Mortgagor does hereby covenant and agree that Mortgagor will warrant and defend generally the title to the Premises against all claims and demands, subject to the Permitted Encumbrances.

In consideration of the aforesaid, and in order to more fully protect the security of this Instrument, Mortgagor hereby represents, warrants, covenants, and agrees as follows:

1. Inspection. Mortgagee and any other Person authorized by Mortgagee shall have the right to enter and inspect the Premises at all reasonable times.
2. Security Agreement. This Instrument is also a security agreement between Mortgagor, as debtors, and Mortgagee, as secured party, for any of the Premises which, under applicable law, may be subjected to a security interest under the Uniform Commercial Code in the state of Alabama (the "UCC"), for the purpose of securing Mortgagor's obligations under this Instrument and to further secure Mortgagor's obligations under the Note, and other Loan Documents, whether such Premises are owned now or acquired in the future, and all products and cash and non-cash proceeds thereof (collectively, the "UCC Collateral"), and by this Instrument, Mortgagor hereby grants to Mortgagee a security interest in the Collateral. To the extent necessary under applicable law, Mortgagor hereby authorizes Mortgagee to prepare and file financing statements, continuation statements and financing statement amendments in such form as Mortgagee may require to perfect or continue the perfection of this security interest. If an Event of Default (as hereinafter defined) has occurred and is continuing, Mortgagee will have the remedies of a secured party under the UCC, in addition to all remedies provided by this Instrument or existing under applicable law. In exercising any remedies, Mortgagee may exercise its remedies against the Collateral separately or together, and in any order, without in any way affecting the availability of Mortgagee's other remedies. This Instrument also constitutes a financing statement with respect to any part of the Premises that is or may become a fixture, if permitted by applicable law.

3. Taxes and Other Charges. Mortgagor is responsible for the payment of all taxes ("Taxes"), assessments for local improvements ("Assessment"), rates and charges, license fees, all charges which may be imposed for the use of vaults, chutes, areas and other space beyond the lot line and abutting the public sidewalks in front of or adjoining the Premises, and all other governmental levies and charges (collectively, the "Impositions"), of every kind and nature whatsoever. Upon Mortgagee's request, Mortgagor shall deliver to Mortgagee within five (5) days of any such request, proof of payment of any and all Impositions, in form satisfactory to Mortgagee.

4. Insurance. Mortgagor shall keep the Premises insured in accordance with the provisions of the Loan Agreement.

5. Liens. Mortgagor shall not, directly or indirectly, create or suffer or permit to be created, or to stand, against the Premises or any portion thereof, or against the rents, issues and profits therefrom, any lien, charge, mortgage, deed of trust, adverse claim or other encumbrance, whether senior or junior to the lien of this Instrument, other than the lien of this Instrument and the Permitted Encumbrances.

6. Due on Sale or Encumbrance. Should the title to the Premises, or any part thereof or any interest therein, be transferred to any Person, firm or entity other than the Borrower, or should the ownership of the Premises, or any part thereof, become vested in any owner other than the Borrower, or should any lien, mortgage or any other encumbrance, voluntary or involuntary, be placed against the Premises, or in any of the foregoing events, the entire principal balance due under the Note, together with all accrued interest thereunder, shall at the election of Mortgagee, be and become immediately due and payable in full, subject to applicable law, and Mortgagee shall be entitled to pursue all remedies provided for in this Instrument or at law, including without limitation, foreclosure of the lien of this Instrument.

