Section 4.3 **Procedure and Meetings.** The ARC shall elect a chairman and he or she, or in his or her absence, any vice-chairman so elected, shall be the presiding officer at all meetings of the ARC. The ARC shall meet on a regular basis as well as upon call of the chairman or vice-chairman and all such meetings shall be held at such places as may be designated by the chairman or vice-chairman. The presence, either in person or by proxy, of a majority of the total number of members of the ARC shall constitute a quorum of the ARC for the transaction of business and the affirmative vote of a majority of those present in person or by proxy at a meeting of the ARC shall constitute the action of the ARC on any matter which comes before it. The ARC is authorized to retain the services of consulting architects, landscape architects, designers, engineers, inspectors and/or attorneys in order to advise and assist the ARC in performing its functions set forth herein. All such costs and expenses incurred by the ARC in the review of any plans shall be paid by the Owner submitting such plans to the ARC for review and approval. Each member of the ARC may be paid a stipend or honorarium as may from time to time be determined by the Board and shall otherwise be entitled to a reimbursement of expenses incurred on behalf of the ARC, subject to the approval of such expenses by the Board. The ARC shall have the right from time to time to adopt and establish such rules and regulations as may be determined to be necessary concerning the procedure, notice of meetings and all other matters concerning the conduct of the business of the ARC, including, without limitation, the right to designate one (1) person to act on behalf of the entire ARC in all matters in which the ARC is granted the right to act under the terms of this Declaration.

Section 4.4 **Architectural Standards.** The ARC is hereby authorized to promulgate and amend and modify from time to time written Architectural Standards governing policies, guidelines and minimum requirements to be satisfied with respect to the construction, location, landscaping and design of all Buildings and any other Improvements on any Lot, the content and manner in which plans and specifications and other documentation and information concerning the construction of any Building or other Improvements on a Lot are to be submitted to and approved by the ARC and any other matters affecting the construction, repair or maintenance of any Building or other Improvements on any Lot; provided, however, that any such Architectural Standards and any amendments and modifications thereto must be approved by (a) Developer, at all times that Developer has the right to appoint and remove the members of the ARC or (b) the Board of the Association, at all times that the Board of the Association has the right to appoint and remove the members of the ARC. The Architectural Standards and any and all amendments thereto adopted from time to time by the ARC (and approved by Developer or the Board, as

provided above) shall be in addition to the provisions and requirements set forth in this Declaration and shall be binding upon and enforceable against all Owners.

Section 4.5 **Approval of Plans and Specifications.**

(a) IN ORDER TO PRESERVE THE ARCHITECTURAL AND AESTHETIC APPEARANCE AND THE NATURAL SETTING AND BEAUTY OF THE PROPERTY, TO ESTABLISH AND PRESERVE A HARMONIOUS DESIGN FOR THE PROPERTY AND TO PROTECT AND PROMOTE THE VALUE OF THE PROPERTY, THE LOTS, THE BUILDINGS AND ALL IMPROVEMENTS THEREON, NO IMPROVEMENTS OF ANY NATURE SHALL BE COMMENCED, ERECTED, INSTALLED, PLACED, MOVED ONTO, ALTERED, REPLACED, RELOCATED, PERMITTED TO REMAIN ON OR MAINTAINED ON ANY LOT (OTHER THAN BY DEVELOPER), WHICH AFFECT THE EXTERIOR APPEARANCE OF ANY LOT OR ANY BUILDING SITUATED THEREON UNLESS PLANS AND SPECIFICATIONS FOR THE SAME HAVE BEEN SUBMITTED TO AND APPROVED BY THE ARC IN ACCORDANCE WITH THE TERMS AND PROVISIONS OF SECTION 4.5(b) BELOW. WITHOUT LIMITING THE FOREGOING, THE CONSTRUCTION AND INSTALLATION OF ANY BUILDINGS OR IMPROVEMENTS SHALL NOT BE UNDERTAKEN, NOR SHALL ANY EXTERIOR ADDITION TO OR CHANGE OR ALTERATION TO AN EXISTING BUILDING OR OTHER STRUCTURE ON A LOT BE MADE (INCLUDING, WITHOUT LIMITATION, PAINTING OR STAINING OF ANY EXTERIOR SURFACE), UNLESS THE PLANS AND SPECIFICATIONS FOR THE SAME HAVE BEEN SUBMITTED TO AND APPROVED BY THE ARC IN ACCORDANCE WITH THE TERMS AND PROVISIONS OF SECTION 4.5(b) BELOW.

(b) The plans and specifications required under Section 4.5(a) shall be in such form and shall contain such information as may be reasonably required by the ARC and shall include but not necessarily be limited to:

(i) An accurately drawn and dimensional plot plan showing all setbacks, easements, drives and walks;

(ii) A foundation plan, floor plan, landscape plan, and exterior elevations of the Buildings as they will actually appear after all back filling and landscaping is done from finished ground up;

(iii) All plans must include a specifications list of proposed materials and samples of exterior materials and colors which cannot be adequately described on the plans, and of materials with which the ARC is unfamiliar; and

(iv) The name and address of the Lot Owner's contractor who will construct the residence and all other improvements to the Lot.

(v) The ARC may also require such additional information as reasonably may be necessary for the ARC to evaluate completely the proposed structure or improvement in accordance with this Declaration. All information submitted to the

ARC shall be delivered to the office of Developer at c/o Signature Homes, 3545 Market Street, Hoover, Alabama 35226, PHONE: (205) 989-5588, FAX: (205) 989-8884, Attention: Joe Etheridge, or such other address as may be established by the Board of the ARC from time to time.

