1. That the Mortgagor will pay the principal sum of the Note and interest thereon at the time and in the manner provided in the Note and will comply with all the covenants, agreements, and conditions herein contained and to be performed by the Mortgagor in any related documents.
2. That Mortgagor will punctually pay and discharge, as the same become payable, all taxes, assessments, and other governmental charges whatsoever now or hereafter imposed by any public authority upon the Premises, or any part thereof, or upon Mortgagee's interest therein, without regard to any law heretofore or hereafter enacted imposing payment of the whole or any part thereof upon the Mortgagee. Mortgagor will provide Mortgagee, upon reasonable request, with written evidence that the taxes and other charges have been paid as aforesaid after each such payment has been made.
3. That Mortgagor will comply with all statutes, ordinances, regulations, and rules which may be established by any legally constituted public authority with respect to the use, maintenance, and care of the Premises, including all environmental laws, rules, and regulations. Mortgagor shall indemnify, defend, and hold harmless Mortgagee, Mortgagee's heirs and assigns, from any claims, actions, penalties, fines, damages, or expenses, including reasonable attorney's fees occasioned by or arising from any violations or alleged violations of environmental laws, rules, or regulations, regardless of when or who caused the violation or alleged violation. This clause shall survive any foreclosure actions taken pursuant to the terms of this Mortgage.
4. That Mortgagor will not create or suffer to be created any charge, lien, or encumbrance upon the Premises or any part thereof, or lease the Premises, without the prior written consent of Mortgagee.
5. If all or any part of the Premises are taken or acquired, either temporarily or permanently, in any condemnation proceeding, or by exercise of the right to eminent domain, or by the alteration of the grade of any street affecting the Premises, the amount of any award or other payment for such taking or damages made in consideration thereof, to the extent of the full amount of the then remaining, unpaid indebtedness secured hereby, is hereby assigned to Mortgagee (subject to the prior rights of any mortgagee identified hereinabove in paragraph B) who is empowered to collect and receive the same and to give proper receipts therefore in the name of the Mortgagor, and the same shall be paid forthwith to Mortgagee. Any award or payment so received by Mortgagee shall, at the option of Mortgagee, either be retained and applied, in whole or in part, to the indebtedness secured hereby (whether or not then due and payable), in such manner as Mortgagee may determine, or be released, in whole or in part, for the purpose of altering or restoring the Premises that may have been altered, damaged, or destroyed as a result of such taking, alteration, or proceeding, but Mortgagee shall not be obligated to see the application of any amounts so released.
6. The Mortgagor will punctually pay all indebtedness secured, or which purports to be secured, by any lien or encumbrance on the Premises to which the lien of Mortgagee on the Premises is or may become subordinate with Mortgagee's consent as the same shall become due according to the tenor or terms of the promissory note, notes, or other evidence of the indebtedness

secured by such lien or encumbrance, it being agreed that the covenants and requirements of any prior indebtedness secured by a lien against the Premises shall be considered covenants of this Mortgage, and that any default thereunder shall be considered a default herein and may, if not cured by Mortgagor, be cured by Mortgagee at Mortgagee's option; and that Mortgagor will perform all such acts as will preserve and keep valid the lien and priority intended to be created by this instrument.

7. That (a) in the event of any default by Mortgagor in the payment of the indebtedness evidenced by the Note after the same shall be due and payable according to the tenor thereof provided therein, or (b) in the event Mortgagor fails to perform any one or more of the covenants and agreements herein contained on Mortgagor's part to be performed, or contained in any other agreement, mortgage, or security instrument executed by Mortgagor in connection with this transaction or to secure the indebtedness secured hereby, (c) in the event Mortgagor shall be adjudicated to be bankrupt or insolvent or shall make a general assignment for the benefit of creditors, or (d) in the event Mortgagor shall sell (including a land contract, lease-option, or assignment) or otherwise dispose of the Premises, or any part thereof, or any legal or beneficial interest therein, without the consent of Mortgagee, or (e) Mortgagor shall be declared in default under the terms of any note secured by a lien prior to the lien created by this Mortgage, or be declared in default under the mortgage or other security agreement securing such note, then and in any such event Mortgagee may at Mortgagee's election declare the Note to be immediately due and payable, without notice to Mortgagor (which notice Mortgagor hereby expressly waives), and upon any such declaration, the entire indebtedness hereby secured shall be immediately due and payable, anything herein or in the Note to the contrary notwithstanding, and Mortgagee shall be entitled to institute foreclosure proceedings and to the appointment of a receiver. In such foreclosure Grantee shall be entitled to the entire indebtedness, together with attorney's fees and costs of collection, to the extent permitted by law.

