In no event shall the ARC be obligated to approve any such encroachments into the Lake Buffer Area or the Lake.

### 3.10 NO IMPLIED EASEMENTS; LIMITATION ON ACCESS TO LAKE BUFFER AREAS AND LAKE LOTS.

- (a) No easements for light, air or view are created in favor of any Lot or any Building situated on any Lot and no such easements shall be implied from any of the terms and provisions of this Declaration.
- (b) Although all Owners and Occupants shall have the right to use and enjoy the Lake subject to compliance with the Rules and Regulations, only the Owner of a Lake Lot and such Owner's Occupants shall be entitled to access the Lake from the Lake Buffer Area within the Lake Lot of such Owner. Within the Common Areas, Developer and the Association shall have the right to construct Recreational Facilities for use by all Owners and Occupants subject to compliance with the Rules and Regulations. No Owner or Occupant shall have the right to enter upon or use the Lake Buffer Area or Lake Lot of another Owner.

### ARTICLE IV ASSOCIATION

4.01 MEMBERSHIP. The Owner of each Lot shall be a member of the Association. For purposes of determining membership in the Association, only one (1) membership in the Association shall be allowed per each Lot, regardless of the number of Buildings situated on any Lot. Membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot; provided, however, that (a) Developer shall be deemed a member of the Association and shall have one (1) vote for each Lot within the Property owned by Developer, (b) in the event any Lot is owned by more than one (1) person, then the Owner of such Lot shall, by written notice to the Board, designate only one (1) representative to serve as a member of the Association, which representative shall exercise all voting rights attributable to the Lot owned by such Owner and (c) no Mortgagee shall become a member of the Association until such time, if at all, that the Mortgagee becomes an Owner by virtue of foreclosure of its Mortgage and title to such encumbered Lot is vested in Mortgagee pursuant to a duly recorded deed. The transfer or conveyance of

fee title to any Lot (other than by a Mortgage as security for the payment of an obligation), shall automatically include the transfer of all membership rights of such Owner in the Association with respect to the Lot transferred and conveyed, notwithstanding any failure of the transferor to endorse to his transferee any certificates, assignments or other evidence of such membership. Membership in, or the rights and benefits of, the Association may not be transferred, assigned, conveyed or otherwise alienated in any manner separately and apart from the ownership of a Lot. Each member of the Association shall at all times comply with the provisions of this Declaration, the Certificate of Formation, the Bylaws and all Rules and Regulations which may from time to time be adopted by the Board or the members of the Association.

4.02 <u>BOARD</u>. The Board shall have the rights and duties set forth in the Certificate of Formation and the Bylaws. Developer hereby retains and shall have the sole and exclusive right to appoint and remove, with or without cause, any and all members of the Board and any and all officers of the Association until the occurrence of the Turnover Date. From and after the Turnover Date, the number of members of the Board shall increase to five (5) and the Owners shall have the exclusive right to appoint and remove all five (5) members of the Board in accordance with the terms and provisions of the Bylaws. As used throughout this Declaration, all actions required or permitted to be taken by the Association shall, unless otherwise expressly provided herein to the contrary, be by the majority vote of the members of the Board. Each Owner, by acceptance of a deed to a Lot, vests in Developer the sole and absolute authority to appoint and remove all of the members of the Board and all of the officers of the Association until the occurrence of the Turnover Date.

#### 4.03 **VOTING RIGHTS.**

- (a) Notwithstanding anything provided to the contrary in this Declaration, the Certificate of Formation or the Bylaws, Developer shall, subject to the remaining terms and provisions of this Section 4.03(a), have the sole and exclusive right to exercise all voting rights in the Association until the Turnover Date; provided, however, that (i) any Special Assessments must be approved by the Owners in accordance with the terms and provisions of Section 8.04 below and (ii) certain amendments to this Declaration are subject to the terms and provisions of Section 10.02 below. Each Owner, by acceptance of a deed to any Lot, shall be deemed to have irrevocably and unconditionally agreed to the foregoing terms and provisions of this Declaration and shall further be deemed to waive any and all voting rights in the Association prior to the Turnover Date other than as specifically set forth in Sections 8.04 and 10.02 hereof.
- (b) With respect to those two (2) matters described in Section 4.03(a) above which must be approved or voted on by the Owners prior to the occurrence of the Turnover Date and at all times following the Turnover Date, the Owner of each Lot who is "in good standing", as defined in the Bylaws, shall be entitled to one (1) vote in any matter submitted to the members of the Association for approval. No Owner, whether one or more persons, shall have more than one membership and one vote per Lot owned and, to the extent any Lot contains more than one Building, then such Lot shall be entitled to only one (1) vote regardless of the number of Buildings situated on such Lot. Such voting rights shall continue to apply to each Lot upon the addition of any of the Additional Property to this Declaration. Only those Owners who hold legal title to a Lot shall be entitled to vote on any matter submitted to the members of the Association for approval. For purposes of this Section 4.03, at all times prior to and after the Turnover Date, Developer shall be deemed the Owner of, and entitled to, all voting rights attributable to any Lots owned by Developer.
- (c) Each Owner, by acceptance of a deed to a Lot, consents and agrees to the dilution of his or her voting interest in the Association by virtue of the resubdivision of any Lot by Developer pursuant to Section 2.07 above or the submission of any Additional Property to the terms of this Declaration.

In no event, whether as a result of there being multiple ownership interests in any Lot or otherwise, shall more than one vote be allowed for any one Lot. Fractional voting shall not be permitted.

(d) Notwithstanding anything provided herein to the contrary, the Association shall have the right to suspend any Owner's voting rights or privileges in the Association pursuant to the terms and provisions of Section 11.01 below. To the extent any Owner is not "in good standing", as defined in the Bylaws, then the voting rights of such Owner shall be suspended and shall not be counted or included in determining whether a quorum is present or whether the applicable number of votes have been cast in any vote of the Owners, as more particularly described and provided in the Bylaws.

