EASEMENT

For and in consideration of one thousand five hundred dollars (\$ 1,500.00) and other good and valuable consideration, the adequacy and receipt of which is hereby acknowledged, the undersigned owner(s) of the premises described below, (hereinafter referred to as "Grantor"), do(es) hereby grant to **BellSouth Telecommunications, Inc., a Georgia corporation, d/b/a AT&T Alabama**, and its parent and its and its parent's direct and indirect affiliates, subsidiaries, agents, attorneys, employees, officers, directors, servants, insurance carriers, licensees, successors, and assigns (hereinafter referred to as "Grantee"), an easement to construct, operate, maintain, add, and/or remove such systems of communications (including broadcast), facilities, standby generators and associated fuel supply systems as a means of providing uninterrupted service during commercial power outages, and related items as the Grantee may from time to time deem necessary in the conduct of its business upon, over, and under a portion of the lands described in Deed Book 20030029013000000, page , Shelby County, Alabama Records, and, to the fullest extent the Grantor has the power to grant, upon, over, along, and under the roads, streets, or highways adjoining or through said property. The said easement is more particularly described as follows:

All that tract or parcel of land lying in Section 15, Township 24N, Range 15E, Huntsville Meridian, Shelby County, State of Alabama, consisting of a (☐ strip) (☒ parcel) of land 25 ft x 25 ft and a strip 15 ft to Hwy 47 ROW from the easement for parking access as shown on attached survey and hereby made a part of this document.
(Attachment A.)

The following rights are also granted: the exclusive right to allow any other person, firm, or corporation to attach wires or lay cable or conduit or other appurtenances upon, over, and under said easement for communications (including broadcast) or electric power transmission or distribution; ingress to and egress from said easement at all times; the right, but not the obligation, to clear the easement and keep it cleared of all trees, undergrowth, or other obstructions; the right, but not the obligation, to trim and cut and keep trimmed and cut all dead, weak, leaning, or dangerous trees or limbs outside the easement which might interfere with or fall upon the lines or systems of communication or power transmission or distribution; the right to relocate said facilities, systems of communications, or related services on said lands to conform to any future highway relocation, widening, or improvements; the right to test and maintain generators and associated equipment; and the right to allow any other person, firm, or corporation to provide for fuel/energy distribution to equipment placed on the site.

To have and to hold the above granted easement unto BellSouth Telecommunications, Inc. d/b/a AT&T Alabama, and its parent and its and its parent's direct and indirect affiliates, subsidiaries, agents, attorneys, employees, officers, directors, servants, insurance carriers, licensees, successors, and assigns forever and in perpetuity.

Grantor warrants that Grantor is the true owner of record of the above described land on which the aforesaid easement is granted.

GENERAL NOTES:

Existing Easement is shown along a line established by calls "along fence" in Inst. 20030509000290130 and 65 feet North of property described in Deed Book 314, Page 721, as is called for in Deed Book 340, Page 122.

It is intended for the easement created by this survey to be contiguous with the Northeast margin of prescriptive Right-of Way of Shelby County Road 47 in Section 15, Township 24 North, Range 15 East, Shelby County, Alabama.

Surveyor did not conduct a title search and offers no opinion as to title.

Easements or restrictions affecting property may exist of which the Surveyor has no knowledge. Surveyor accepts no responsibility for research in this matter.

Other utilities may exist other than shown or mentioned.

Basis of bearing is Instrument Number 20030509000290130 in the records of the Judge of Probate of Shelby County, Alabama.

Underground utilities may exist that have not been shown.

Right-of-Way of Shelby County 47 is prescriptive. Abutting deeds and found irons have been accepted as prescriptive evidence.

I hereby state that all parts of this survey and drawing have been completed in accordance with the current requirements of the Standards of Practice for Surveying in the State of Alabama to the best of my knowledge, information and belief.