(c) The ARC shall, in its sole and absolute discretion, determine whether the plans and specifications and other data submitted by any Owner for approval are acceptable. The ARC shall have the right to disapprove any plans and specifications upon any ground which is consistent with the objectives and purposes of this Declaration, including purely aesthetic considerations, any failure to comply with any of the provisions of this Declaration or the Architectural Standards, failure to provide requested information, objection to exterior design, appearance or materials, objection on the ground of incompatibility of any such proposed improvement with the scheme of development proposed for the Property, objection to the location of any proposed Improvements on any such Lot, objection to the landscaping plan for such Lot, objection to the color scheme, finish, proportions, style of architecture, height, bulk or appropriateness of any Improvement or any other matter which, in the sole and absolute judgment of the ARC, would render the proposed Improvement inharmonious with the general plan of development contemplated for the Property. The ARC shall have the right to approve any submitted plans and specifications with conditions or stipulations by which the Owner of such Lot shall be obligated to comply and must be incorporated into the plans and specifications for such Improvements. Approval of plans and specifications by the ARC for Improvements to one particular Lot shall not be deemed an approval or otherwise obligate the ARC to approve similar plans and specifications or any of the features or elements for the Improvements for any other Lot. One copy of all plans, specifications and related data so submitted to the ARC shall be retained in the records of the ARC and the other two (2) copies shall be returned to the Owner submitting the same marked "approved," "approved as noted" or "disapproved". Notwithstanding anything provided herein to the contrary, an Owner may make interior improvements and alterations within any Buildings situated on such Owner's Lot without the necessity or requirement that the approval or consent of the ARC be obtained so long as (i) such improvements and alterations do not affect the exterior appearance of such Building and (ii) the gross square footage of heated and cooled space within such Building is not increased.

(d) The ARC may, in its sole discretion, establish a fee sufficient to cover the expense of reviewing plans and related data and to compensate any consulting architects, landscape architects, designers, engineers, inspectors and/or attorneys retained in order to approve such plans and specifications and to monitor and otherwise enforce the terms hereof. Such fee or fees shall be paid by the Owner who is seeking approval of plans and specifications. The ARC shall also have the right, in its sole and absolute discretion, to require the Owner of each Lot to deposit a construction escrow/security deposit with the ARC at the time the ARC approves the plans and specifications for any Improvements to such Owner's Lot. Such construction escrow/security deposit shall be held by the Association, shall serve as security for the full and faithful completion by such Owner of all Improvements to be made by such Owner on such Owner's Lot and the compliance with all of the terms, conditions and provisions of this Declaration and all interest earned on said deposit, if any, shall belong to and remain the property of the Association; provided, however, that the Association shall not be obligated to maintain such escrow/security deposit in an interest bearing account or to pay any interest, if any, earned

on the escrow/security deposit to any Owner. Any such escrow/security deposit shall be returned to the Owner who has deposited the same upon completion of all Improvements on such Lot and the determination by the ARC, in its sole and absolute discretion, that all of the other terms and provisions of this Declaration have been satisfied and complied with in all respects by such Owner and such Owner's agents, employees and independent contractors. If the ARC, in its sole discretion, determines that such Improvements are not timely completed in accordance with the terms and provisions of this Declaration, or if, in the construction of such Improvements, such Owner or such Owner's agents, employees or independent contractors, fail to abide by all of the terms and provisions of this Declaration and any of the Architectural Standards, then the ARC shall have the right, in its sole and absolute discretion, to use all or any portion of such escrow/security deposit to complete, correct or remedy any such breach by such Owner or such Owner's agents, employees or independent contractors; provided, however, that application of such escrow/security deposit to the costs to complete, correct or remedy any such breach or violation shall not be deemed a release or waiver of any rights of the ARC or the Association to exercise any of their respective rights or remedies set forth in this Declaration. In addition to the foregoing, the ARC reserves the right, in its sole and absolute discretion, to require each Owner and/or such Owner's contractor, to execute a soil erosion and storm water discharge indemnity in favor of the ARC, the Association and Developer.

(e) In the event the ARC fails to approve in writing any proposed plans and specifications within thirty (30) days after such plans and specifications have been submitted, then the plans and specifications so submitted to the ARC will be deemed to have been disapproved.

(f) Any revisions, modifications or changes in any plans and specifications previously approved by the ARC must be approved by the ARC in the same manner specified above.

(g) If construction of the Building or other Improvements approved by the ARC has not substantially commenced (e.g., by clearing and grading, pouring of footings and otherwise commencing framing and other related construction work) within one (1) year of approval by the ARC of the plans and specifications for such Building or other Improvements, then no construction may be commenced (or continued) on such Lot and the Owner of such Lot shall be required to resubmit all plans and specifications for any Building or other Improvements to the ARC for approval in the same manner specified above.

(h) The ARC shall have the right to review and approve any general contractors to be utilized by any Owner in connection with the construction of any Buildings on any Owner's Lot.

Section 4.6 **Landscaping Approval.** In order to preserve, to the extent practicable, the natural landscaping and plant life currently situated on the Property and in order to enhance the aesthetic appearance of the Property, no landscaping, grading, excavation or fill work of any nature shall be implemented or installed by any Owner (other than by Developer) on any Lot unless and until landscaping plans therefore have been submitted to and approved by the ARC. Notwithstanding the foregoing, an Owner may periodically remove, change, plant and replant

annual flowers in any flower beds on such Owner's Lot designated for annual flowers (as shown on the landscaping plans approved by the ARC) on such Owner's Lot.

