CONSTRUCTION LOAN NOTE

Birmingham

, Alabama

\$ 54,000.00

July 29

, 19 87

On demand, after date, for value received, the undersigned (whether one or more, hereinafter called the Obligors), promise(s) to pay to the order of JEFFERSON FEDERAL SAVINGS AND LOAN ASSOCIATION OF BIRMINGHAM (hereinafter, together with any holder of this note, called the Holder), at the principal office of said JEFFERSON FEDERAL SAVINGS AND LOAN ASSOCIATION OF BIRMINGHAM or at such other place as the Holder may designate, the sum of Fifty Four Thousand and no/100 DOLLARS, with interest thereon to be computed at a per annum rate equal to 10.00 percentage over the prime rate as announced by the City National Bank of New York, such rate to vary based on the prime rate existing on the first day of each month, but never to exceed the limits imposed by the usury laws of the State of Alabama.

This note is secured by every security agreement, pledge, assignment, stock power and/or mortgage covering personal or real property (all of which are hereinafter included in the term Separate Agreements) which secures an obligation so defined as to include this note, including without limitation all such Separate Agreements which are of even date herewith and executed to the payee hereof and/or described in the space below. In addition, as security for the payment of any and all liabilities and obligations of the Obligors to the Holder (including the indebtedness evidenced by this note and all extensions, renewals, and substitutions thereof) and all claims of every nature of the Holder against the Obligors, whether present or future and whether joint, several, absolute, contingent, matured, unmatured, liquidated, unliquidated, direct or indirect (all of the foregoing are hereafter included in the term obligations), the Obligors hereby grant security title to the property described below: (describe Separate Agreements and Collateral).

See Construction Loan Mortgage and Security Agreement

As additional Collateral for the payment of all obligations, the Obligors jointly and severally transfer, assign, pledge, and set over to the Holder, and give the Holder a continuing lien upon and security interest in, any and all property of each Obligor that for any purpose, whether in trust for any Obligor or for custody, pledge, collection or otherwise, is now or hereafter in the actual or constructive possession of, or in transit to, the Holder in any capacity, its correspondents or agents, and also a continuing lien upon and/or right of setoff against all deposits and credits of each Obligor with, and all claims of each obligor against the holder at any time existing. The Holder is hereby authorized at any time or times and without prior notice, to apply such property, deposits, credits, and claims, in whole or in part and in such order as the Holder may elect, to the payment of, or as a reserve against, one or more of the Obligations, whether other Collateral therefore is deemed adequate or not. All such property, deposits, credits and claims of the Obligors are included in the term Collateral, and the Holder shall have (unless prohibited by law) the same rights with respect to such collateral as it shall have with respect to other Collateral.

Without the necessity for notice to or consent of any Obligor, the Holder may exercise any rights of any of the Obligors with respect to any Collateral, including without limitation thereto the following rights: (1) to record or register in, or otherwise transfer into, the name of the Holder or its nominee any part of the Collateral, without disclosing that the Holder's interest is that of a secured party; (2) to pledge or otherwise transfer any or all of the Obligations and/or Collateral, whereupon any pledge or transferee shall have all the rights of the Holder hereunder, and the Holder shall thereafter be fully discharged and relieved from all responsibility and liability for the Collateral so transferred but shall retain all rights and powers hereunder as to all Collateral not so transferred; (3) to take possession of any Collateral and to receive any proceeds of and dividends and income on any Collateral, including money, and to hold the same as Collateral or apply the same to any of the Obligations, the manner, order and extent of such application to be in the sole discretion of the Holder; (4) to exercise any and all rights of voting, conversion, exchange, subscription or other rights or options pertaining to any Collateral; and (5) to liquidate, demand, sue for, collect, compromise, receive and receipt for the cash or surrender value of any Collateral. If for any reason whatsoever the Collateral shall cease to be satisfactory to the Holder, the Obligors shall upon demand deposit with the Holder additional Collateral satisfactory to the Holder. Surrender of this note, upon payment or otherwise, shall not affect the right of the Holder to retain the Collateral as security for other Obligations. Upon default, the Obligors agree to assemble the Collateral and make it available to Holder as such place or places as the Holder shall designate.