8. In the event of default and upon acceleration under paragraph (C)(7), if there is an abandonment of the properties and at any time prior to the expiration of any period of redemption following judicial sale, Lender (either in its own right or by judicially appointed receiver, to which Borrower consent) shall be entitled to enter upon, take possession of and manage the properties and to collect the rents of the properties which shall be applied to receiver's fees, premiums on receiver's bonds and reasonable attorney's fees, and then to the sums secured by this Mortgage

9. That in the event Mortgagor shall fail to pay any taxes, assessments, governmental charges, or principal or interest secured by any other encumbrances upon the Premises, or shall fail in the due performance or observances of any other condition, obligation, covenant, or requirement contained in the Note or herein, Mortgagee may, if it so desires, make good any such default or defaults, and Mortgagor hereby agrees to pay to Mortgagee immediately upon demand a sum equal to any monies advanced by Mortgagee for any such purpose together with interest thereon at a rate of 15% per annum, from the respective dates of payment, payable monthly. All sums so paid and expended by Mortgagee and interest thereon shall be secured by the lien of this Mortgage. If Mortgagee shall pay any obligation for the payment of which Mortgagor is in default, such payment shall be without prejudice to Mortgagee's right to declare the entire indebtedness hereby secured immediately due and payable.

10. Mortgagor shall continuously maintain property and casualty insurance on any buildings or improvements now or hereafter on the Premises to their full replacement value and will promptly pay when due any premium, therefore. The Mortgagee shall be named on said policy and the proceeds from such policy shall be payable to the Mortgagee and shall, at the option of Mortgagee, be applied either to the reduction of the indebtedness secured hereby or to the restoration or repair of the property damaged. As long as this Mortgage is in effect Mortgagor shall deliver to Mortgagee certificates evidencing all such insurance.

11. That in the event any action shall be instituted to foreclose the Premises, upon application to the Court the Mortgagee shall be entitled to the appointment of a receiver to take immediate possession of, manage and control the Premises, notwithstanding that the Premises, or any part thereof, are occupied by Mortgagor or persons claiming by or under Mortgagor, and collect and receive the rents and profits thereof, and apply the same under the direction of the Court.

12. That if Mortgagee shall incur or expend any sums, including reasonable attorney's fees, whether or not in connection with any action or proceeding, to sustain the lien of this Mortgage or its priority, to protect or enforce any of Mortgagee's rights hereunder, to protect the Premises or to recover any indebtedness hereby secured, all such sums shall become immediately due and payable by Mortgagor with interest thereon at a rate of 15% per annum until repaid. All such sums shall be secured by this Mortgage and be a lien on the Premises prior to any right, title, interest or claim in, to or upon the Premises attaching or accruing subsequent to the lien of this Mortgage.

13. That Mortgagor shall not assign, in whole or part, any rents, income or profits arising from the Premises without the prior written consent of Mortgagee. Mortgagor shall not in any manner impair the security of this Mortgage for the payment of the indebtedness secured hereby.

14. That no waiver by Mortgagee of any breach of any covenant of Mortgagor herein contained shall be construed as a waiver of any other breach of the same or any other covenant contained herein.

15. That at any time and all times, Mortgagor shall do, execute, acknowledge, and deliver, or shall cause to be done, executed, acknowledged, and delivered, all and every such further acts, deeds, conveyances, mortgages, transfers, and assurances in law as Mortgagee shall reasonably require for the better assuring, conveying, transferring, mortgaging, pledging, assigning, and confirming unto the Mortgagee all and singular the Premises.

16. Except as herein expressly provided to the contrary, no remedy herein conferred upon or reserved to the Mortgagee is intended to be exclusive or any other remedy, but each and every such remedy shall be cumulative. No delay or omission by Mortgagee in exercising any right or power accruing upon default as hereinbefore in this Mortgage provided shall impair any such right or power or be construed to be a waiver or any such default or acquiescence therein.

D. Giving of Notices. Unless applicable law requires a different method, any notice that must be given to Borrower under this Note will be given by delivering it or by mailing it by first class