Section 4.7 **Construction Without Approval.** If (a) any Improvements are initiated, installed, maintained, altered, replaced or relocated on any Lot without ARC approval of the plans and specifications for the same or (b) the ARC shall determine that any approved plans and specifications for any Improvements or the approved landscaping plans for any Lot are not being complied with, then, in either event, the Owner of such Lot shall be deemed to have violated this Declaration and the ARC shall have the right to exercise any of the rights and remedies set forth in Section 4.11 below.

Section 4.8 **Inspection.** The ARC and any agent, employee or representative thereof may at any reasonable time and from time to time enter upon and inspect any Lot or any Improvements being constructed thereon in order to determine whether the approved plans and specifications therefore are being complied with. Any such entry shall not be deemed to be a trespass or any other wrongful act by the ARC.

Section 4.9 **Subsurface Conditions.** The approval of plans and specifications by the ARC for any Building or other Improvements on a Lot shall not be construed in any respect as a representation or warranty by the ARC or Developer to the Owner submitting such plans or to any of the successors or assigns of such Owner that the surface or subsurface conditions of such Lot are suitable for the construction of the Improvements contemplated by such plans and specifications. It shall be the sole responsibility of each Owner to determine the suitability and adequacy of the surface and subsurface conditions of any Lot for the construction of any contemplated Improvements thereon. Each Owner, for such Owner and all Occupants of any Improvements situated on the Lot owned by such Owner, does hereby irrevocably and unconditionally waive and release Developer the ARC, the Association and each agent, employee, representative, shareholder, partner, officer, director or the holder of any ownership or financial interest in any of the foregoing entities or committees (but specifically excluding a release of any members of the Association (which members also constitute Owners)), of and from any and all damage, loss, action, cause of action, liability, cost, expense or prejudice suffered, claimed, paid or incurred by any Owner or Occupant of such Owner's Lot or any buildings constructed thereon on account of the use of fill dirt or the possibility that underground mines, tunnels, sink holes and other subsurface conditions which may result in sinkholes or other types of ground subsidence exist on, upon or under any of the Lots.

Section 4.10 **Limitation of Liability.** Notwithstanding anything provided herein to the contrary, (a) neither Developer, the ARC, the Association, nor any agent, employee, representative, shareholder, partner, officer, director or the holder of any ownership or financial interest in any of the foregoing entities or committees (but specifically excluding a release of any members of the Association (which members also constitute Owners)) shall have any liability of any nature whatsoever for, and (b) each Owner, by acceptance of a deed to any Lot, does hereby irrevocably and unconditionally waive and release Developer, the ARC, the Association and each agent, employee, representative, shareholder, partner, officer, director, or the holder of any ownership or financial interest in any of the foregoing entities or committees (but specifically excluding a release of any members of the Association (which members also constitute Owners))

from, any and all damage, loss, action, cause of action, liability, cost, expense or prejudice suffered, claimed, paid or incurred by any Owner on account of (i) any defects in any plans and specifications submitted, reviewed or approved in accordance with the provisions of this Article IV, (ii) any defects, structural or otherwise, in any work done according to such plans and specifications, (iii) the failure of the ARC to approve or the disapproval of any plans, drawings, specifications or other data submitted by any Owner for approval pursuant to the provisions of this Article IV, (iv) the construction or performance of any work related to such plans, drawings and specifications, (v) bodily injuries (including death) to any Owner, Occupant or the respective family members, guests, employees, servants, agents, invitees or licensees of any such Owner or Occupant, or any damage to any Buildings, Improvements or the personal property of any Owner, Occupant or the respective guests, employees, servants, agents, invitees or licensees of such Owner or Occupant, which may be caused by, or arise as a result of, any defect, structural or otherwise, in any Buildings or Improvements or the plans and specifications therefore, or any past, present or future soil and/or subsurface conditions, known or unknown (including, without limitation, sinkholes, underground mines, tunnels and water channels and limestone formations on or under any Lot) and (vi) any other loss, claim, damage, liability or expense, including court costs and attorneys' fees, suffered, paid or incurred by any Owner arising out of or in connection with the use and occupancy of any Lot, or any Improvements situated thereon.

Section 4.11 **Enforcement and Remedies.** In the event any of the provisions of this Article IV are breached or are not otherwise being complied with in all respects by any Owner or Occupant or the respective guests, invitees, agents, employees or contractors of any Owner or Occupant, then the ARC and the Association shall each have the right, at their option, to (a) enjoin any further construction on any Lot and require the removal or correction of any work in place which does not comply with the plans and specifications approved by the ARC for such Improvements and/or (b) through their designated agents, employees, representatives and independent contractors, enter upon such Lot and take all action necessary to extinguish such violation or breach. All costs and expenses incurred by the ARC or the Association in enforcing any of the provisions of this Article IV including, without limitation, attorneys' fees, court costs, costs and expenses of witnesses, engineers, architects, designers, land planners and any other persons involved in the correction of nonconforming work, the completion of uncompleted work or in any judicial proceeding, together with any other costs or expenses incurred by the ARC or the Association in causing any Owner or such Owner's contractors, agents or invitees to comply with the terms and provisions of this Article IV, shall be paid by such Owner, shall constitute an Individual Assessment to such Owner pursuant to Section 6.3 below and, if the same is not paid when due, shall be subject to the lien provided for in Section 6.9 below and be subject to foreclosure as provided for therein. Notwithstanding anything provided herein to the contrary, the rights and remedies of the ARC and the Association set forth in this Section 4.11 shall not be deemed exclusive of any other rights and remedies which the ARC or the Association may exercise at law or in equity or any other rights and remedies specified in this Declaration.