7. Assignment of Rents; Appointment of Receiver; Mortgagee in Possession. (A) As part of the consideration for the Indebtedness, Mortgagor absolutely and unconditionally assigns and transfers to Mortgagee all Rents. It is the intention of Mortgagor to establish a present, absolute and irrevocable transfer and assignment to Mortgagee of all Rents and to authorizes and empower Mortgagee to collect and receive all Rents without the necessity of further action on the part of the Borrower. Promptly upon request by Mortgagee, Mortgagor agrees to execute and deliver such further assignments as Mortgagee may from time to time require. Mortgagor and Mortgagee intend this assignment of Rents to be immediately effective and to constitute an absolute, present, and unconditional assignment and not an assignment for additional security only. For purposes of giving effect to this absolute assignment of Rents, and for no other purpose, the Rents will not be deemed to be a part of the Premises. However, if this present, absolute, and unconditional assignment of the Rents is not enforceable by its terms under the laws of the state of Alabama, then the Rents will be included as a part of the Premises and it is the intention of Mortgagor that in this circumstance this Instrument create and perfect a lien on the Rents in favor of Mortgagee, which lien will be effective as of the date of this Instrument. (B) Until the occurrence of an Event of Default, Mortgagee hereby grants to Mortgagor a revocable license to collect and receive all the Rents, to hold all the Rents in trust for the benefit of Mortgagee and to apply all the Rents to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and

payable under the other Loan Documents, including the Taxes, Impositions, Assessments, and Insurance, and to pay the current costs and expenses of managing, operating and maintaining the Premises, tenant improvements and other capital expenditures. So long as no Event of Default has occurred and is continuing, the Rents remaining after application pursuant to the preceding sentence may be retained by Mortgagor free and clear of, and released from, Mortgagee's rights with respect to the Rents under this Instrument. After the occurrence of an Event of Default, and during the continuance of such Event of Default, Mortgagor authorizes Mortgagee to collect, sue for, and compromise the Rents and directs each tenant of the Premises to pay all the Rents to, or as directed by, Mortgagee. From and after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Mortgagee entering upon and taking and maintaining control of the Premises directly, or by a receiver, Mortgagor's license to collect the Rents will automatically terminate and Mortgagee will, without notice, be entitled to all the Rents as they become due and payable, including the Rents then due and unpaid. Mortgagor will pay to Mortgagee upon demand all the Rents to which Mortgagee is entitled. At any time on or after the date of Mortgagee's demand for the Rents, Mortgagee may give, and Mortgagor hereby irrevocably authorizes Mortgagee to give, notice to all tenants of the Premises instructing them to pay all Rents to Mortgagee. *No tenant will be obligated to inquire further as to the occurrence or continuance of an Event of Default. No tenant will be obligated to pay to Mortgagor any amounts which are actually paid to Mortgagee in response to such a notice.* Any such notice by Mortgagee will be delivered to each tenant personally, by mail or by delivering such demand to each rental unit. Mortgagor will not interfere with and will cooperate with Mortgagee's collection of such Rents. (C) If an Event of Default has occurred and is continuing, then Mortgagee will have each of the following rights and may take any of the following actions: (i) Mortgagee may, regardless of the adequacy of Mortgagee's security or the solvency of Mortgagor and even in the absence of waste, enter upon and take and maintain full control of the Premises in order to perform all acts that Mortgagee in its discretion determines to be necessary or desirable for the operation and maintenance of the Premises, including the execution, cancellation, or modification of the Leases, the collection of all the Rents, the making of repairs to the Premises and the execution or termination of contracts providing for the management, operation or maintenance of the Premises, for the purposes of enforcing the assignment of the Rents pursuant to Section 7(A) of this Instrument, protecting the Premises or the security of this Instrument, or for such other purposes as Mortgagee, in its discretion, may deem necessary or desirable. (ii) Alternatively, if an Event of Default has occurred and is continuing, regardless of the adequacy of Mortgagee's security, without regard to Mortgagor's solvency and without the necessity of giving prior notice (oral or written) to Mortgagor, Mortgagee may apply to any court having jurisdiction for the appointment of a receiver for the Premises to take any or all of the actions set forth in the preceding sentence. If Mortgagee elects to seek the appointment of a receiver for the Premises at any time after an Event of Default has occurred and is continuing, Mortgagor's, by its execution of this Instrument, expressly consents to the appointment of such receiver, including the appointment of a receiver *ex parte* if permitted by applicable law. (iii) If Mortgagor is a housing cooperative corporation or association, Mortgagor hereby agrees that if a receiver is appointed, the order appointing the receiver may contain a provision requiring the receiver to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including the Taxes,

