 who being by me first duly sworn, deposed and said
 that she is the only child of her parents Francis M. Floyd
 and Mary C. Floyd, and that her said parents were in
 possession of the property this day mortgaged to Mrs.
 Kate G. Harrison as long as she can remember and they
 informed her that she was born on the said property.
 That she knows of her own knowledge that they were in
 possession of the said property more than twenty
 years before this date. That no person has claimed
 any interest in or to the said property and that
 since her parents death she has been in possession
 of said property and has same rented now. That
 each of her parents are dead and have been dead