Section 4.12 **Compliance Certification.** The ARC (or any authorized representative thereof) shall, upon request and at such reasonable charges as may from time to time be adopted by the Board, furnish to an Owner a certificate in writing setting forth whether all necessary ARC approvals have been obtained and whether any Building or other Improvements to a Lot have been constructed in accordance with the provisions of this Declaration.

Such Individual Assessment shall be levied by the Association and shall be specified in a notice to the Owner, which notice shall also specify the due date for payment of the same.

Section 6.4 **Annual Assessments.** The Association shall levy Annual Assessments in such amounts as are necessary to meet the Common Expenses (as defined in Article VII below) and such other recurring or projected expenses as the Board of Directors of the Association may deem appropriate. The Annual Assessment for the Subdivision shall commence on January 1 of each year, and shall be paid in advance. Each Lot Owner (other than Developer) will be required to prepay the Annual Assessment at the purchase of such Lot Owner's purchase of its Lot from

In addition to interest, any Assessments not paid by the due date for the same shall be subject to a late charge which the Board of Directors of the Association may from time to time establish. In the event any Assessments or other amounts due to the Association are not paid by any Owner when the same comes due, then, in addition to all other rights and remedies provided at law or in equity, the Association, acting through its Board of Directors or through any of its duly authorized officers or representatives, may undertake any of the following remedies:

(a) The Association may commence and maintain a suit at law against the Owner for a personal money judgment to enforce all such charges and obligations for Assessments and other amounts including the late charge and interest specified above as well as

2115845 v3

all attorneys' fees, court costs and all other costs and expenses paid or incurred by the Association in connection therewith; and/or

(b) The Association may enforce the lien created pursuant to Section 6.1 above as hereinafter provided. The lien created pursuant to Section 6.1 above shall secure the payment of any and all Assessments (Annual, Special, Initial, and Individual) levied against any Lot or Owner, all late charges and interest as provided above as well as all attorneys' fees, court costs and all other expenses paid or incurred by the Association in attempting to collect the Assessments and in maintaining any legal action in connection therewith. If any Assessments and other charges remain unpaid for more than sixty (60) days following the due date of the same, then the Association shall make written demand on the defaulting Owner, which demand shall state the date and amount of delinquency. If such delinquency is not paid in full within ten (10) days after the giving of such demand notice, then the Association may file a claim of lien against the Lot of such delinquent Owner, which claim shall be executed by any member of the Board of Directors of the Association or any officer of the Association and shall be filed for record in the Probate Office. The lien provided for herein shall be in favor of the Association and may be foreclosed in the same manner as a foreclosure of a mortgage on real property under the laws of the State of Alabama, and the foreclosing party, or its agent, may sell the Lot and the Building at a public sale before the door of the courthouse of the county or counties, as may be required, in which the Lot or any part of thereof is situated, after having first given notice of the time, place and terms of sale at least once a week for three (3) successive weeks preceding the date of such sale in some newspaper published in said county or counties, and after having given reasonable advance notice of the foreclosure sale to the Owner, any Mortgagee, and all other lienholders of record of the Lot. At any such sale, the foreclosing party may execute and deliver to the purchaser a deed and conveyance of the Lot. In the event of any sale under this Declaration by virtue of the exercise of the powers herein granted, or pursuant to any order in any judicial proceedings or otherwise, the Lot may be sold as an entirety and the Foreclosing Party in its sole discretion may elect to sell the personal property covered by this Declaration at one or more separate sales in any manner permitted by the Uniform Commercial Code of the state of Alabama, and one or more exercises of the powers herein granted shall not extinguish or exhaust such powers. If the lien granted herein is now or hereafter further secured by any chattel mortgages, pledges, contracts of guaranty, assignments of lease or other security instruments, then foreclosing party at its option may exhaust the remedies granted under any of said security instruments or this Declaration either concurrently or independently, and in such order as foreclosing party may determine. Said sale may be adjourned by foreclosing party, or its agent, and reset at a later date without additional publication; provided that an announcement to that effect is made at the scheduled place of sale at the time and on the date the sale is originally set. In the event of any sale of the Lot as authorized by this Section, all prerequisites of such sale shall be presumed to have been performed, and in any conveyance given hereunder all statements of facts, or other recitals therein made, as to the non payment or non performance by the Owner or as to the advertisement of sale, or the time, place and manner of sale, or as to any other fact or thing, shall be taken in all courts of law or equity as prima facie evidence that the facts so stated or recited are true. Additionally, any foreclosure sale or sale of all or any portion of the Lot under the power herein granted, foreclosing party may credit bid for and purchase the Lot if the highest bidder therefore, but all proceeds of such sale shall be applied: (a) first, to the expenses of such sale and of all proceedings in connection therewith, including fees and