#### 4.04 DUTIES AND POWERS OF ASSOCIATION.

- (a) In addition to the rights, duties, responsibilities and obligations of the Association otherwise set forth in this Declaration, the Association shall have the power to do, cause to be done and otherwise perform or cause to be performed any of the duties and powers set forth in the Certificate of Formation and the Bylaws. The Association may exercise any other right or privilege granted to it expressly by this Declaration or by law, together with every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege. The powers and authority granted herein and in the Certificate of Formation and Bylaws of the Association may be exercised by the Board, acting through the officers of the Association, without further consent or action on the part of the Owners. Subject to the conditions, restrictions and other provisions of this Declaration, all agreements, actions and determinations lawfully authorized by the Board shall be binding upon all Owners, their heirs, executors, personal representatives, administrators, successors and assigns and all others having any interest in the Property.
- In performing its responsibilities hereunder, the Association, through the Board, (b) shall have the right and authority to delegate to such persons of its choice, including third party management companies which may be Affiliates of Developer, such duties of the Association as may be determined by the Board. In furtherance of the foregoing and not in limitation thereof, the Association may obtain and pay for the services of any person or entity to manage its affairs or any part thereof, to the extent it deems advisable, as well as such other personnel as the Association shall deem necessary or desirable for the proper operation of any portion of the Common Areas, whether such personnel are furnished or employed directly by the Association or by independent contract with the Association. All costs and expenses incident to the employment of a manager of the Association or any of the Common Areas shall be part of the Common Expenses. During the term of any such management agreement entered into by the Association with a third party, such manager may, if authorized by the Board, exercise all the powers and shall be responsible for the performance of all of the duties of the Association, excepting any of such powers or duties specifically reserved to the Board or the officers of the Association by this Declaration, the Certificate of Formation or the Bylaws. Such manager may be any Person and may be bonded in such manner as the Board may require, with the cost of such bond to be part of the Common Expenses. In addition to the foregoing, the Association may pay for and the Board may hire and contract for such legal, accounting and other professional services as are necessary or desirable in connection with the administration and operation of the Property and the Association or the enforcement of this Declaration, the Certificate of Formation, the Bylaws, the Architectural Standards or the Rules and Regulations of the Association.
- 4.05 <u>MEETINGS OF MEMBERS OF ASSOCIATION</u>. Annual and special meetings of the Owners (members of the Association) shall be held in accordance with the terms and provisions of the Bylaws.

The Amenity Fee charged by the Association to the first Purchaser of a Lot may be greater than or less than the fee charged to any subsequent Owners of such Lot. The amount of the Amenity Fee shall be determined (and shall be subject to change from time to time) by the Board, in its sole and absolute discretion;
  - (ii) Subject to the provisions of Section 4.06(a)(iv) below, all Amenity Fees collected by the Association shall be utilized by the Association to pay for (1) the costs of constructing, installing, obtaining and providing the Recreational Facilities which the Association determines, in its sole and absolute discretion, to construct, install, obtain or provide for the benefit of the Owners, (2) any other costs and expenses incurred by the Association in connection with the operation, use, maintenance, repair, upkeep and replacement of any Recreational Facilities and (3) any of the other uses or purposes specified or authorized in this Section 4.06(a);
  - (iii) The Association, acting through the Board, shall determine both the time(s) at which any Recreational Facilities will be constructed and what types of Recreational Facilities will be constructed. Neither Developer nor the Association makes any representations or warranties concerning what the Recreational Facilities will consist of or when any Recreational Facilities will be constructed or completed by the Association. All decisions concerning whether the Association will undertake the construction or installation of any Recreational Facilities, the determination and collection of Amenity Fees, what the Recreational Facilities will consist of and when construction of any of the Recreational Facilities will be commenced or completed, will be made by the Board;
  - (iv) All Amenity Fees collected by the Association shall be retained by the Association in a separate account, separate and apart from the other funds of the Association.     - (3) Third, to establish reserves for future Recreational Facilities or for the alteration, improvement, operation, use, maintenance, repair, upkeep and replacement of the Recreational Facilities;

- (4) Fourth, The Board may, in its sole discretion, elect to use the Amenity Fees to pay any Common Expenses incurred by the Association from to time; and
- (5) Fifth, the Board may, in its sole discretion, elect to apply any portion of the Amenity Fees then held by the Association as a credit against any subsequent years' Annual Assessments due and payable by any Owners;
- (v) The costs and expenses of operating, maintaining and repairing any of the Recreational Facilities shall constitute Common Expenses which shall be paid by the Owners through the payment of Annual Assessments in the manner provided in Section 8.03 below; and
- (vi) The Association may engage Developer to construct the Recreational Amenities, in which event the Amenity Fees shall be paid to Developer for the costs incurred by Developer (including any costs incurred by Developer in constructing the Recreational Amenities which have not been previously reimbursed to Developer) to construct, install, and furnish the Recreational Facilities.
- (b) The Amenity Fees shall constitute Individual Assessments which, if not timely paid to the Association by any Owner, shall be enforceable by the Association in the manner set forth in Article VIII below.
- (c) The Association may elect to suspend the collection of Amenity Fees at any time and may exempt any Lots or Dwellings from the payment of Amenity Fees at any time.
- (d) The Board, shall have the right, from time to time, to adopt as part of the Rules and Regulations additional rules and regulations for the use of any of the Recreational Facilities, including, without limitation: authorizing third parties who are not Owners to utilize any of the Recreational Facilities on such terms as the Board may, in its sole and absolute discretion, determine; adopting limitations or restrictions on the number of (and frequency of use by) guests of Owners who may use the Recreational Facilities; limiting the use of certain of the Recreational Facilities only to the Owners and immediate family members of any Owners; establishing hours and days that the Recreational Facilities will be open and available for use; requiring an Owner to be responsible for any damages to the Recreational Facilities caused by such Owner or such Owner's family members or guests; and such other rules and regulations which the Board may from time to time adopt, including, without limitation, adopting rules and regulations for use of the Recreational Facilities for private parties sponsored by an Owner and establishing fees and charges for such private parties.
- (e) The obligations of all Owners to pay Amenity Fees and any other fees, costs and expenses described in Sections 4.06(a) and 4.06(b) above below shall be mandatory as to all Owners and no Owner shall have the right or option to not pay any such fees or expenses even if such Owner does not utilize any of the Recreational Facilities provided for use by all Owners.
- 4.07 MANAGEMENT BY DEVELOPER OR ITS AFFILIATES. Developer or any of Developer's Affiliates may be employed as the manager of the Association and for the Property until the Turnover Date at such compensation and on such terms as would be usual, customary and obtainable in an arms-length transaction with any third party providing comparable services for any real estate development in the southeastern United States of the size, quality and nature of Blackridge.

