, request, consent, approval or communication under this Declaration shall be in writing and shall be deemed to have been given (a) if mailed by first class registered or certified mail, postage prepaid, upon actual receipt or refusal to accept, or (b) if deposited for overnight delivery with a nationally recognized courier service, upon actual receipt or refusal to accept, or (c) if delivered by hand or in the form of a facsimile transmission, when received, in each case addressed or directed at the address provided by an Owner to the Company, and to the Company at the Company's address shown below.

Each and every exhibit referred to or otherwise mentioned in this Declaration is attached to this Declaration and is and shall be construed to be made a part of this Declaration by such reference or other mention at such point at which such reference or other mention occurs, in the same manner and with the same effect as if each exhibit were set forth in full and at length every time it is referred to or otherwise mentioned.

Section 11.04. Defined Terms. Capitalized terms used in this Declaration shall have the meaning ascribed to them at the point where first defined, irrespective of where their use occurs, with the same effect as if the definitions of such terms were set forth in full and at length every time such terms are used.

Section 11.05. Pronouns. Wherever appropriate in this Declaration, personal pronouns shall be deemed to include the other genders and the singular to include the plural.

Section 11.06. Binding Effect. All provisions contained in this Declaration shall be binding upon, inure to the benefit of, and be enforceable by, the respective successors and assigns of the Owners and Company to the same extent as if each such successor and assign were named as a party hereto.

Section 11.07. Severability. If any term, covenant, condition or provision of this Declaration, or the application thereof to any person or circumstance, shall ever be held to be invalid or unenforceable, then in each such event the remainder of this Declaration or the application of such term, covenant, condition or provision to any other person or any other circumstance (other than those as to which it shall be invalid or unenforceable) shall not be thereby affected, and each term, covenant, condition and provision hereof shall remain valid and enforceable to the fullest extent permitted by law.

Section 11.08. Applicable Law. This Declaration shall be governed by, construed under and interpreted and enforced in accordance with the laws of the State of Alabama.

Section 11.09. Successor Company. The Company may convey the Common Facilities in whole, but not in part, to another party, either in fee, or by ground lease, which party by acceptance of the fee ownership or a ground lessee's interest shall assume all of the obligations of Company under this Declaration.

Section 11.10. Settlement of Disputes. In the event that the Owners shall have any dispute hereunder, or in the event that an Owner shall disagree with a decision made by another Owner or the Company, such disputes shall be submitted for arbitration in accordance with the procedures established by the American Arbitration Association.

Section 11.11. Replacement of Company. In the event that the Initial Owner or other Owners whose collective Pro-Rata Portions equal at least 45% determine that the Company is not performing its duties in accordance with this Declaration, the Initial Owner or other Owners, as the case may be, shall have the right to replace the Company as the manager of the Common Facilities but only if Company does not cure its failure within thirty (30) days after written receipt of written notice from the Owners outlining the specific default by the Company, or, having promptly commenced to cure, the Company shall fail thereafter to prosecute the curing thereof in good faith and with all due diligence to completion within 90 days after said notice.

IN WITNESS WHEREOF, the Company has executed and sealed
this Declaration the day and year first above set forth.