expenses of foreclosing party's attorneys; (b) then to the repayment of the lien granted herein; and (c) finally the remainder, if any, shall be paid to such parties as are legally entitled to it, after deducting any expenses incurred in ascertaining the identity of such parties, or as may otherwise be provided by law. The Association shall have the right and power to bid at any such foreclosure sale and to purchase, acquire, hold, lease, mortgage, convey and sell any such Lot purchased at any such foreclosure proceeding. Each Owner, by acceptance of a deed to any Lot, shall be deemed to (i) grant and vest in the Association and/or its agents the right and power to exercise the power of sale granted herein and foreclose the lien created herein, (ii) grant and vest in the Association and/or its agents the right and power to bring all actions against such Owner personally for the collection of all amount due from such Owner, (iii) expressly waive any objection to the enforcement in foreclosure of the lien created herein and (iv) expressly waive the defense of the statute of limitations which may be applicable to the commencement of any suit or action for foreclosure. No Owner (other than Developer) may waive or otherwise be exempt from the liability to pay the Assessments provided herein.

Section 6.10 **Lien Subordinate to Mortgages.** The lien for Assessments and other charges provided for herein with respect to any Lot shall be subordinate to the lien of any first Mortgage encumbering such Lot. No Mortgagee shall be required to collect Assessments on behalf of any Owner. The sale or transfer of any Lot shall not affect any lien retained by the Association on a Lot.

Section 6.11 **Damages.** In addition to the rights and remedies set forth above, if any Owner or Occupant (or any Owner's or Occupant's contractor, family members, guests or invitees) shall violate or attempt to violate any provisions of this Declaration set forth herein, then Developer, the Association or the ARC, or any Member thereof, jointly and severally, shall each have the right to prosecute proceedings at law for the recovery of damages against such Owner as a result of such violations or maintain a proceeding in equity against such Owner to enjoin such violation; provided, however, that the rights and remedies set forth herein shall be deemed to be cumulative of all other rights and remedies available at law or in equity. In any such proceedings, Developer, the Association or the ARC, jointly and severally, shall be entitled to recover all costs and expenses, including reasonable attorneys' fees, incurred by any of them in such proceedings, as well as interest on all unpaid amounts as specified in Section 6.9(b) above. The failure of Developer, the Association or the ARC to institute proceedings for any one (1) or more violations of this Declaration shall not constitute approval of the same or be construed as a waiver of any right of action contained herein for past or future violations of said covenants and restrictions.

Section 6.12 **Exempt Property.** The Board shall have the right to exempt any portion of the Property from the Assessment and liens created herein provided that such part of the Property exempted is used (and as long as it is used) for any of the following purposes:

- (a) As an easement or other interest therein dedicated and accepted by the local public authority and devoted to public use;
- (b) As a Common Area; or

(b) In the event a Building on any Lot within the Property is damaged or destroyed in whole or in part, the Owner shall be obligated to repair or replace said structure within one (1) year from the date of such damage or destruction and such repair or replacement of such structure shall be in accordance with the covenants and restriction set forth in this Declaration. Further, all debris resulting from such damage or destruction must be removed and the Lot restored to a sightly condition with reasonable promptness, but not later than ninety (90) days after such damage or destruction.

Section 12.6 **Severability.** Invalidity of any provision or provisions hereof by judgment or court order shall in no way affect any other provisions, all of which shall remain in full force and effect.

Section 12.7 **Governing Law.** Should any dispute or litigation arise between any of the parties whose rights or duties are affected or determined by this Declaration as the same may be amended from time to time, said dispute or litigation shall be governed by the laws of the State of Alabama.

Section 12.9 **Usage.** Whenever used herein the singular shall include the plural and the singular, and the use of any gender shall include all genders.

Section 12.11 **Effective Date.** This Declaration shall become effective upon its recordation in the Probate Office.

ARTICLE XIII DISPUTE RESOLUTION

Section 13.1 **Agreement to Resolve Disputes Without Litigation.**

(a) The Developer, the Association and its officers, directors, and committee members, all Lot Owners, all persons subject to this Declaration, and any person not otherwise subject to this Declaration who agrees to submit to this Article (collectively, "Bound Party"), agree that it is in the best interest of all concerned to resolve disputes involving the Subdivision, the Association and/or the Owners without the emotional and financial costs of litigation. Accordingly, each Bound Party agrees not to file suit in any court with respect to a Claim (hereinafter defined), and to submit such Claim to the alternative dispute resolution procedures set forth in Section 13.2 in a good faith effort to resolve such Claim.

(b) As used in this Article, the term "Claim" shall refer to any claim, grievance or dispute arising out of or relating to:

(i) the interpretation, application, or enforcement of the Subdivision Documents; or

(ii) the rights, obligations and duties of any Bound Party under the Declaration or related agreement;

(iii) except that the following shall not be considered "Claims" unless all parties to the matter otherwise agree to submit the matter to the procedures set forth in Section 13.2:

(A) any suit by the Association to collect assessments or other amounts due from any Owner;

(B) any suit by the Association to obtain a temporary restraining order (or emergency equitable relief) and such ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association's ability to enforce the provisions of this Declaration;

(C) any suit between Owners, which does not include Developer or the Association as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Declaration or the Articles of Incorporation;

(D) any suit in which any indispensable party is not a Bound Party, other than the construction contractor or subcontractors, sales agent or broker or the Subdivision architect or engineer; or

(E) any suit as to which any applicable statute of limitations would expire within one hundred eighty (180) days of giving the Notice required by Section 13.2(a), unless the party or parties against whom the Claim is made agree to toll the statute of limitations as to such Claim for such period as may reasonably be necessary to comply with this Article.