Impositions, Assessments, and Insurance, it being acknowledged and agreed that the Indebtedness is an obligation of Mortgagor and must be paid out of maintenance charges payable by Mortgagor's tenant shareholders under their proprietary leases or occupancy agreements. (iv) Mortgagee or the receiver, as the case may be, will be entitled to receive a reasonable fee for managing the Premises. (v) Immediately upon appointment of a receiver or immediately upon Mortgagee's entering upon and taking possession and control of the Premises, Mortgagor will surrender possession of the Premises to Mortgagee or the receiver, as the case may be, and will deliver to Mortgagee or the receiver, as the case may be, all documents, records (including records on electronic or magnetic media), accounts, surveys, plans, and specifications relating to the Premises and all security deposits and prepaid Rents. (vi) If Mortgagee takes possession and control of the Premises, then Mortgagee may exclude Mortgagor and its representatives from the Premises. Mortgagor acknowledges and agrees that the exercise by Mortgagee of any of the rights conferred under this Section 7 will not be construed to make Mortgagee a mortgagee-in-possession of the Premises so long as Mortgagee has not itself entered into actual possession of the Land and Improvements. (D) If Mortgagee enters the Premises, Mortgagee will be liable to account only to Mortgagor and only for those Rents actually received. Except to the extent of Mortgagee's gross negligence or willful misconduct, Mortgagee will not be liable to the Borrower, anyone claiming under or through Mortgagor or anyone having an interest in the Premises, by reason of any act or omission of Mortgagee under Section 7(C) of this Instrument, and Mortgagor hereby releases and discharges Mortgagee from any such liability to the fullest extent permitted by law. If the Rents are not sufficient to meet the costs of taking control of and managing the Premises and collecting the Rents, any funds expended by Mortgagee for such purposes will become an additional part of the Indebtedness. (E) If the Rents are not sufficient to meet the costs of taking control of and managing the Premises and collecting the Rents, any funds expended by Mortgagee for such purposes will become an additional part of the Indebtedness as provided in Section 10 of this Instrument. (F) Any entering upon and taking of control of the Premises by Mortgagee or the receiver, as the case may be, and any application of Rents as provided in this Instrument will not cure or waive any Event of Default or invalidate any other right or remedy of Mortgagee under applicable law or provided for in this Instrument.

8. Assignment of Leases; Leases Affecting the Premises. (A) As part of the consideration for the Indebtedness, Mortgagor absolutely and unconditionally assigns and transfers to Mortgagee all of Mortgagor's right, title, and interest in, to, and under the Leases, including Mortgagor's right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease. It is the intention of Mortgagor's to establish a present, absolute and irrevocable transfer and assignment to Mortgagee of all of Mortgagor's right, title and interest in, to, and under the Leases. Mortgagor and Mortgagee intend this assignment of the Leases to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only. For purposes of giving effect to this absolute assignment of the Leases, and for no other purpose, the Leases will not be deemed to be a part of the Premises. However, if this present, absolute and unconditional assignment of the Leases is not enforceable by its terms under the laws of the state of Alabama, then the Leases will be included as a part of the Premises and it is the intention of Mortgagor that in this circumstance this Instrument create and perfect a lien on the Leases in favor of Mortgagee, which lien will be effective as of the date of this Instrument. (B) Until Mortgagee gives Notice to Mortgagor of Mortgagee's exercise of its rights under this Section 8, Mortgagor will have all rights,