- 4.08 INTERESTED TRANSACTIONS. The Association may obtain materials or services from Developer or any of its Affiliates in connection with the management of the Association or any part of the Common Areas as herein contemplated; provided that the compensation for such materials or services is, in the opinion of the Board, comparable with the compensation of any non-affiliated third party providing similar materials or services which can be reasonably made available to the Association.
- **INDEMNIFICATION.** The Association shall and does hereby indemnify, defend and agree 4.09 to hold each and every member of the Board and each and every officer, agent, employee and representative (including any person designated by the Board to serve as a committee member on any committee established by the Board) of the Association harmless from and against any and all expenses, including court costs and reasonable attorneys' fees, suffered, paid or incurred by any of them in connection with any action, suit or other proceeding, including the settlement of any suit or proceeding to which such person may be made a party by reason of being or having been a member of the Board or an officer, agent, employee or representative (including any person designated by the Board to serve as a committee member on any committee established by the Board) of the Association. The members of the Board and the officers, agents, employees and representatives of the Association (including any person designated by the Board to serve as a committee member on any committee established by the Board) shall not be liable for any mistake in judgment, negligence or otherwise except for their own willful misconduct or reckless disregard of duty, as finally determined by a court of competent jurisdiction. The indemnification obligations and rights provided for herein shall not be exclusive of any other rights to which any member of the Board or any officer, agent, employee or representative of the Association (including any person designated by the Board to serve as a committee member on any committee established by the Board) may be entitled, including anything provided to the contrary in the Certificate of Formation or the Bylaws. The Association shall maintain adequate general liability and, to the extent financially feasible, officers' and directors' liability insurance in order to fulfill its obligations under this Section 4.09 and the costs of such insurance shall constitute a Common Expense.

Any person appointed as a member of the ARC by Developer may be removed, with or without cause, at any time by Developer. The ARC is authorized to retain the services of consulting architects, landscape architects, designers, engineers, inspectors and/or attorneys in order to advise and assist the ARC in performing its functions set forth herein. Any such costs and expenses incurred by the ARC which are not paid by Owners as part of the plan review fee established from time to time by the ARC shall constitute Common Expenses. IN ORDER TO PRESERVE THE ARCHITECTURAL AND AESTHETIC APPEARANCE AND THE NATURAL SETTING AND BEAUTY OF THE PROPERTY, TO ESTABLISH AND PRESERVE A HARMONIOUS DESIGN FOR THE PROPERTY AND TO PROTECT AND PROMOTE THE VALUE OF THE PROPERTY, THE LOTS, THE BUILDINGS AND ALL IMPROVEMENTS THEREON, NO IMPROVEMENTS OF ANY NATURE SHALL BE COMMENCED, ERECTED, INSTALLED, PLACED, MOVED ONTO, ALTERED, REPLACED, RELOCATED, PERMITTED TO REMAIN ON OR MAINTAINED ON ANY LOT OTHER THAN BY DEVELOPER, WHICH AFFECT THE EXTERIOR APPEARANCE OF ANY LOT UNLESS PLANS AND SPECIFICATIONS THEREFORE HAVE BEEN SUBMITTED TO AND APPROVED BY THE ARC IN ACCORDANCE WITH THE TERMS AND PROVISIONS OF SECTION 5.05(b) BELOW. WITHOUT LIMITING THE FOREGOING, THE CONSTRUCTION AND INSTALLATION OF ANY BUILDINGS, SIDEWALKS, DRIVEWAYS, PARKING LOTS, MAILBOXES, DECKS, PATIOS, COURTYARDS, SWIMMING POOLS, TENNIS COURTS, GREENHOUSES, PLAYHOUSES, PLAY EQUIPMENT, AWNINGS, WEATHER VANES, WALLS, FENCES, EXTERIOR LIGHTS, GARAGES, GUEST OR SERVANT'S QUARTERS, GARAGES OR ANY OTHER OUTBUILDINGS OR IMPROVEMENTS, SHALL NOT BE UNDERTAKEN, NOR SHALL ANY EXTERIOR ADDITION TO OR CHANGE OR ALTERATION TO AN EXISTING BUILDING, GARAGE OR OTHER STRUCTURE ON A LOT BE MADE (INCLUDING, WITHOUT LIMITATION, PAINTING OR STAINING OF ANY EXTERIOR SURFACE), UNLESS THE PLANS AND SPECIFICATIONS FOR THE SAME HAVE BEEN SUBMITTED TO AND APPROVED BY THE ARC IN ACCORDANCE WITH THE TERMS AND PROVISIONS OF <u>SECTION 5.05(b)</u> BELOW. - (b) The ARC is hereby authorized and empowered to approve all plans and specifications and the construction of all Buildings and other Improvements on any part of the Property, including, specifically, all Common Areas but specifically excluding any and all of those areas of the Property being developed by Developer for which no ARC approval shall be required. Prior to the commencement of any Building or other Improvements on any Lot, the Owner thereof shall submit to the ARC two (2) copies of the plans and specifications and related data for all such Improvements, which shall include the following:
  - (i) An accurately drawn and dimensional plot plan showing all setbacks, easements, drives, and walkways and their relation to the boundaries of any Lot;
  - (ii) A foundation plan, floor plan, landscape plan, and exterior elevations of the Buildings as they will actually appear after all back-filling and landscaping is done from finished-ground up;
  - (iii) A specifications list of proposed materials and samples of exterior materials and colors which cannot be adequately described on the plans, and of materials with which the ARC is unfamiliar;
  - (iv) The name and address of the Owner's contractor who will construct any Building or other Improvements on the Lot; and
  - (v) The ARC may also require such additional information as reasonably may be necessary for the ARC to evaluate completely the proposed structure or improvement in accordance with this Declaration. All information submitted to the ARC shall be delivered to such address as may be established by the ARC from time to time.
- The ARC shall, in its sole and absolute discretion, determine whether the plans and specifications and other data submitted by any Owner for approval are acceptable. The ARC shall have the right to disapprove any plans and specifications upon any ground which is consistent with the objectives and purposes of this Declaration, including purely aesthetic considerations, any failure to comply with any of the provisions of this Declaration or the Architectural Standards, failure to provide requested information, objection to exterior design, appearance or materials, objection on the ground of incompatibility of any such proposed improvement with the scheme of development proposed for the Property, objection to the location of any proposed Improvements on any such Lot, objection to the landscaping plan for such Lot, objection to the color scheme, finish, proportions, style of architecture, height, bulk or appropriateness of any Improvement or any other matter which, in the sole and absolute judgment of the ARC, would render the proposed Improvement inharmonious with the general plan of development contemplated for Blackridge. The ARC shall have the right to approve any submitted plans and specifications with conditions or stipulations by which the Owner of such Lot shall be obligated to comply and must be incorporated into the plans and specifications for such Improvements. Approval of plans and specifications by the ARC for Improvements to one particular Lot shall not be deemed an approval or otherwise obligate the ARC to approve similar plans and specifications or any of the features or elements for the Improvements for any other Lot. One copy of all plans, specifications and related data so submitted to the ARC shall be retained in the records of the ARC and the second copy shall be returned to the Owner submitting the same marked "approved", "approved as noted" or "disapproved". Notwithstanding anything provided herein to the contrary, an Owner may make interior improvements and alterations within any Buildings situated on such Owner's Lot without the necessity or requirement that the approval or consent of the ARC be obtained so long as (i) such improvements and alterations do not affect the exterior appearance of such Building and (ii) the Living Space within such Building is not increased.