Section 13.2 **Dispute Resolution Procedures.**

(a) Notice. The Bound Party asserting a Claim ("Claimant") against another Bound Party ("Respondent") shall give written notice ("Notice") to each Respondent and to the Board stating plainly and concisely:

(i) the nature of the Claim, including the persons involved and the Respondent's role in the Claim;

(ii) the legal basis of the Claim (i.e., the specific authority out of which the Claim arises);

(iii) the Claimant's proposed resolution or remedy; and

(iv) the Claimant's desire to meet with the Respondent to discuss in good faith ways to resolve the Claim.

(b) Negotiation. The Claimant and Respondent shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Board may appoint a representative to assist the parties in negotiating a resolution of the Claim.

(c) Mediation. If the parties have not resolved the Claim through negotiation within thirty (30) days of the date of the Notice described in Section 13.2(a) (or within such other period as the parties may agree upon), the Claimant shall have thirty (30) additional days to submit the Claim to mediation with an entity designated by the Association (if the Association is not a party to the Claim) or to an independent agency or individual providing dispute resolution services in the State of Alabama selected by both sides if the Association is a party. If the Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation when scheduled, the Claimant shall be deemed to have waived the Claim, and the Respondent shall be relieved of any and all liability to the Claimant (but not third parties) on account of such Claim. If the parties do not settle the Claim within thirty (30) days after submission of the matter to mediation, or within such time as determined reasonable by the mediator, the mediator shall issue a notice of termination of the mediation proceedings indicating that the parties are at an impasse and the date that mediation was terminated. The Claimant shall thereafter be required to initiate arbitration proceedings on the Claim, as set forth in Section 13.2(e) below. Each party shall bear its own costs of the mediation, including attorneys' fees, and each party shall share equally all fees charged by the mediator.

(d) Settlement. Any settlement of the Claim through negotiation or mediation shall be documented in writing and signed by the parties. If any party thereafter fails to abide by the terms of such agreement, then any other party may file suit or initiate administrative proceedings to enforce such agreement without the need to again comply with the procedures set forth in this Section. In such event, the party taking action to enforce the agreement or award shall, upon prevailing, be entitled to recover from the non-complying party (or if more than one non-complying party, from all such parties in equal proportions) all costs incurred in enforcing such agreement or award, including, without limitation, attorneys' fees and court costs.

(e) Arbitration; No Trial by Jury. All Claims, Disputes or other matters in question arising out of, or relating in any way to the Subdivision or the breach of contract between the Bound Parties that are not resolved by negotiation or mediation shall be resolved by binding arbitration by a single arbitrator in Birmingham, Alabama in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect. EACH PARTY ACKNOWLEDGES THAT HE OR SHE IS KNOWINGLY WAIVING THE RIGHT TO A TRIAL BY JURY RELATING TO ALL CLAIMS. All disputes concerning the arbitrability of any Claim or the enforceability or scope of this provision shall be subject to the same binding arbitration. The parties shall bear equally the cost of the arbitrator, and each party shall otherwise bear their own costs; provided, the arbitrator shall have the authority to award costs as a part of this award to the extent authorized by applicable law. The arbitrator shall follow the law applicable to any Claim and shall be empowered to award any damages or other relief which would be available under the law applicable to any such Claim. The determination of the arbitrator shall be final, binding on the parties, and non-appealable and may be entered in any court of competent jurisdiction to enforce it. The parties acknowledge and agree that the

transactions contemplated by, and relating to, the Subdivision, which may include the use of materials and components which are obtained from out-of-state and which otherwise include the use of interstate mails, roadways and commerce, involve interstate commerce, as that term is defined in the Federal Arbitration Act, 9 U.S.C. § 2.

Section 13.3 **Initiation of Litigation by Association.** In addition to compliance with the foregoing alternative dispute resolution procedures, if applicable, the Association shall not initiate any judicial or administrative proceedings unless first approved by a vote of the Members entitled to cast seventy-five percent (75%) of the votes in the Association, except that no such approval shall be required for actions or proceedings:

- (a) initiated during the period that the Developer controls the Association;
- (b) initiated to enforce the provisions of this Declaration, including, but not limited to, collection of assessments and foreclosure of liens;
- (c) initiated to challenge property taxation or condemnation proceedings;
- (d) initiated against any contractor, vendor, or supplier of goods or services arising out of a contract for services or supplies; or
- (e) to defend claims filed against the Association or to assert counterclaims in proceedings instituted against it.

This Section 14.03 shall not be amended unless such amendment is approved by the same percentage of votes necessary to institute proceedings.

Section 13.4 **Developer's Right to Cure Alleged Defects.** Due to the complex nature of construction and the subjectivity involved in evaluating quality of construction, disputes may arise as to whether a defect exists and the Developer's responsibility therefor. It is the Developer's intent to resolve all disputes and claims regarding any Alleged Defect (as defined below) amicably, and without the necessity of time-consuming and costly litigation. Accordingly, the Association and all Lot Owners shall be bound by the following claim resolution procedure with respect to Alleged Defects:

(a) **Developer's Right to Cure.** In the event that the Association, Board or any Lot Owner or Lot Owners (a "Complaining Party") claim, contend or allege that any portion of the Subdivision, including, without limitation, the Common Areas, any Lot, and/or any Improvements constructed on the Property, are defective or that the Developer or its agents, consultants, contractors or subcontractors (collectively, the "Developer's Agents") were negligent in the planning, design, engineering, grading, construction or other development thereof (collectively an "Alleged Defect"), the Developer hereby reserves the right to inspect, repair and/or replace such Alleged Defect as set forth herein.