power and authority granted to Mortgagor under any Lease (except as otherwise limited by this Section 8 or any other provision of this Instrument), including the right, power and authority to modify the terms of any Lease or extend or terminate any Lease. Upon the occurrence of an Event of Default, and during the continuance of such Event of Default, the permission given to Mortgagor pursuant to the preceding sentence to exercise all rights, power and authority under Leases will automatically terminate. Mortgagor will comply with and observe Mortgagor's obligations under all Leases, including Mortgagor's obligations pertaining to the maintenance and disposition of tenant security deposits. (C) Mortgagor acknowledges and agrees that the exercise by Mortgagee, either directly or by a receiver, of any of the rights conferred under this Section 8 will not be construed to make Mortgagee a mortgagee-in-possession of the Premises so long as Mortgagee has not itself entered into actual possession of the Land and the Improvements. The acceptance by Mortgagee of the assignment of the Leases pursuant to Section 8(A) of this Instrument will not at any time or in any event obligate Mortgagee to take any action under this Instrument or to expend any money or to incur any expenses. Except to the extent of Mortgagee's gross negligence or willful misconduct, Mortgagee will not be liable in any way for any injury or damage to the Person or property sustained by any Person or Persons in or about the Premises. Prior to Mortgagee's actual entry into and taking possession of the Premises, Mortgagee will not be obligated for any of the following: (i) performing any of the terms, covenants and conditions contained in any Lease, or any obligation with respect to any Lease; (ii) appearing in or defending any action or proceeding relating to the Lease or the Premises; (iii) the operation, control, care, management or repair of the Premises or any portion of the Premises. The execution of this Instrument by Mortgagor will constitute conclusive evidence that all responsibility for the operation, control, care, management, and repair of the Premises are and will be that of Mortgagor, prior to such actual entry and taking of possession. (D) Upon delivery of Notice by Mortgagee to Mortgagor of Mortgagee's exercise of its rights under this Section 8 at any time after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Mortgagee entering upon and taking and maintaining control of the Premises directly, by a receiver, or by any other manner or proceeding permitted by the laws of the state of Alabama, Mortgagee immediately will have all rights, powers and authority granted to Mortgagor under any Lease, including the right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease. (E) Mortgagor will, promptly upon Mortgagee's request, deliver to Mortgagee an executed copy of each Lease then in effect. (F) If Mortgagor is a cooperative housing corporation or association, notwithstanding anything to the contrary contained in this Instrument, so long as Mortgagor remains a cooperative housing corporation or association and is not in breach of any covenant of this Instrument, Mortgagee consents to the following: (i) Mortgagor may execute leases of apartments for a term in excess of two (2) years to a tenant shareholder of Mortgagor so long as such leases, including proprietary leases, are and will remain subordinate to the lien of this Instrument. (ii) Mortgagor may surrender or terminate such leases of apartments where the surrendered or terminated lease is immediately replaced or where Mortgagor uses its best efforts to secure such immediate replacement by a newly-executed lease of the same apartment to a tenant shareholder of Mortgagor. However, no consent is given by Mortgagee to any execution, surrender, termination or assignment of a lease under terms that would waive or reduce the obligation of the resulting tenant shareholder under such lease to pay cooperative assessments in full when due or the obligation of the former tenant shareholder to pay any unpaid portion of such assessments.

9. Application of Payments. If at any time Mortgagee receives, from Mortgagor or otherwise, any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, then Mortgagee may apply that payment to amounts then due and payable in any manner and in any order determined by Mortgagee, in Mortgagee's discretion. Neither Mortgagee's acceptance of an amount that is less than all amounts then due and payable nor Mortgagee's application of such payment in the manner authorized will constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction. Notwithstanding the application of any such amount to the Indebtedness, Mortgagor's obligations under this Instrument, the Note and all other Loan Documents will remain unchanged.