The Holder shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral if it takes such reasonable actions for that purpose as the pledgor of Collateral shall request in writing, but the Holder shall have sole power to determine whether such actions are reasonable. Any omission to do any act not requested by said pledgor shall not be deemed a failure to exercise reasonable care. The Obligors shall be responsible for the preservation of the Collateral and shall take all steps to preserve rights against prior parties. The Holder shall have the right to, but shall not be obligated to, preserve rights against prior parties; nor shall the Holder be liable for any failure to realize upon, or to exercise any right or power with respect to, any of the Obligations or Collateral, or for any delay in so doing.

If default occurs in the payment of any of the Obligations when due or with respect to any condition or agreement contained in this note; or if for any reason whatever the Collateral shall cease to be satisfactory to the Holder; or in the event of death (if an individual) or dissolution (if a partnership or corporation) of, insolvency of, general assignment by, filing of petition in bankruptcy by or against, filing of application in any court for receiver for, judgement against, issuance of a writ of execution, attachment or garnishment against, or against any of the property of any Obligor; or if there occurs any default or event authorizing acceleration as contained in any Separate Agreement; or if at any time in the sole opinion of the Holder the financial responsibility of any Obligor shall become impaired; then, if any of the foregoing occur, all unpaid amounts represented by all Obligations shall, at the option of the Holder and without notice or demand, become immediately due and payable, notwithstanding any time or credit allowed under any of the Obligations or under any instrument evidencing the same.

The Holder, without making any demands whatsoever, shall have the right to sell all or part of the Collateral, although the Obligations may be contingent or unmatured, whenever the Holder considers such sale necessary for its protection. Sale of the Collateral may be made, at any time and from time to time, at any public or private sale, at the option of the Holder, without advertisement or notice to any Obligor, except such notice as is required by law and cannot be waived. The Holder may purchase the Collateral at any such sale (unless prohibited by law) free from any equity of redemption and from all other claims. After deducting all expenses, including legal expenses and attorneys' fees, for maintaining or selling the Collateral and collecting the proceeds of sale, the Holder shall have the right to apply the remainder of said proceeds in payment of, or as a reserve against, any of the Obligations, the manner, order and extent of such application to be in the sole discretion of the Holder. To the extent notice of any sale or other disposition of the Collateral is required by law to be given to any pledgor of Collateral the requirement of reasonable notice shall be met by sending such notice, as provided below, at least five (5) calendar days before the time of sale or disposition. The Obligors shall remain liable to the Holder for the payment of any deficiency, with interest at the maximum lawful rate for written contracts. However, the Holder shall not be obligated to resort to any Collateral but, at its election, may proceed to enforce any of the Obligations in default against any or all of the Obligors.

With respect to any and all Obligations, the Obligors severally waive the following: (1) all rights of exemption of property from levy or sale under execution other process for the collection of debts under the constitution or laws of the United States or of any state thereof; (2) demand, presentment, protest, notice dishonor, suit against any party and all other requirements necessary to charge or hold any Obligor liable on any Obligation; (3) any further receipt for acknowledgement of the Collateral now or hereafter deposited or statement of indebtedness; (4) all statutory provisions and requirements for the benefit of any Obligor, now or hereafter in force (to the extent that same may be waived); (5) the right to interpose any set-off or counterclaim of any nature or description in any litigation in which the Holder and any Obligor shall be adverse parties. The Obligors severally agree that any Obligations of any Obligor may, from time to time, in whole or in part, be renewed, extended, modified, accelerated, compromised, discharged or released by the Holder, and any Collateral, lien and right of set-off securing any Obligations may, from time to time, in whole or in part, be exchanged, sold or released, all without notice to or further reservation of rights against any Obligor and all without in any way affecting or releasing the liability of any costs of collecting or securing or attempting to collect or secure Obligations, including a reasonable attorney's fee if any attorney is consulted with reference to suit or otherwise.

The Holder shall not by any act, delay, omission or otherwise be deemed to have waived any of its rights or remedies, and no waiver of any kind shall be valid unless in writing and signed by the Holder. All rights and remedies of the Holder under the terms of this note and under any statutes or rules of law shall be cumulative and may be exercised successively or concurrently. The Obligors jointly and severally agree that the Holder shall be entitled to all the rights of a holder in due course of a negotiable instrument. This note shall be governed by and construed in accordance with the laws of the State of Alabama. Any provision of this note which may be unenforceable or invalid under any law shall be ineffective to the extent of such unenforceability or invalidity without affecting the enforceability or validity of any other provision hereof. Any notice required to be given to any person shall be deemed sufficient if mailed, postage prepaid, to the person's address as it appears on this note or, if none appears, to any address in the files of the Holder. The Holder shall have the right to correct patent errors in this note.