- The ARC may establish a fee sufficient to cover the expense of reviewing plans (d) and related data and to compensate any consulting architects, landscape architects, designers, engineers, inspectors and/or attorneys retained in order to approve such plans and specifications and to monitor and otherwise enforce the terms hereof. Such fee or fees shall be paid by the Owner who is seeking approval of plans and specifications. The ARC shall also have the right, in its sole and absolute discretion, to require the Owner of each Lot to deposit a construction escrow/security deposit with the ARC at the time the ARC approves the plans and specifications for any Improvements to such Owner's Lot. Such construction escrow/security deposit shall be held by the Association, shall serve as security for the full and faithful completion by such Owner of all Improvements to be made by such Owner on such Owner's Lot and the compliance with all of the terms, conditions and provisions of this Declaration and interest, if any, earned on said deposit shall belong to and remain the property of the Association. Any such escrow/security deposit shall be returned to the Owner who has deposited the same upon completion of all Improvements on such Lot and the determination by the ARC, in its sole and absolute discretion, that all of the other terms and provisions of this Declaration have been satisfied and complied with in all respects by such Owner, his or her agents, employees and independent contractors. If the ARC, in its sole discretion, determines that such Improvements are not timely completed in accordance with the terms and provisions of this Declaration, or if, in the construction of such Improvements, such Owner or his or her agents, employees or independent contractors, fail to abide by all of the terms and provisions of this Declaration and any of the Architectural Standards, then the ARC shall have the right, in its sole and absolute discretion, to use all or any portion of such escrow/security deposit to complete, correct or remedy any such breach by such Owner or his or her agents, employees or independent contractors; provided, however, that application of such escrow/security deposit to the costs to complete, correct or remedy any such breach or violation shall not be deemed a release or waiver of any rights of the ARC or the Association to exercise any of their respective rights or remedies set forth in this Declaration. In addition to the foregoing, the ARC reserves the right, in its sole and absolute discretion, to require each Owner and/or such Owner's builder, to execute a storm water discharge and soil erosion indemnity in favor of the ARC, the Association and Developer.
- (e) In the event the ARC fails to approve in writing any proposed plans and specifications within thirty (30) days after such plans and specifications have been submitted, then the plans and specifications so submitted to the ARC will be deemed to have been disapproved.
- (f) Any revisions, modifications or changes in any plans and specifications previously approved by the ARC must be approved by the ARC in the same manner specified above.
- (g) If construction of the Building or the Improvements has not substantially commenced (e.g., by clearing and grading, pouring of footings and otherwise commencing framing and other related construction work) within one (1) year of approval by the ARC of the plans and specifications for such Building or other Improvements, then no construction may be commenced (or continued) on such Lot and the Owner of such Lot shall be required to resubmit all plans and specifications for any Building or other Improvements to the ARC for approval in the same manner specified above.
- (h) Each Owner acknowledges and agrees that the City will not issue building permits for any Improvements on a Lot until such time as the ARC has approved the plans and specifications for such Improvements.
- (i) The ARC shall have the right, in its sole and absolute discretion, absolute discretion, to adopt an approved builder program pursuant to which only builders and contractors approved by the ARC (and which satisfy any requirements of the ARC) will be authorized to construct Buildings and other Improvements within the Property.

of improvements or repairs which are the responsibility of the Association or from any action taken by the Association to comply with any requirements of the Governmental Authorities. Notwithstanding anything provided in this Declaration to the contrary, the Association's obligation to maintain any private roadways shall extend only to the maintenance of the pavement and curb and gutter for such private roadway. The Owner of any Lot abutting any private roadway shall be solely responsible for maintaining all areas, if any, of such right-of-way which lie between the lot line of such Owner's Lot and the curb or pavement of any such private roadway.

In the event that the Board determines that (i) any Owner has failed or refused to (b) discharge properly his, her or its obligations with regard to the maintenance, cleaning, repair or replacement of items for which he, she or it is responsible hereunder or (ii) any maintenance, cleaning, repair or replacement for which the Association is responsible hereunder is caused by either the negligence or willful act of an Owner or Occupant, or their respective family members, guests, servants, employees, invitees or contractors, and the costs of such maintenance, cleaning, repair or replacement are not paid in full from insurance proceeds, if any, received by the Association with respect thereto, then, in either event, the Association, in addition to the exercise of any of the rights and remedies set forth in this Declaration, may give such Owner written notice of the Association's intent to provide such necessary maintenance, cleaning, repair or replacement, at the sole cost and expense of such Owner and setting forth in reasonable detail what action is deemed necessary. Except in the event of emergency situations, such Owner shall have seven (7) days within which to complete the same in a good and workmanlike manner or, if the same is not capable of completion within such seven (7) day period, to commence such maintenance, cleaning, repair or replacement and to proceed diligently with the completion of the same in a good and workmanlike manner. In the event of emergency situations or the failure by any Owner to comply with the provisions hereof after such notice, the Association may provide (but shall not be obligated to provide) any such maintenance, cleaning, repair or replacement at the sole cost and expense of such Owner, said cost shall be a personal obligation of such Owner, shall constitute an Individual Assessment to such Owner and shall be subject to the lien and foreclosure rights granted pursuant to <u>Sections 8.01</u> and <u>8.07</u> below. If, and to the extent that, the Association undertakes any action pursuant to this Section 7.02(b) on behalf of any Owner, then all costs and expenses incurred by or on behalf of the Association, including, without limitation, reasonable administrative costs and expenses, attorneys' fees and court costs, if any, shall be due and payable by such Owner and such costs and expenses shall be deemed to constitute Individual Assessments and shall be recoverable by the Association in accordance with the terms and provisions of this Declaration.

