Grantees, by acceptance of this deed, acknowledge, covenant and agree for themselves and their heirs, executors, administrators, personal representatives and assigns, that:

(a) Grantees have been given the absolute and unfettered right to conduct all inspections, tests, evaluations and investigations of the Property as Grantees, in their sole discretion, may determine to be necessary in order to satisfy Grantees of the physical and environmental condition of the Property and all other aspects of the Property;

(b) Grantees have assumed full and complete responsibility for the investigation and determination of the suitability of the surface and subsurface conditions of the Property including, without limitation, the existence or presence of any sinkholes, underground mines, tunnels, water channels and limestone formations or deposits on, under, adjacent to or in close proximity with the Property;

(c) Grantor has not made and does not make any covenants, representations or warranties, either express or implied, regarding the physical condition of the Property or any portion thereof, the suitability or fitness of the Property for any intended or specific use, any matters which would be disclosed by a current and accurate survey of the Property or whether any underground storage tanks or any hazardous or toxic waste, substances or materials (including, but not limited to, asbestos, radon gas, formaldehyde and polychlorinated biphenyls), are currently present or at any time prior to the date hereof have been located in, on, under, upon or adjacent to the Property;

(d) Grantees hereby irrevocably and unconditionally waive, release and forever discharge Grantor, its agents, employees, officers, directors, shareholders, affiliates, subsidiaries and mortgagees and their respective successors and assigns, of and from any and all actions, causes of action, claims, potential claims, demands, agreements, suits, obligations, damages, costs, expenses, losses and liabilities of every kind and nature, known or unknown, arising out of or as a result of any past, present or future soil, surface and subsurface condition, known or unknown (including, without limitation, sinkholes, underground mines, tunnels, water channels and limestone formations and deposits), under or upon the Property or any other real property surrounding, adjacent to or in close proximity with the Property which may be owned by Grantor or any affiliates or subsidiaries thereof;

(f) The Mt Laurel Documents permit the Founder (which is an affiliate of Grantor) to make various changes and modifications to the Mt Laurel Documents from time to time and at any time prior to the Turnover Date, as defined in the Declaration, without the consent or approval of any Owners (which would include Grantees);

(g) The Master Plan for Mt Laurel, which the Founder may change from time to time without the consent or approval of any Owners (which would include Grantees), contemplates that Mt Laurel will be developed as a traditional neighborhood development which will mix commercial, residential and civic uses unlike that of typical or conventional suburban developments which separate residential from civic and commercial land uses. A traditional neighborhood development attempts to create a neighborhood of walkable streets and a range of housing types which are commingled with civic and commercial land uses. Accordingly, Single-Family Districts in Mt Laurel may be directly adjacent to Townhouse Districts, Multi-Family Districts and Commercial Districts;

(h) As provided in the Declaration, each Owner (which would include Grantees) will be a member of the Association, as defined in the Declaration, and the Association has the right to levy Assessments against the Property, which Assessments are secured by a lien on the Property and, if such Assessments are not timely paid, then such lien is subject to the foreclosure rights created by the Declaration;

(i) Until the Turnover Date, as defined in the Declaration, all members of the Board of the Association and all officers of the Association are appointed (and subject to removal) solely by the Founder;

(j) Only the real property shown on the Initial Plat and any Additional Property which is submitted to the Declaration and Master Deed Restrictions in accordance with the terms and provisions thereof is subject to the terms and provisions of the Declaration and the Master Deed Restrictions. The Founder has no obligation to submit or add any of the other real property shown on the Master Plan to the Declaration or the Master Deed Restrictions; and

(k) As of the date hereof, all roadways, streets and alleyways within Mt Laurel are private and

TO HAVE AND TO HOLD unto the said Grantees, for and during their joint lives and upon the death of either of them, then to the survivor of them in fee simple, and to the heirs and assigns of such survivor forever, together with every contingent remainder and right of revision; subject, however, to the Permitted Exceptions.