The Obligors shall be jointly and severally liable for all indebtedness represented by this note and have subscribed their name hereto without condition and without anyone else should sign or become bound hereon and without any other condition whatever being made. The provisions of this note are binding on the obligors, administrators, assigns and successors of each and every Obligor and shall inure to the benefit of the Holder, its successors and assigns. This note is executed under the seal of each of the Obligors.

This mortgage is made and accepted on the understanding that the following covenants, conditions and agreements shall continue in effect so long as any portion of the indebtedness hereby secured remains unpaid, to-wit:

1. THIS IS A FUTURE ADVANCE MORTGAGE, and the indebtedness shall be advanced by Mortgagee to Mortgagor in accordance with a construction loan agreement of even date herewith the terms of which agreement are made a part of this mortgage. 8. The Mortgagor agrees to pay reasonable attorneys' fees and expenses incurred by the Mortgagee in applying for a receiver, in protecting its interest in any litigation involving this real estate, in presenting claim under any administration or other proceeding where proof of claims is required by law to be filed, or in foreclosing this mortgage by suit in any court of competent jurisdiction, such fees and expenses to be a part of the debt hereby secured.

9. It is further agreed that if the Mortgagor shall fail to pay or cause to be paid in whole, or any portion, of the principal sum, or any installment of interest thereon, and any extensions or renewals thereof, or any other sum, the payment of which is hereby secured, as they or any of them mature, either by lapse of time or otherwise, in accordance with the agreements and covenants herein contained or should default be made by failure of the mortgagor to pay any mechanic's lien, materialmen's lien, insurance premiums, taxes or assessments now, or which may hereafter be, levied against, or which may become a lien on said property, or should default be made in any of the covenants, conditions and agreements herein contained or in the construction loan agreement of even date herewith, then and in that event the whole of said principal sum, with interest thereon, and all other sums secured hereby shall, at the option of the then holder of said indebtedness, be and become immediately due and payable, and the holder of the debt secured shall have the right to enter upon and take possession of said property and sell after or without and taking such possession of the same at public outcry, in whole or in parcels, in front of the Court House door of the county wherein said property is located, to the highest bidder for cash, either in person or by auctioneer, after first giving notice of the time, place and terms of such sale by publication once a week for three successive weeks in some newspaper published in said county, and upon the payment of the purchase money, shall execute to the purchaser at said sale a deed to the property, the proceeds of such sale shall be applied (1) to the expenses incurred in making the sale, including a reasonable attorney's fee for such services as may be necessary, in the collection of said indebtedness or the foreclosure of the mortgage; (2) to the payment of whatever sum, or sums, the Mortgagee may have paid out or become liable to pay, in carrying out the provisions of this mortgage, together with interest thereon; (3) to the payment and satisfaction of said principal indebtedness and interest thereon to the day of sale and the balance, if any, shall be paid over to the Mortgagor, or assigns. Or said Mortgagee may be foreclosed as now provided by law in case of past due mortgages, in which event a reasonable attorney's fee shall, among other expenses and costs, be allowed and paid out of the proceeds of the sale of said property. In any event, the purchaser under any foreclosure sale, as provided herein, shall be under no obligation to see the proper application of the purchase money and the Mortgagee or the then holder of the indebtedness hereby secured may become the purchaser at said sale and the auctioneer making the sale is hereby authorized and empowered to execute a deed in the name and on behalf of the Mortgagor to such purchaser, and the certificate of the holder of such indebtedness, appointing said auctioneer to make such sale, shall be prima facie evidence of his authority in the premises. Mortgagee shall also have all rights and remedies of a secured party under the Alabama Uniform Commercial Code.

10. In the event of the enactment of any law, Federal or State, after the date of this mortgage, deducting from the value of the land for the purposes of taxation any lien thereon, or imposing any liability upon the Mortgagee, in respect of the indebtedness secured hereby, or changing in any way the laws now in force for the taxation of mortgages, or debts secured by mortgages, or the manner of collection of any such taxes, so as to affect this mortgage, the whole of the principal sum secured by this mortgage, together with the interest due thereon, shall, at the option of the Mortgagee, without notice to any party, become immediately due and payable.