# ARTICLE VIII ASSESSMENTS

8.01 ASSESSMENTS AND CREATION OF LIEN. Each Owner, by acceptance of a deed to a Lot, regardless of whether such deed contains a reference to this Declaration, is hereby deemed to covenant and agree to pay to the Association (a) Annual Assessments, as established and to be collected as provided in Section 8.03 below, (b) Special Assessments, to be established and collected as provided in Section 8.04 below, and (c) Individual Assessments which are established or assessed pursuant to Section 8.05 below. Notwithstanding the foregoing, but subject to the provisions of Section 8.06(b) below, Lots owned by Developer or any Affiliate thereof shall not be subject to any Assessments by the Association, whether Annual Assessments, Special Assessments or Individual Assessments. All Assessments, together with late charges and interest at the Applicable Rate, as provided in Section 8.07(a) below, and all court costs and attorneys' fees and expenses incurred by the Association to enforce or collect such Assessments shall be an equitable charge and a continuing lien upon each Lot for which the Owner thereof is responsible for the payment of the same, which lien may be enforced in the manner provided in Section 8.07(c) below. Each Owner shall be personally liable for the payment of all Assessments coming due while he or she is the Owner of a Lot and his or her grantee shall take title to such Lot subject to the equitable charge and continuing lien therefor, but without prejudice to the rights of such grantee to recover from his or her grantor

any amounts paid by such grantee to the Association which were the legal obligations of the grantor. All Assessments, together with late charges and interest at the Applicable Rate, as specified in Section 8.07(a) below, court costs and attorneys' fees and expenses incurred with respect thereto by the Association shall also be a personal obligation of the person who was the Owner of the Lot at the time such Assessments and other costs and charges were assessed or incurred. In the event of co-ownership of any Lot, all of the coowners shall be jointly and severally liable for the entire amount of such Assessments. All Assessments shall commence as to each Lot as provided in Section 8.06 below and be paid in such manner and on such dates as may be fixed by the Board. All Assessments shall be payable in all events without offset, diminution or abatement by reason of fire or other casualty or any taking as a result of, in lieu of or in anticipation of the exercise of the right of eminent domain, condemnation or by private purchase in lieu thereof with respect to any Lot, Building, Common Areas or any other portion of the Property or any other cause or reason of any nature. The Annual Assessments and Special Assessments shall be used for the general purposes of promoting the recreational, health, safety, welfare, common benefit and enjoyment of the Owners and Occupants of the Property and otherwise for the general upkeep and maintenance of the Property, including, specifically, the Common Areas thereto, all as may be more specifically authorized from time to time by the Board. Notwithstanding anything provided herein to the contrary, each Owner and Occupant does hereby acknowledge and agree that certain portions of the Annual Assessments and the Special Assessments as well as certain Common Expenses to be incurred by the Association may not benefit all of the Owners and Occupants equally but that the levy of such Annual Assessments and Special Assessments and the incurrence of Common Expenses shall be deemed to be for the benefit of all of the Property.

### 8.02 UNIFORM RATE OF ASSESSMENTS.

- (a) Both Annual and Special Assessments, as described in Sections 8.03 and 8.04 below, shall be assessed against each Lot at a uniform rate, with the Owner of each Lot being required to pay his or her prorata portion of such Annual Assessments and Special Assessments, as determined by a fraction, the numerator of which shall be the total number of Lots owned by such Owner and the denominator of which shall be the total number of Lots within the Property at the time such Annual Assessments or Special Assessments are levied.
- (b) Notwithstanding anything provided in Section 8.02(a) above to the contrary, in the event any Additional Property is added to the Property, then (i) each Lot within the Additional Property shall be subject to the same Annual Assessments and Special Assessments then being paid by the Owners of all other Lots in the Property, subject to proration for the actual number of days remaining in the calendar year in which such Additional Property was added to the Property, (ii) any Assessments which have been previously assessed by the Association to the Owners for the then applicable calendar year shall not be subject to recalculation and (iii) in no event shall the amounts previously paid as either Annual Assessments or Special Assessments during such calendar year by any Owners be subject to recalculation or refund as a result thereof.
- (c) Each Owner of a Lot, by acceptance of a deed to such Lot, acknowledges and agrees that the Annual Assessments and Special Assessments payable by such Owner are subject to change, modification, increase or decrease, respectively, in the event that (i) any Additional Property is added to the Property or any Lots or Dwellings are combined, subdivided or resubdivided pursuant to Section 2.08 above or (ii) any portion of the Property becomes Common Areas.

#### 8.03 COMPUTATION OF ANNUAL ASSESSMENTS.

(a) The Board shall determine and approve annually an annual budget covering the estimated Common Expenses for the Property for the upcoming year, such budget to include (i) a capital

The amount set forth in such budget shall constitute the aggregate amount of Annual Assessments for all of the Property for the then applicable year and each Owner shall pay his or her prorata share of the same as provided in Section 8.02 above. As used herein, the term "Annual Assessments" with respect to each Lot shall mean the prorata portion of the Common Expenses payable each calendar year by each Owner in accordance with the provisions of this Section 8.03. A copy of the budget setting forth the amount of Annual Assessments to be levied against the Lots and Dwellings for the following year shall be delivered to each Owner upon written request of any such Owner.