10. Protection of Mortgagee's Security; Instrument Secures Future Advances. If Mortgagor should fail to perform any of its obligations under this Instrument or any other Loan Document, or if any action or proceeding is commenced which purports to affect the Premises, Mortgagee's security, or Mortgagee's rights under this Instrument, including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of Hazardous Materials Laws (as hereinafter defined), fraudulent conveyance or reorganizations or proceedings involving a bankrupt or decedent, then Mortgagee, at Mortgagee's option may make such appearances, file such documents, disburse such sums and take such actions as Mortgagee reasonably deems necessary to perform such obligations of Mortgagor and to protect Mortgagee's interest, including all of the following: (i) payment of attorney's fees and costs; (ii) enter upon the Premises to make repairs or secure the Premises; procure insurance as required by the Loan Agreement; (iii) pay any amounts which Mortgagor has failed to pay under this Instrument, the Loan Agreement, or any of the Loan Documents; (iv) perform any of the Mortgagor's obligations under the Loan Agreement; (v) make advances to pay, satisfy or discharge any obligation of the Mortgagor for the payment of money that is secured by a lien on the Premises. Any amounts disbursed by Mortgagee under this Section 10 or under any other provision of this Instrument that treats such disbursement as being made under this Section 10, will be secured by this Instrument, will be added to, and become part of, the principal component of the Indebtedness, will be immediately due and payable and will bear interest from the date of disbursement until paid at the Default Rate (as defined in the Note). Nothing in this Section 10 will require Mortgagee to incur any expense or take any action. The provisions of this Section 10, including the obligation to indemnify Mortgagee, shall survive the payment of the indebtedness and the satisfaction and reconveyance of the lien of this Instrument and shall not be affected by Mortgagee's acquisition of any interest in the Premises, whether by foreclosure or otherwise. As used herein, the term "Hazardous Materials Law" and "Hazardous Materials Laws" means any and all federal, state and local laws, ordinances, regulations and standards, rules, policies and other governmental requirements, administrative rulings and court judgments and decrees in effect now or in the future, including all amendments, that relate to Hazardous Materials (as hereinafter defined) or the protection of human health or the environment and apply to Mortgagor or to the Premises. Hazardous Materials Laws include the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. Section 9601, et seq., the Resource Conservation and Recovery Act of 1976, 42 U.S.C. Section 6901, et seq., the Toxic Substance Control Act, 15 U.S.C. Section 2601, et seq., the Clean Water Act, 33 U.S.C. Section 1251, et seq., and the Hazardous Materials Transportation Act, 49 U.S.C. Section 5101 et seq., and their state analogs. As used herein, the term "Hazardous Materials" means petroleum and petroleum

products and compounds containing them, including gasoline, diesel fuel and oil; explosives; flammable materials; radioactive materials; polychlorinated biphenyls (PCBs) and compounds containing them; lead and lead-based paint; asbestos or asbestos containing materials in any form that is or could become friable; underground or above-ground storage tanks, whether empty or containing any substance; any substance the presence of which on the Premises are prohibited by any governmental authority; any substance that requires special handling and any other material or substance now or in the future that (i) is defined as a "hazardous substance," "hazardous material," "hazardous waste," "toxic substance," "toxic pollutant," "contaminant," or "pollutant" by or within the meaning of any Hazardous Materials Law, or (ii) is regulated in any way by or within the meaning of any Hazardous Materials Law.

11. Events of Default. An Event of Default under the Note, the Loan Agreement, or any other Loan Documents will constitute an Event of Default under this Instrument. Upon the occurrence of an Event of Default, the Indebtedness shall become due and payable forthwith at the option of Mortgagee.

12. Remedies Cumulative. Each right and remedy provided in this Instrument is distinct from all other rights or remedies under this Instrument, the Loan Agreement or any other Loan Document or afforded by applicable law or equity, and each will be cumulative and may be exercised concurrently, independently or successively, in any order. Mortgagee's exercise of any particular right or remedy will not in any way prevent Mortgagee from exercising any other right or remedy available to Mortgagee. Mortgagee may exercise any such remedies from time to time and as often as Mortgagee chooses.

13. Waiver of Statute of Limitations, Offsets, and Counterclaims. Mortgagor waives the right to assert any statute of limitations as a bar to the enforcement of the lien of this Instrument or to any action brought to enforce any Loan Document. Mortgagor hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Mortgagee or otherwise to offset any obligations to make the payments required by the Loan Documents. No failure by Mortgagee to perform any of its obligations under this Instrument will be a valid defense to, or result in any offset against, any payments that Mortgagor is obligated to make under any of the Loan Documents.

14. Waiver of Marshalling. Notwithstanding the existence of any other security interests in the Premises held by Mortgagee or by any other party, Mortgagee will have the right to determine the order in which any or all of the Premises will be subjected to the remedies provided in this Instrument, the Note, the Loan Agreement, or any other Loan Document, or applicable law. Mortgagee will have the right to determine the order in which any or all portions of the Indebtedness are satisfied from the proceeds realized upon the exercise of such remedies. Mortgagor and any party who now or in the future acquires a security interest in the Premises and who has actual or constructive notice of this Instrument waives any and all right to require the marshalling of assets or to require that any of the Premises be sold in the inverse order of alienation or that any of the Premises be sold in parcels or as an entirety in connection with the exercise of any of the remedies permitted by applicable law or provided in this Instrument.

