COVENANTS

- 1. Payments. I agree to make all payments on the secured debt when due. Unless we agree otherwise, any payments you receive from me or for my benefit will be applied lirst to any amounts I owe you on the secured debt (exclusive of interest or principal), second, to interest and then to principal If partial prepayment of the secured debt occurs for any reason, it will not reduce or excuse any scheduled payment until the secured debt is paid in full
- 2. Claims against Title. I will pay all taxes, assessments, liens and encumbrances on the property when due and will defend title to the property against any claims which would impair the lien of this mortgage. You may require me to assign any rights, claims or defenses which I may have against parties who supply labor or materials to improve or maintain the property.
- 3. Insurance, I will keep the property insured under terms acceptable to you at my expense and for your benefit. All insurance policies shall include a standard mortgage clause in favor of you. You will be named as loss payee or as the insured on any such insurance policy. Any insurance proceeds may be applied, within your discretion, to either the restoration or repair of the damaged property or to the secured debt. If you require mortgage insurance, I agree to maintain such insurance for as long as you require.
- 4. Property. I will keep the property in good condition and make all repairs reasonably necessary.
- 5. Expenses. I agree to pay all your expenses, including reasonable attorneys' fees if I break any covenants in this mortgage or in any obligation secured by this mortgage. - 6. Default and Acceleration. If I fail to make any payment when due or break any covenants under this mortgage, any prior mortgage or any obligation secured by this mortgage, you may accelerate the maturity of the secured debt and demand immediate payment and exercise any other remedy available to you. If you invoke the power of sale, you will give notice of the sale by publication once a week for three successive weeks in some newspaper published in the county in which the property or any portion of it is located. - 7. Assignment of Rents and Prolits. I assign to you the rents and profits of the property. Unless we have agreed otherwise in writing. I may collect and retain the rents as long as I am not in default. If I default, you, your agent, or a court appointed receiver may take possession and manage the property and collect the rents. Any rents you collect shall be applied first to the costs of managing the property, including court costs and attorneys fees commissions to rental agents, and any other necessary related expenses. The remaining amount of rents will then apply to payments on the secured debt as provided in Covenant 1.
- 8. Waiver of Homestead. I hereby waive all right of homestead exemption in the property

If any construction on the property is discontinued or not carried on in a reasonable manner, you may do whatever is necessary to protect your security interest in the property. This may include completing the construction.

Your failure to perform will not preclude you from exercising any of your other rights under the law or this mortgage.

Any amounts paid by you to protect your security interest will be secured by this mortgage. Such amounts will be due on demand and will bear interest from the date of the payment until paid in full at the interest rate in effect on the secured debt.