- (b) If any budget or the amount of Annual Assessments collected by the Association at any time proves to be inadequate or insufficient for any reason to fully pay all costs and expenses of the Association and all Common Expenses, then the Board may call a meeting of the Association for the purpose of approving Special Assessments as provided in Section 8.04 below. If the actual amount of Annual Assessments collected in any one year exceeds the actual costs incurred for Common Expenses for such year, the excess shall be retained by the Association as a reserve for subsequent years' Common Expenses.
- (c) The Common Expenses to be funded by the Annual Assessments may include, but shall not be limited to, the following:
  - (i) Salaries, fringe benefits and other compensation paid and out-of-pocket expenses reimbursed by the Association for its employees, agents, officers, members of the Board and any third party contractors;

  - (iv) The costs of any insurance policies purchased for the benefit of the Association as required or permitted by this Declaration, including, without limitation, fire, flood and other hazardous coverage, public liability coverage and such other insurance coverage as the Board determines to be in the best interest of the Association, including errors and omissions insurance, directors' and officers' liability insurance and any other liability insurance coverage for the benefit of the Association, the members of the Board, any officers, employees, agents or representatives of the Association (including members of the ARC);
  - (v) The expenses of maintaining, operating, repairing and replacing all portions of the Common Areas and any other amenities and facilities serving the Property which the Board, in its sole discretion, determines from time to time would be in the best interest of the Association to so maintain, operate, repair or replace;
  - (vi) Ad valorem real and personal property taxes assessed and levied upon any of the Common Areas;
  - (vii) The expenses of the ARC which are not paid in full by plan review charges;

- (viii) The costs and expenses for conducting, promoting and advertising recreational, social, cultural or other related programs, as well as street fairs, festivals and other events for the benefit of the Owners and Occupants;
- (ix) The costs and expenses of installing, maintaining, repairing, purchasing, replacing and operating seasonal and holiday decorations and lighting for any of the Property;
- (x) All other fees, costs and expenses incurred by the Association in accordance with the terms and provisions of this Declaration or which the Board, in its sole and absolute discretion, determines to be appropriate to be paid by the Association, including, without limitation, taxes and governmental charges not separately assessed against Lots; and
- (xi) The establishment and maintenance of a reasonable reserve fund or funds (1) for inspections, maintenance, repair and replacement of any portions of the Common Areas for which the Association is responsible to inspect, maintain, repair or replace on a periodic basis, (2) to cover emergencies and repairs required as a result of casualties which are not funded by insurance proceeds, (3) to cover unforeseen operating contingencies or deficiencies arising from unpaid Assessments as well as from emergency expenditures and other matters, all as may be authorized from time to time by the Board and (4) for the payment of future Common Expenses.
- 8.03 above, the Board may levy in any year Special Assessments for Common Expenses or any extraordinary costs incurred or to be incurred by the Association, including, without limitation, costs which have been, are or will be incurred for capital improvements which are not paid for from Annual Assessments; provided, however, that any such Special Assessments must be approved by a majority of the Members of the Association who are "in good standing", as defined in the Bylaws, voting at a duly convened meeting of the Association or in a ballot vote by the members of the Association held in accordance with the provisions of the Bylaws. As used herein, the term "Special Assessments" shall mean those assessments made to all Owners pursuant to this Section 8.04. The Board may make such Special Assessments payable in one lump sum or in installments over a period of time which may, in the Board's discretion, extend beyond the then fiscal year in which said Special Assessments are levied and assessed. Special Assessments shall be levied against and payable by each Owner in accordance with the provisions of Section 8.02 above.
- from time to time levy and assess as individual assessments (collectively, "Individual Assessments") against any Lot or Building: (a) Amenity Fees, as provided in Section 4.06 above (b) fines against an Owner and such Owner's Lot or Building in accordance with the terms and provisions of this Declaration, (c) any costs or expenses, including, without limitation, collection costs, professional engineering and architectural fees and expenses, attorneys' fees and expenses, court costs and any administrative costs and expenses incurred by or on behalf of the ARC or the Association as a result of the failure of any Owner, Occupant or their respective family members, agents, guests, servants, employees, invitees and contractors, to at all times observe and perform their respective duties and obligations under this Declaration, including, without limitation, any such costs and expenses incurred by the ARC or the Association pursuant to Sections 5.12, 6.11(g), 6.19, 7.02(b), 8.07, 11.01, 11.02 or 11.03 hereof, (d) any fees, charges and other costs incident to the use of any of the Common Areas for which a charge for the use thereof has been established by the Board, and (e) any costs, charges or other amounts payable by any Owner for any special services which the Association and such Owner may have contracted for which have been or will be provided to such

Owner by the Association. The Individual Assessments provided for in this <u>Section 8.05</u> shall be levied by the Board and the amount and due date of such Individual Assessment shall be specified by the Board in a notice to such Owner, which due date shall, except as provided in <u>Section 4.06</u> above, be no earlier than 30 days from the date of such notice or billing invoice for such Individual Assessment.

## 8.06 <u>Date of Commencement of Annual and Special Assessments; Payment of Assessments by Developer</u>.

- (a) Subject to the provisions of Section 8.06(b) below, Assessments shall commence as to each Lot on the day on which such Lot is conveyed by Developer to a Purchaser and shall be due and payable in such manner and on such schedule as may be established from time to time by the Board (as provided in Section 8.07(a) below), subject to proration for the remainder of the then calendar year in which such Lot was conveyed by Developer to a Purchaser. Assessments for Lots within any portion of the Additional Property hereafter submitted to the terms of this Declaration shall commence with respect to each such Lot on the day on which such Lot is conveyed by Developer to a Purchaser, subject to proration and adjustment according to the number of days then remaining in the calendar year in which such Additional Property was added to the terms of this Declaration.
- (b) Notwithstanding anything provided herein to the contrary, Developer shall have the option, in its sole discretion, to either pay Annual Assessments on Lots owned by Developer or fund the actual cash deficits which may exist between the total amount of Annual Assessments assessed to all other Owners and the actual costs incurred by the Association for Common Expenses (exclusive of funding of reserves) in any particular year; provided, however, that Developer shall have no obligations to fund any reserves established from time to time by the Association or the Board. To the extent Developer elects to fund the actual cash deficits, then such funding may occur at any time during a calendar year (which may be at the end of any calendar year), as determined by Developer, in its sole and absolute discretion. At such time as Developer no longer has any interest in any Lot, Developer shall have no further obligation of any nature to pay any Assessments or otherwise fund any deficits relating to the Common Expenses or the maintenance of the Common Areas.