15. Further Assurances. Mortgagor will deliver, at its sole cost and expense, all further acts, deeds, conveyances, assignments, estoppel certificates, financing statements or amendments,

transfers and assurances as Mortgagee may require from time to time in order to better assure, grant, and convey to Mortgagee the rights intended to be granted, now or in the future, to Mortgagee under this Instrument and the Loan Documents.

16. Governing Law; Consent to Jurisdiction and Venue. This Instrument, and the provisions for the creation, perfection, priority, enforcement, and foreclosure of the liens and security interests created in the Premises will be governed by, and construed in accordance with, the laws of the state of Alabama. Notwithstanding the foregoing, the law of the state of Connecticut shall govern the validity and enforceability of all Loan Documents, and the Indebtedness arising hereunder (but the foregoing shall not be construed to limit Mortgagee's rights with respect to such security interest created in the state of Alabama). Nothing in this Section 16 is intended to limit Mortgagee's right to bring any suit, action or proceeding relating to matters under this Instrument, the Note, the Loan Agreement, or any of the Loan Documents in any court of any other jurisdiction.

17. Notices. All notices, demands, and other communications required hereunder or otherwise related to this Instrument must be given in accordance with the terms and conditions set forth in the Loan Agreement.

18. Successors and Assigns. This Instrument will bind the respective successors and assigns of Mortgagor and Mortgagee, and the rights granted by this Instrument will inure to Mortgagee's successors and assigns.

19. Joint and Several Liability. If more than one party signs this Instrument as Mortgagor, the obligations of such Persons will be joint and several.

20. Relationship of Parties; No Third-Party Beneficiary. The relationship between Mortgagee and Mortgagor will be solely that of creditor and debtor, respectively, and nothing contained in this Instrument will create any other relationship between Mortgagee and Mortgagor. Nothing contained in this Instrument will constitute Mortgagee as a joint venturer, partner or agent of Mortgagor, or render Mortgagee liable for any debts, obligations, acts, omissions, representations or contracts of Mortgagor. No creditor of any party to this Instrument and no other Person will be a third-party beneficiary of this Instrument or any other Loan Document.

21. Severability; Amendments; Construction The invalidity or unenforceability of any provision of this Instrument will not affect the validity or enforceability of any other provision, and all other provisions will remain in full force and effect. This Instrument contains the entire agreement among the parties as to the rights granted and the obligations assumed in this Instrument. This Instrument may not be amended or modified except by a writing signed by the party against whom enforcement is sought. The captions and headings of the sections of this Instrument are for convenience only and will be disregarded in construing this Instrument. Any reference in this Instrument to a "Section" will, unless otherwise explicitly provided, be construed as referring to a section of this Instrument. Any reference in this Instrument to a statute or regulation will be construed as referring to that statute or regulation as amended from time to time. Use of the singular in this Instrument includes the plural and use of the plural includes the singular. As used in this Instrument, the term "including" means "including, but not limited to" and the term "includes" means "includes without limitation." Unless the

context requires otherwise, any definition of or reference to any agreement, instrument, or other document in this Instrument will be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth in this Instrument). Any reference in this Instrument to any Person will be construed to include such Person's successors and assigns. Any capitalized term not specifically defined in this Instrument will have the meaning ascribed to that term in the Loan Agreement. The term "Person" as used herein, shall mean any natural person, sole proprietorship, corporation, general partnership, limited partnership, limited liability company, limited liability partnership, limited liability limited partnership, joint venture, association, joint stock company, bank, trust, estate, unincorporated organization, any federal, state, county or municipal government (or any agency or political subdivision thereof), endowment fund or any other form of entity.

