City of Montevallo
545 Main Street
Montevallo, Alabama 35115

Dear Mayer and City Council Members:

I would like to ask you to allow me to come into the city limits. I live at 5970 Highway 25. The residents across the road from me are included in the city limits. I want to be protected by the city fire department because it will lower my homeowners insurance. My home is protected by an alarm system which now is monitored by the county. It takes them entirely too long to respond. If I were in the city limits, the city police could respond. Since I live two miles from the police department, the time lapse would be much less. This is important to me: I live alone. Another plus is that I could participate in city elections, which already affect me. I would appreciate your consideration in this matter.

Sincerely,

Lynda Anderson