## 8.07 **EFFECT OF NON-PAYMENT; REMEDIES OF THE ASSOCIATION.**

Each Owner of a Lot is and shall be deemed to covenant and agree to pay to the (a) Association all Assessments provided for herein. The Association shall provide written notice or a billing invoice to each Owner setting forth the amount of the Assessments due and payable by such Owner and the due date for payment of such Assessments (which due date shall, with respect to Annual Assessments and Special Assessments only, be at least 30 days from the date of such notice or billing invoice). Any Individual Assessments levied or assessed against any Owner shall be separately assessed by a written notice or billing invoice sent directly by the Association to such Owner and such Individual Assessment shall be due and payable no later than 30 days from the date of such notice or billing invoice. In the event any Assessments or any portions thereof are not paid in full by the due date for such Assessments, then (i) the Owner of such Lot shall be deemed in default hereunder and (ii) a late fee in the amount of \$25.00 (which amount shall be subject to increase from time to time and at any time, as determined by the Board, in its sole discretion) shall automatically be levied and assessed against such Owner and such Owner's Lot or Building. In addition, if any Assessments or any portion thereof (including late fees) are not paid in full within 30 days following the due date for the payment of such Assessments, then the unpaid portion of the Assessment (including the late fee) shall accrue simple interest at the lesser of eighteen percent (18%) per annum or the highest rate which may be charged to said Owner by law (the "Applicable Rate") from and after the 30th day following the due date of such Assessments until the same has been paid in full. In the event the Association employs an attorney or otherwise takes any legal action in attempting to collect any amounts due from any Owner, such Owner agrees to pay all attorneys' fees and expenses, court costs and

The lien and equitable charge upon each Lot or Building for Assessments shall also include all late fee charges, interest at the Applicable Rate and all attorneys' fees, court costs and all other expenses paid or incurred by the Association in attempting to collect any unpaid Assessments.

- (b) In the event any Assessments are not paid by any Owner within 30 days following the due date for the payment of such Assessments, then, in addition to all other rights and remedies provided at law or in equity, the Association, acting through its Board or through any of its officers or authorized representatives, may at any time thereafter undertake any or all of the following remedies:
  - (i) The Association may commence and maintain a suit at law against an Owner for a personal money judgment to enforce such charges and obligations for Assessments and any such judgment rendered in any such action shall include the then applicable late fee charge and interest at the Applicable Rate, together with attorneys' fees and expenses, court costs and all other expenses paid and incurred by the Association in collecting such unpaid Assessments; and/or

If any portion of any Assessments remains unpaid for more than 30 days following the due date for the payment of such Assessments; then:
  - (i) At any time thereafter, the Association, through the Board or any officer or authorized representative thereof, shall provide written notice of the Assessment and lien to such defaulting Owner, which written notice shall state the date and amount of delinquency and shall be given by personal delivery or first-class United States mail, postage prepaid. Each default shall constitute a separate basis for a demand and claim of lien, but any number of defaults may be included in a single demand; and
  - Association shall give written notice (the "Lien Notice") to such defaulting Owner in the manner set forth in Section 12.15 below (except that such Lien Notice, shall be given by certified mail to such defaulting Owner) stating that the statement of lien will be recorded in the Probate Office. At any time after the expiration of thirty (30) days following the giving of the Lien Notice (but within the twelve (12) months from the date such Assessment was due), the Association shall file a statement of lien and perfect its lien against the Lot of such delinquent Owner, which statement of lien shall be executed by any member of the Board or any officer of the Association having personal knowledge of the facts, contain the following information and be recorded in the Probate Office:

- (4) The total amount claimed to be due including the due date of any Assessments, together with late charges, interest at the Applicable Rate, collection costs and attorneys' fees and expenses incurred to date and a statement, if applicable, that such charges and costs shall continue to accrue and be charged until full payment has been received; and
- (5) A statement that the claim of lien is made by the Association pursuant to this Declaration and is claimed against such Lot in an amount equal to that stated therein.

The lien provided for herein shall be in favor of the Association and may be foreclosed in the same manner as a foreclosure of a mortgage on real property containing a power of sale under the laws of the State of Alabama, as the same may be modified or amended from time to time. The Association shall have the right and power to bid at any such foreclosure sale and to purchase, acquire, hold, lease, mortgage, convey and sell any such Lot. Each Owner, by acceptance of a deed to any Lot or Building, shall be deemed to (1) grant to and vest in the Association and its agents, the right and power to exercise the power of sale granted herein and foreclose the lien created herein, (2) grant to and vest in the Association and its agents the right and power to bring all actions against such Owner personally for the collection of all amounts due from such Owner, (3) expressly waive any objection to the enforcement and foreclosure of the lien created herein and (4) expressly waive the defense of the statute of limitations which may be applicable to the commencement of any such suit or action for foreclosure.

- (d) In addition to the other rights and remedies provided herein, in the event any Owner fails to pay any Assessments within 30 days from the statement billing date for such Assessments, then the Association shall have the right to suspend the privileges of such Owner, his or her Occupants, family members, guests and invitees from using any of the Recreational Facilities, if any.

When a Mortgagee exercises its foreclosure rights provided in its Mortgage and acquires title to or sells to a third party its interest in any Lot, then such Mortgagee or its purchaser or transferee at such foreclosure sale shall (a) not be liable for the then unpaid portion of any Assessments or other charges incurred prior to the date of transfer or acquisition of title by foreclosure so long as the Mortgage held by such Mortgagee was recorded in the Probate Office prior to the filing of a claim of lien by the Association pursuant to Section 8.07(c) above, but (b) be liable for all Assessments and other charges levied, assessed or incurred with respect to such Lot from and after the date of such foreclosure sale. The foregoing shall not relieve any Owner whose Lot has been foreclosed from the personal obligation to pay all Assessments and other charges levied, assessed or incurred by the Association and the Association shall have the right to pursue all rights and remedies against a defaulting Owner notwithstanding the foreclosure of a Mortgage by Mortgagee on such Owner's Lot.
- 8.09 <u>CERTIFICATES</u>. The Association (or any officer or authorized representative thereof) shall, within thirty (30) days from the date of written request and at such reasonable charges as may from time to time be adopted by the Board, furnish to any Owner or any prospective purchaser of a Lot a certificate in writing setting forth whether the Assessments for which such Owner is responsible have been paid and, if not paid, the outstanding amount due and other costs and expenses due from such Owner. <u>Party</u>"), agree that it is in the best interest of all concerned to resolve disputes involving the Subdivision, Developer, the ARC, the Association and/or the Owners without the emotional and financial costs of litigation. - (b) As used in this Article and subject to the remaining terms and provisions of this Section 13.01(b), the term "Claim" shall refer to any claim, grievance or dispute arising out of or relating to:
  - (i) The interpretation, application, or enforcement of this Declaration, the Architectural Standards, all Rules and Regulations adopted by the Association, the Certificate of Formation or the Bylaws (collectively, the "Governing Documents"); or
  - (ii) The rights, obligations and duties of any Bound Party under the Declaration or any Governing Documents.