22. Subrogation. If, and to the extent that, the proceeds of the loan evidenced by the Note, or subsequent advances under Section 10 of this Instrument, are used to pay, satisfy or discharge a prior lien, such loan proceeds or advances will be deemed to have been disbursed by Mortgagee at Mortgagor's request, and Mortgagee will automatically, and without further action on its part, be subrogated to the rights, including lien priority, of the owner or holder of the obligation secured by the prior lien, whether or not the prior lien is released.

23. Confession of Judgment in Ejectment. To the extent permissible under the laws of the state of Alabama, at any time after an Event of Default, regardless of whether Mortgagee has asserted any other right or exercised any other remedy under this Instrument or any of the other Loan Documents, it shall be lawful for any attorney of any court to confess judgment in ejectment against Mortgagor and all Persons claiming under Mortgagor for the recovery by Mortgagee of possession of all or any part of the Premises, for which this Instrument shall be sufficient warrant. If for any reason after such action shall have commenced the same shall be discontinued and the possession of the Premises shall remain in or be restored to Mortgagor, Mortgagee shall have the right upon subsequent default or defaults to bring one or more action or actions as hereinabove set forth to recover possession of all or any part of the Premises.

24. Acceleration; Remedies. (A) At any time during the existence of an Event of Default, Mortgagee's option, may declare the Indebtedness to be immediately due and payable without further demand, and may invoke the POWER OF SALE and any one or more other remedies permitted by applicable law or provided in this Instrument, the Loan Agreement or in any other Loan Document. Mortgagor hereby acknowledges that the POWER OF SALE granted in this Instrument may be exercised by Mortgagee without prior judicial hearing. Mortgagee will be entitled to collect all costs and expenses incurred in pursuing such remedies, including attorneys' fees and costs and costs of documentary evidence, abstracts and title reports. (B) If Mortgagee invokes the POWER OF SALE, Mortgagee will deliver a copy of a notice of sale to Mortgagor in the manner provided in the Loan Agreement. Mortgagee will give notice by publication once a week for three consecutive weeks of the time, place and terms of such sale, together with a description of the Premises to be sold, in a newspaper published in the county or counties in which the Land to be sold is located, and thereupon will sell the Premises (or such part or parts thereof as Mortgagee may from time to time elect to sell) to the highest bidder at public auction at the front door of the County Courthouse of the county in which the Land to be sold, or a substantial and material part thereof is located. The sale will be held between the hours of 11:00 a.m. and 4:00 p.m. on the day designated for the exercise of the POWER OF SALE hereunder. Mortgagee may sell the Premises in one or more parcels and in such order as Mortgagee may determine. Mortgagee may postpone sale of all or any parcel of the Premises by public announcement at the time and place of any previously scheduled sale and by re-publication of notice announcing the new sale date. Mortgagee or its designee may purchase the Premises at any sale. (C) Mortgagee will deliver to the purchaser the mortgagee's deed conveying the Premises so sold without any covenant or warranty, express or implied. The recitals in the mortgagee's deed will be *prima facie* evidence of the truth of the statements made in those recitals. Mortgagor covenants and agrees that the proceeds of any sale will be applied in the following order or as otherwise prescribed by law: (i) to all costs and expenses of the sale, including attorneys' fees and costs; (ii) to the Indebtedness in such order as Mortgagee in its discretion, directs; and (iii) the excess, if any, to the Person or Persons legally entitled to it, after deducting therefrom the costs of ascertaining their identity.

25. Defeasance. Upon payment of the Indebtedness, this Instrument will become null and void upon the filing by Mortgagee of a written instrument of termination. Mortgagor will pay Mortgagee's reasonable costs incurred in releasing this Instrument.

26. Waiver of Exemptions. Mortgagor hereby waives all rights of exemptions as to personal property. If Mortgagor is an individual, Mortgagor hereby represents and warrants that the Premises are not the homestead of Mortgagor or Mortgagor's spouse.

SCHEDULE 1
PROPERTY DESCRIPTION

The Land referred to herein below is situated in the County of Shelby, State of Alabama, and is described as follows:

Lot 131-A, according to a Resurvey of Lots 129 through 178, Greystone Ridge Garden Homes. as recorded in Map Book 17, Page 28, in the Probate Office of Shelby County, Alabama.