(b) **Notice to Developer.** In the event that a Complaining Party discovers any Alleged Defect, such Complaining Party shall, within a reasonable time after discovery, notify the Developer, in writing, at such address as the Developer may from time to time provide to the

Association, or such other address at which the Developer maintains its principal place of business, of the specific nature of such Alleged Defect ("Notice of Alleged Defect").

(c) Right to Enter, Inspect, Repair and/or Replace. Within a reasonable time after the receipt by Developer of a Notice of Alleged Defect or the independent discovery of any Alleged Defect by the Developer, the Developer shall have the right, upon reasonable notice to the Complaining Party and during normal business hours, to enter onto or into, as applicable, the Common Areas, any Lot, and/or any Improvements or other portion of the Property for the purposes of inspecting and, if deemed necessary by the Developer, repairing and/or replacing such Alleged Defect. In conducting such inspection, repairs and/or replacement, the Developer shall be entitled to take any actions as it shall deem reasonable and necessary under the circumstances.

(d) Legal Actions. No Complaining Party shall initiate legal action or dispute resolution procedures as set forth above against the Developer alleging damages (1) for the costs of repairing or the replacement of any Alleged Defect, (2) for the diminution in value of any real or personal property resulting from such Alleged Defect, or (3) for any consequential damages resulting from such Alleged Defect, unless and until the Complaining Party has (i) delivered to the Developer a Notice of Alleged Defect and (ii) the Developer has, within ninety (90) days after its receipt of such Notice of Alleged Defect, either (a) failed to repair or replace such Alleged Defect or (b) if such Alleged Defect cannot reasonably be repaired or replaced within such ninety (90) day period, failed to commence such repair or replacement of the Alleged Defect and, thereafter, failed to pursue diligently such repair or replacement to completion.

(e) No Additional Obligations; Irrevocability and Waiver of Right. Nothing set forth in this Paragraph 13.4 shall be construed to impose any obligation on the Developer to inspect, repair, or replace or pay for any item or Alleged Defect for which the Developer is not otherwise obligated to do under applicable law, the Limited Warranty, or other agreement to which the Developer is a party. The right of the Developer to enter, inspect, repair and/or replace reserved hereby shall be irrevocable and may not be waived or otherwise terminated except by a writing, in recordable form, executed and recorded by the Developer in the Office of the Judge of Probate of Shelby County, Alabama. This provision does not create any warranties, express or implied, on the part of the Developer or the Association.

(f) Arbitration. Any disagreement between an Owner, Owners, the Board, and/or the Association, on the one hand, and the Developer on the other, concerning Developer's efforts to remedy or repair any Alleged Defect (a "Dispute"), after compliance with the foregoing provisions of this Section 14.04, shall be resolved by binding arbitration by a single arbitrator conducted in Birmingham, Alabama in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association then in effect. **EACH PARTY ACKNOWLEDGES THAT HE OR SHE IS KNOWINGLY WAIVING THE RIGHT TO A TRIAL BY JURY RELATING TO ALL CLAIMS.** Without limiting the foregoing, it is expressly agreed that this agreement to arbitrate also covers any and all claims that the Lot Owner may assert against the construction contractor(s) and/or design-builder(s) for the Subdivision, and its/their subcontractors, sub-consultants and affiliates (sometimes herein referred to as "Contractor Parties") or the

