the Property, or any portion thereof, or for the general welfare or the Owners, or for the purpose of carrying out any provisions of this Declaration, provided (a) such new easements or relocation or existing easements will not, in the opinion of the Developer or the Board of Directors of the Association, unreasonably interfere with any Owner's enjoyment of the portion of the Property owned by such Owner, (b) any required work is done at the sole cost and expense of the Association, and after completing such work, the Association will restore any portion of the Property which was affected to the same or as good a condition as existed immediately before the commencement of such work, and (c) following the completion of such work, the Association shall cause a survey to be made of the easement showing its location on the Property and cause same to be recorded in the Probate Office of Shelby County, Alabama.