Notwithstanding anything provided to the contrary in this <u>Section 13.01(b)</u>, the following shall <u>not</u> be considered "Claims" unless <u>all</u> parties to the matter otherwise agree to submit the matter to the procedures set forth in <u>Section 13.02</u>:

- (1) Any action, whether by suit or otherwise, by the Association to collect Assessments or other amounts due from any Owner;
- (2) Any action, whether by suit or otherwise, by the Association to obtain a temporary restraining order (or emergency equitable relief) against any Owner and such ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association's ability to enforce the provisions of any of the Governing Documents;

- (a) <u>Notice</u>. The Bound Party asserting a Claim ("<u>Claimant</u>") against another Bound Party ("<u>Respondent</u>") shall give written notice ("<u>Notice</u>") to each Respondent and to the Board stating plainly and concisely:

- (ii) The legal basis of the Claim (i.e., the specific authority out of which the Claim arises);
  - (iii) The Claimant's proposed resolution or remedy; and
- (iv) The Claimant's desire to meet with the Respondent to discuss in good faith ways to resolve the Claim.
- (b) <u>Negotiation</u>. The Claimant and Respondent shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Board may appoint a representative to assist the parties in negotiating a resolution of the Claim.
- Mediation. If the parties have not resolved the Claim through negotiation within (c) thirty (30) days of the date of the Notice described in Section 13.02(a) (or within such other period as the parties may agree upon), the Claimant shall have thirty (30) additional days to submit the Claim to mediation with an entity designated by the Association (if the Association is not a party to the Claim) or to an independent agency or individual providing dispute resolution services in the State of Alabama selected by both sides if the Association is a party. If the parties do not settle the Claim within thirty (30) days after submission of the matter to mediation, or within such time as determined reasonable by the mediator, the mediator shall issue a notice of termination of the mediation proceedings indicating that the parties are at an impasse and the date that mediation was terminated. The Claimant shall thereafter be required to initiate arbitration proceedings on the Claim, as set forth in Section 13.02(e) below. Each party shall bear its own costs of the mediation, including attorneys' fees, and each party shall share equally all fees charged by the mediator.
- (d) <u>Settlement</u>. Any settlement of the Claim through negotiation or mediation shall be documented in writing and signed by the parties. If any party thereafter fails to abide by the terms of such agreement, then any other party may file suit or initiate administrative proceedings to enforce such agreement without the need to again comply with the procedures set forth in this Section. In such event, the party taking action to enforce the agreement or award shall, upon prevailing, be entitled to recover from the non-complying party (or if more than one non-complying party, from all such parties in equal proportions) all costs incurred in enforcing such agreement or award, including, without limitation, attorneys' fees and court costs.
- (e) Arbitration; No Trial by Jury. Any dispute between an Owner or the Association, as one of the parties, against Developer or any Affiliate thereof, as the other party ("Dispute"), and any Claims which remain after the conclusion of the dispute resolution procedures described in Section 13.02 above, shall be resolved by final and binding arbitration by a single arbitrator in Birmingham, Alabama in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect and shall not be submitted to a lawsuit or other proceedings in any Alabama state court or any federal court. EACH PARTY ACKNOWLEDGES THAT HE OR SHE IS KNOWINGLY WAIVING THE RIGHT TO A TRIAL EITHER BEFORE A JUDGE OR A JURY RELATING TO ALL CLAIMS AND DISPUTES. All disputes concerning the arbitrability of any Claim or the enforceability or scope of this provision shall be subject to the same binding arbitration. The parties shall bear equally the cost of the arbitrator, and each party shall otherwise bear its own costs; provided, however, that the prevailing party shall be entitled to recover all of its costs in such arbitration, including reasonable attorneys' fees and expenses. The arbitrator shall follow the law applicable to any Claim and shall be empowered to award any damages or other relief

which would be available under law applicable to any such Claim. The determination of the arbitrator shall be final, binding on the parties, and non-appealable and may be entered in any court of competent jurisdiction to enforce it. The parties acknowledge and agree that the transactions contemplated by, and relating to, the Property, which may include the use of materials and components which are obtained from out-of-state and which otherwise include the use of interstate mails, roadways and commerce, involve interstate commerce, as that term is defined in the Federal Arbitration Act, 9 U.S.C. § 2.

- 13.03 <u>INITIATION OF LITIGATION BY ASSOCIATION</u>. Developer and the Board of Directors of Blackridge Residential Association, Inc. have adopted these Rules and Regulations (the "Rules and Regulations") in order to maintain the aesthetics and lasting quality of the Property as well as to ensure the long-term viability and the value of all Buildings and other improvements constructed within the Property. These Rules and Regulations do not anticipate all acceptable or unacceptable behavior in advance and are subject to amendment and modification from time to time and at any time by action of the Board. These Rules and Regulations, as the same may be amended from time to time by the Board in the manner set forth in Section 6.18 of the Declaration, as hereinafter defined, will be binding upon all Owners and Occupants of any Lots within the Property.

These Rules and Regulations are referred to in, and constitute a part of, the Blackridge Residential Declaration of Covenants, Conditions and Restrictions (the "Declaration"). Capitalized terms not otherwise expressly defined herein shall have the same meanings given to them in the Declaration. These Rules and Regulations are in addition to all of the terms and provisions set forth in the Declaration, including, specifically, the provisions of Articles V and VI of the Declaration. In the event of any conflict or ambiguity between the terms and provisions set forth herein and those set forth in the Declaration, then, except as otherwise expressly provided herein to the contrary, the terms and provisions of the Declaration shall at all times control. These Rules and Regulations may be amended at any time and from time to time by the Board in the manner provided in Section 6.18 of the Declaration and variances to these Rules and Regulations may be granted as provided in Section 1.29 below.

## 1.01 TRASH, RUBBISH AND NUISANCES.

- (e) No trash, garbage, rubbish or debris of any kind shall be dumped, placed or permitted to accumulate upon any portion of the Property nor shall any nuisance or odors be permitted to exist or operate upon or arise from any Lot which would render any portion thereof unsanitary, unsightly, offensive or detrimental to persons using, occupying or owning any other Lots, Buildings, Common Areas, the Lake or any other real property in close proximity to the Property. Any Owner or Occupant who dumps, places or allows trash or debris to accumulate on his or her Lot or on any other portion of the Property shall be liable to the Association for all costs incurred by the Association to remove the same.