PLANNED UNIT DEVELOPMENT RIDER

THIS PLANNED UNIT DEVELOPMENT RIDER is incorporated into and shall be deemed to amend and supplement the Mortgage, Assignment of Rents and Security Agreement (the "Security Instrument") of the same date, given by the undersigned (the "Mortgagor") encumbering the real property and improvements described in the Security Instrument and located at: 1199 Berwick Road, Hoover, AL 35242 (the "Premises"), and granted to secure the Commercial Promissory Note (the "Note"), of the same date, made by Sterling Home and Design, LLC to the order of Commercial Lender LLC (the "Mortgagee").

The Premises include, but are not limited to, a parcel of land improved with a dwelling, together with such other parcels and certain common areas and facilities, as described in covenants, conditions, and restrictions of record (together, with any amendments thereto (the "Declaration"). The Premises are a part of a planned unit development known as Greystone Ridge Garden Homes (the "PUD"). The Premises also includes Mortgagor's interest in the homeowners association or equivalent entity (the "Owners Association") owning or managing the common areas and facilities of the PUD and the uses, benefits, and proceeds of Mortgagor's interest.

PUD COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Mortgagor and Mortgagee further covenant and agree as follows:

A. PUD Obligations. Mortgagor shall perform all of its obligations under the PUD's Constituent Documents. The "Constituent Documents" are: (i) the Declaration; (ii) the articles of incorporation, trust instrument, or any equivalent document which creates the Owners Association; and (iii) any by-laws or other rules or regulations of the Owners Association. Mortgagor shall promptly pay, when due, all dues and assessments imposed pursuant to the Constituent Documents.

B. Property Insurance. So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy insuring the Premises which is satisfactory to Mortgagee and which provides insurance coverage in the amounts (including deductible levels), for the periods, and against loss by fire, hazards included within the term "extended coverage," and any other hazards, including, but not limited to, earthquakes and floods, from which Mortgagee requires insurance, then Mortgagor's obligation under Section 17(D) of the Loan Agreement to maintain property insurance coverage on the Premises is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

What Mortgagee requires as a condition of this waiver can change during the term of the loan.

Mortgagor shall give Mortgagee prompt notice of any lapse in required property insurance coverage provided by the master or blanket policy.

In the event of a distribution of property insurance proceeds in lieu of restoration or repair following a loss to the Premises, or to common areas and facilities of the PUD, any proceeds payable to Mortgagor are hereby assigned to Mortgagee and shall be paid to Mortgagee. Mortgagee shall apply the proceeds to the sums secured by the Security Instrument, whether or not then due, with the excess, if any, paid to Mortgagor.

C. Public Liability Insurance. Mortgagor shall take such actions as may be reasonable to ensure that the Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Mortgagee.

D. Condemnation. The proceeds of any award or claim for damages, direct or consequential, payable to Mortgagor in connection with any condemnation or other taking of all or any part of the Premises or the common areas and facilities of the PUD, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Mortgagee. Such proceeds shall be applied by Mortgagee to the sums secured by the Security Instrument as provided in Section 9.

E. Mortgagee's Prior Consent. Mortgagor shall not, except after notice to Mortgagee and with Mortgagee's prior written consent, either partition or subdivide the Premises or consent to: (i) the abandonment or termination of the PUD, except for abandonment or termination required by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain; (ii) any amendment to any provision of the Constituent Documents if the provision is for the express benefit of Mortgagee; (iii) termination of professional management and assumption of self-management of the Owners Association; or (iv) any action which would have the effect of rendering the public liability insurance coverage maintained by the Owners Association unacceptable to Mortgagee.

F. Remedies. If Mortgagor does not pay PUD dues and assessments when due, then Mortgagee may pay them. Any amounts disbursed by Mortgagee under this Paragraph F shall become additional debt of Mortgagor secured by the Security Instrument. Unless Mortgagor and Mortgagee agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the interest rate set forth in the Note and shall be payable, with interest, upon notice from Mortgagee to Mortgagor requesting payment.