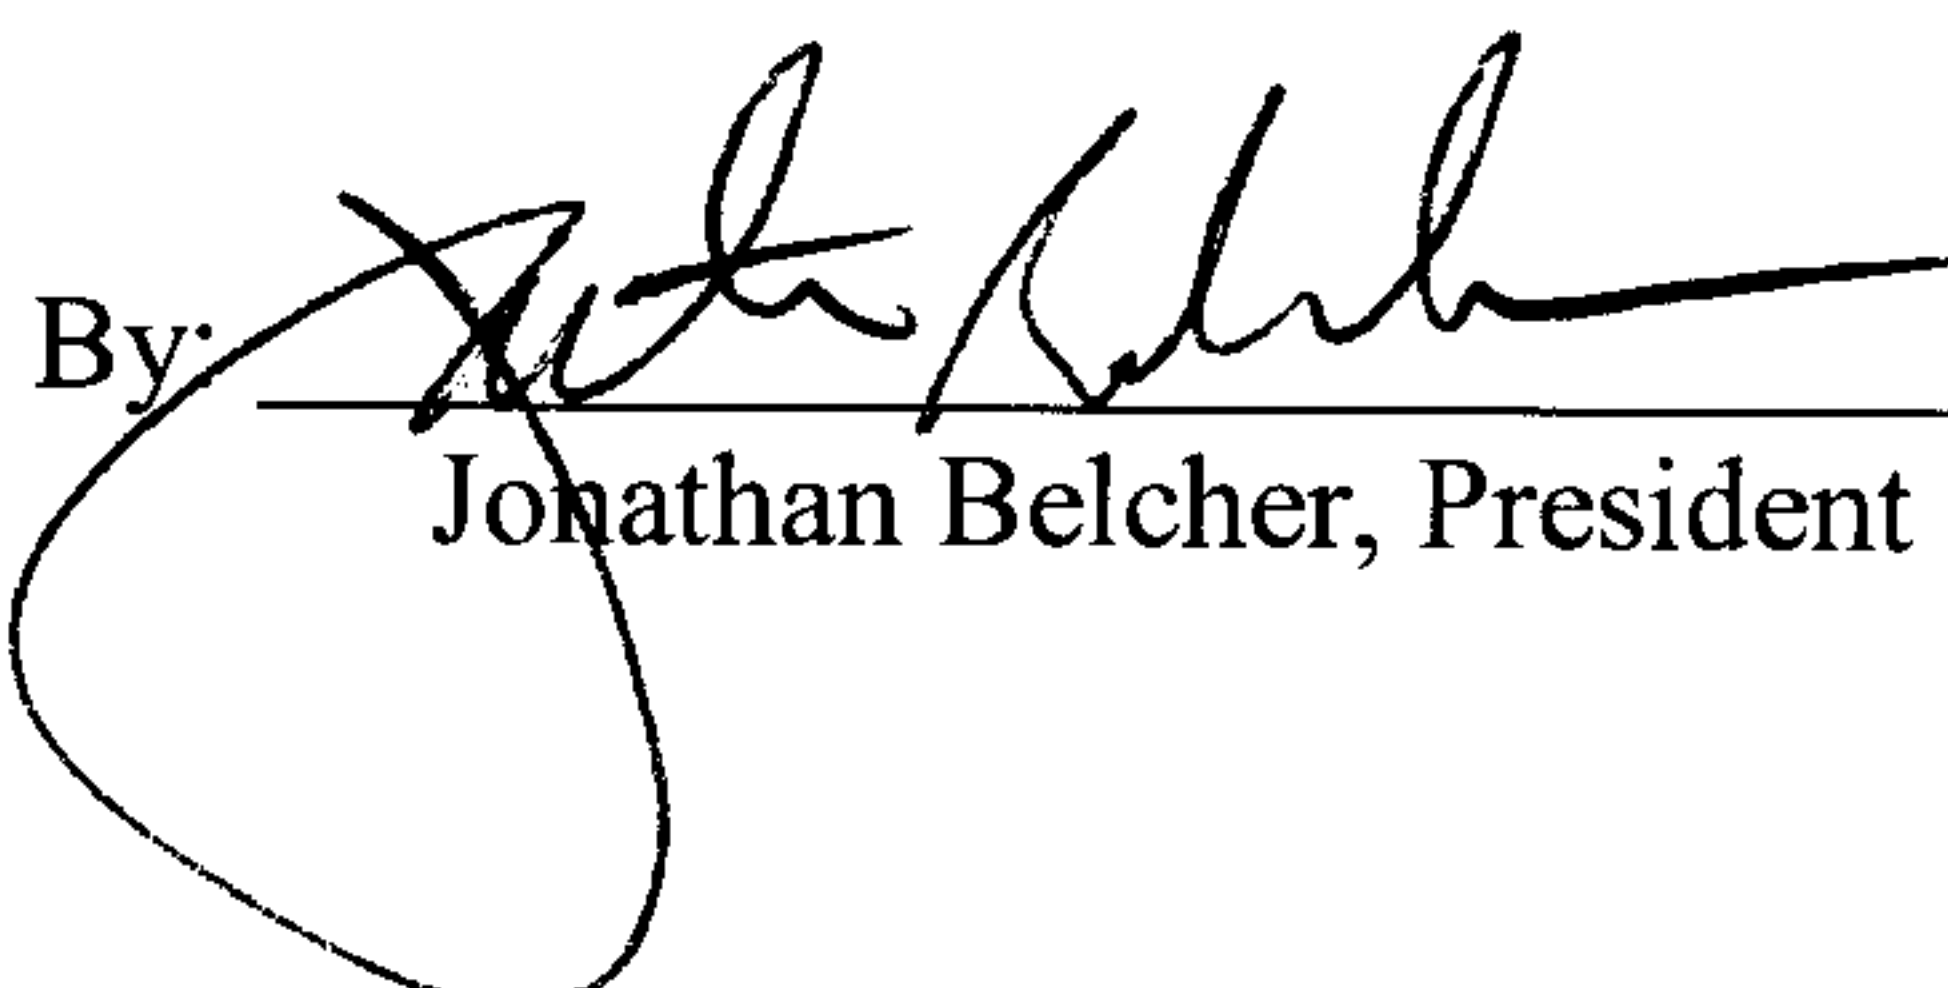

Developer. At the option of the Developer, any other person or entity with whom or which the Developer has an agreement for binding arbitration may be joined in an arbitration proceeding hereunder. The award rendered by the arbitrators shall be a reasoned award and shall be final and binding upon the parties to the arbitration, and judgment upon the award may be entered in any court having jurisdiction over any of the parties thereto. Arbitration proceedings pertaining to a Dispute shall be transcribed verbatim by a competent court reporting company selected by the American Arbitration Association. The initial fee of the American Arbitration Association shall be borne by the party initiating the Dispute, and all other costs of the arbitration, including the costs and fees of the arbitrators, and the expense of transcription, shall be borne in equal shares by (a) the Owner or Owners and/or Association, (b) Developer, and (c) any Contractor Parties and/or other parties to the arbitration joined. Notwithstanding anything herein to the contrary, the respective parties to the arbitration shall each be responsible for their own costs incurred in the arbitration with respect to third party expenses, including but not limited to, costs of discovery, attorneys' fees, accountants' fees, investigation expenses, and experts' fees.
