The Declarant reserves the right (after ten (10) days notice to the Owner(s)) to enter any residential lot during normal working hours for the purpose of removing, cleaning or cutting underbrush, or other unsightly growth and trash which, in the sole opinion of the Declarant, detracts from the overall beauty and safety of the subdivision and may charge the Lot Owner(s) of said lot a reasonable cost for such services, which charge shall constitute a lien upon such lot enforceable by appropriate proceedings at law or equity. This provision shall not apply to the Declarant or their assigns during the sales and development period, such sales period to extend until the last lot is sold by the Declarant. The provisions of this paragraph shall not be construed as an obligation on the part of Declarant to remove, clean or cut underbrush, or the unsightly growth and/or provide refuse or trash removal services.

For construction to be considered complete, a certificate of completion with the right to occupy is required from proper County building inspector(s).

**I. Carports and Garage doors** will not be permitted on the front of homes except under unusual situations which shall be determined at the sole and exclusive judgement of the Architectural Control Committee. In the event the Architectural Control Committee gives such approval, approval must be in writing prior to beginning any construction and the Committee may require Lot Owner(s) to use certain specific construction materials, at the sole discretion of the Committee, to maintain the quality of the neighborhood as deemed necessary by the Committee..

Any and all of these must be no closer to any interior property line, or front property line, than thirty feet (30') and must be completely screened off from view of any adjoining Lot Owner(s) by way of perennial evergreen shrubs, bushes, trees or building materials of size, quality, and quantity acceptable to the sole discretion of the Architectural Control Committee and/or the Declarant, its heirs, and/or assigns. Any Lot Owner(s) in violation of this Clause ( Clause "L") shall pay a penalty of \$100.00 per month to Declarant, its' heirs, and/or assigns until Clause "L" is fully complied with.

**M. Storm Drainage Control.** No Lot Owner(s) shall modify or otherwise alter any existing drainage in any manner, and specifically shall not alter or cause drainage to divert the flow of water onto an adjacent lot or lot(s).
